BILL BRADBURY

SECRETARY OF STATE

JEAN STRAIGHT

DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310

(503) 986-1518

My Fellow Oregonians:

Once again, it's time for Oregon voters to make good on the bargain we make for living in a free country. It's time to vote.

In these pages, you will see the candidates running for office this year. These are the words they've chosen to represent themselves to you. Read them carefully and evaluate what they have to say because the decisions made by our elected officials make a difference in our lives.

Voting is only one of the duties we share in preserving our blessings of liberty. We serve on juries. We pay our taxes. We serve in the armed forces. We don't litter. And we vote. Voting is no mere footnote to democracy. It's what separates us from tyrants, a practice we've nurtured and encouraged for more than two centuries and preserve today as a bulwark in keeping our country safe and free.

It's already been an exciting year. In the spring, Oregon saw a huge surge in voter registration and we may well set new records in November for turnout. Registering, remember, is only half the process and doesn't mean a lot unless you actually vote.

If you have questions about registration, filling out your ballot or about getting a replacement ballot if you make a mistake, please call our toll-free hot-line, 1-866-ORE-VOTE, or 1-866-673-8683.

Remember to vote. Your ballot must be in the hands of election workers or in an official drop-off location no later than 8pm on Tuesday, November 4. Postmarks don't count. You can always call your county elections office to make sure they've received your ballot.

Being an active participant in our democracy is good for America, good for your community and best of all, good for you.

Best Wishes,

A handwritten signature in black ink that reads "Bill Bradbury". The signature is fluid and cursive, with the first letters of "Bill" and "Bradbury" being capitalized and prominent.

Voters' Pamphlet

Your official 2008 General Election Voters' Pamphlet is divided into two separate volumes. This is Volume 2 and contains information on candidates. You should have already received Volume 1, containing information on the 12 statewide measures on your ballot. If you have not received Volume 1, please call the toll-free voter information line at 1-866-ORE-VOTE (1-866-673-8683).

This volume also contains miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

Candidate statements and measure arguments are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices.

Candidates

In the general election, candidates are divided into two sections: partisan candidates and nonpartisan candidates. Partisan candidates appear before nonpartisan candidates. All space is purchased: statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2008 General Election is:

**N, X, O, H, Y, S, G, K, I, A, E, M, B, O, R, W, D, Z, U, J, L, V,
T, F, P, C**

Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org.

Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 30. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, November 4, 2008.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

We Americans must cut the Federal Government down to its Constitutionally established size. Your vote can get the job started.

As your President I will, beginning on day one:

- start the return of troops from Iraq, Afghanistan and the other 130 countries
- restore credible medical care to veterans
- pull the plug on the unaffordable American Empire
- restore sound, gold and silver backed money
- work forcefully against budget and trade deficits
- secure our own borders instead of other nations' borders
- end federally funded benefits to those here illegally
- dismantle NAFTA, GATT and export of USA jobs
- recall US diplomats from the UN and end our membership
- protect right of citizens to be armed
- veto federal funding and involvement in local education
- encourage use of domestic oil resources
- recognize the legal personhood of unborn children, treat abortion as crime and confront the morally indefensible Roe decision

Obtain a copy of our nation's Constitution. It is easy to understand and you have an obligation to know what it sets forth. The Constitution is our blueprint for freedom. Use your vote to defend it.

Our government should be much smaller and we should enjoy more liberty. The two big parties have taken turns damaging our great country. Declare some independence this year.

**BOB BARR FOR PRESIDENT
www.BobBarr2008.com**

Throughout his distinguished career, Bob Barr has proven that he is the leader Americans need to restore confidence of the American people in the future of their nation. Both working for the American people as a Congressman from Georgia and afterwards partnering with groups dedicated to protecting civil liberties, Bob has shown a commitment to shrinking government and giving power back to the people.

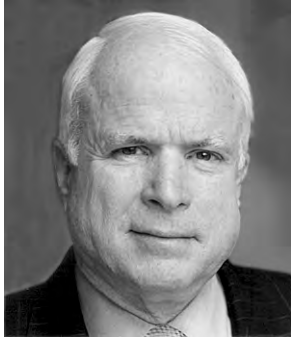

Americans know that the answer to today's problems is not more government, and Bob will work tirelessly to cut taxes, reduce government spending and restore our civil liberties lost during the Bush administration. Having seen the true nature of government from inside and out, only Bob Barr has the qualifications, the passion, and the commitment to work for the American people in their interest--not the government's.

Since leaving Congress where he served as the vanguard of the Second Amendment, Bob worked to increase individual liberty and privacy rights through such organizations as the Kennedy School of Government at Harvard University and the American Conservative Union as the 21st Century Liberties Chair for Freedom and Privacy. For his work on protecting the privacy and civil liberties of all Americans, legendary *New York Times* columnist William Safire dubbed Bob "Mr. Privacy."

If there is one candidate who consistently comes down on the side of the American people's rights, it is Bob Barr. Bob knows the answer is less government, and has proven that he will deliver the real change necessary to lead America into a new era of prosperity and freedom.

Occupation: U.S. Senator

Occupational Background: U.S. Senator; U.S. Representative; U.S. Navy Captain; Naval Aviator

Educational Background: U.S. Naval Academy

Prior Governmental Experience: U.S. Senator; U.S. Representative

In war and peace, I have been a dedicated servant of our country. Whenever I faced an important choice between my country's interests, party politics or special interests, I chose our country.

I will continue to put our country first by ushering in a new era of reform, prosperity and peace. If I'm elected President, the era of the permanent campaign will end. The era of problem solving will begin. Washington is broken, and I intend to fix it. All you've ever asked of government is that it stand on your side, not in your way.

I will stand by your side to grow this economy, create more jobs and get America moving again. I will aggressively push to develop alternative energies while expanding our use of existing energy resources here at home. As President, I intend to provide future generations of Americans with a safer, more peaceful world than the one we inherited. We will achieve energy security and ensure that healthcare is affordable and available for all. It is incumbent on America, more than any other nation on earth, to lead in building the foundations for a stable and enduring peace.

I will put an agenda of reform, prosperity and peace for America before any partisan interest or special interest. I will keep that promise every hour of every day I am in office.

Cynthia McKinney served 12 years in the United States Congress as a courageous voice of peace and seeks make America more safe and better for all Americans.

In Congress she authored legislation seeking: elimination of federal subsidies for corporations taking jobs overseas; a national livable wage; repeal of the Military Tribunals Act; provision for national forest protection and restoration; elimination of the use of depleted uranium weapons; denial of federal assistance to law enforcement agencies violating human rights; 9/11/2001 victims right to participate in the Victims Compensation Fund; the impeachment of Bush, Cheney, and Rice.

Partisan Candidates**United States President****Ralph Nader**

Peace

Occupation: Consumer Advocate**Occupational Background:** Consumer Advocate**Educational Background:** BA, Princeton University; LLB,

Prior Governmental Experience: US Department of Labor, 1960sWhy Vote for Nader?

In 1965, Ralph Nader became an American hero when he brought General Motors to its knees by exposing its campaign to intimidate and smear him for having written a book about auto safety. Since then, he has created more than 100 public interest groups.

You may know that Nader has saved more than a million lives because of seatbelts and air bags, but did you know he led the campaign against nuclear power, which has blocked the construction of new nuclear plants in America for more than 30 years?

You may know that he is largely responsible for the Clean Air Act, Clean Water Act, and the Freedom of Information Act, but did you know that in recent years he secured cheap, generic AIDS drugs for India?

In the 1980s, corporate power counter-attacked, expanding lobbies, think tanks, buying up newspapers and TV networks. Citizen's groups were frozen out, as Washington became "corporate-occupied territory."

To challenge an increasingly rigged system, Nader had to enter politics. Despite being frozen out by the corporate media, he has been at 6% in national polls, with 14% saying they would vote for him if he were competitive.

Because neither McCain nor Obama will challenge the corporate political establishment, their campaign has been personal, nasty, and trivial. There is no debate about our bloated defense budget, the worsening war in Afghanistan, policy toward Iran or Russia, Israel/Palestine, single-payer health care, a living wage, rebuilding our infrastructure, or a new economy built on wind and solar power.

Your vote for Nader will keep these big issues alive, and strengthen the hand of progressive forces in the coming years. If you deny your vote to the major parties, they will know they cannot take you for granted: Your power grows.

United States President**Barack Obama**

Democrat

Occupation: I serve as a U.S. Senator.**Occupational Background:** I've been a community organizer, civil rights lawyer, and constitutional law teacher.**Educational Background:** I graduated from Columbia University and Harvard Law School.**Prior Governmental Experience:** My prior governmental experience is 8 years as an Illinois state Senator.

I'm running for President because at this defining moment in our nation's history, we have a chance to forge a new majority so we can solve the problems we've been talking about for decades.

I'm running to turn the page on the failed politics of the past; a politics that divides us when we should be coming together to solve problems; a politics that accepts lobbyists as part of the system in Washington, instead of recognizing that they're part of the problem; and where politicians don't mean what they say or say what they mean.

As President, I'll bring Democrats and Republicans together to solve the problems facing us. I'll invest in clean energies so we can create green jobs, reduce our dependence on foreign oil, and save this planet for our children. I'll stop giving tax breaks to companies that ship our jobs overseas, and put a middle-class tax cut into the pockets of working families, struggling homeowners, and seniors who deserve to retire with dignity and security. I'll work for affordable, accessible health care for all. I'll make college affordable for anyone who wants to go. And I'll responsibly end the war in Iraq - a war I opposed from the start.

Since I walked away from a career on Wall Street to work as a community organizer more than two decades ago, I've fought to bring people together, and to make a difference in the lives of ordinary Americans. I don't want to pit Blue States against Red States - I want to lead the United States of America in a new direction to turn this moment of challenge into our moment of opportunity.

Occupational Background: Marketing/Engineering

Educational Background:

Prior Governmental Experience: Constitution Party Vice Chairman

www.DaveBrownlow.com

I am running for the U.S. Senate because the professional politicians we hired to do the job have failed us.

Our economy is in a tailspin; the value of our dollar is heading toward freefall; our debt is exploding; our manufacturing base is being shipped offshore; our borders have become a virtual sieve; and our military is bogged down in two simultaneous, unconstitutional wars.

Clearly, something has got to change.

We need to begin curing the disease rather than continuing to treat the symptoms. This would involve a return to the constitutional principals of limited government, sound money, non-intervention with our world neighbors, and restoring our individual liberties.

Unlike my opponents, I will vote to:

- Defend the Constitution - not the special or corporate interests - by returning power back to the states and the people.
- Dismantle the Federal Reserve, (a private banking cartel) and turn off the money printing presses. Inflation, war, poverty, and most other economic ills can be traced back to the insanity of our failed monetary policy.
- End the occupation of Iraq and Afghanistan, both of which have turned into bloody, winless debacles with no defined missions.
- Begin the orderly shutdown of the American Empire, which now spans some 700 bases in 130 countries - rather than waiting for it to spontaneously disassemble itself.
- Keep America out of entangling alliances - NO foreign aid!
- Secure our borders.
- End the senseless slaughter of the unborn.

Instead of solutions, all my opponents have to offer is more of the same: more spending, more debt, more phony money, more failed programs, more foreign interventions, and of course, less liberty.

Our country is in serious trouble. It is time we start telling each other the truth.

Oregon voters have every reason to be disappointed with the Congressional Democrats who talk about peace, but vote to continue paying for war. Representative DeFazio voted to fund the occupation of Iraq and Afghanistan six times from 2005 to 2008.

As a **peace slate** candidate, I pledge to never vote for the “supplemental” funding bills that finance the war against the people of Iraq and Afghanistan and never vote for an increase in the military budget. I will work to get the US troops out of Iraq, Afghanistan, Colombia, Cuba, Japan, Korea and scores of other nations.

The colonialist adventure in Iraq is bankrupting the country, ruining our reputation among the nations of the world, demoralizing our soldiers, eroding our civil liberties, making energy sources less secure, and wasting resources needed at home.

Imperialism is not a sustainable practice. The United States spends more on defense than the rest of the world’s governments combined. The United States is the world’s largest exporter of weapons. The United States military is the world’s largest single consumer of petroleum products. We are going to war just to secure resources necessary to continue going to war. That doesn’t make anyone safer. It only makes the oil companies and the war profiteers richer.

As Marine Corps General Smedley Butler said, “War is a racket!”

There is an alternative. Invest in healthcare, education, housing, infrastructure maintenance, environmental restoration, alternative transportation, energy independence and conservation.

Stop investing in death and international larceny.

Occupational Background:

Lane County Commissioner, Congressional Aide, Assistant Director Senior Companion

Program, US Air Force Reserve

Educational Background: Tufts University, B.A.; University of Oregon, M.A.

Prior Governmental Experience: Chair, Lane County Commission

LOWERING GAS PRICES

“DeFazio takes on oil companies,” *Drain Enterprise*, 6/19/08

DeFazio is fighting for short-term price relief by stopping market manipulation and speculation - boosting supply by requiring development of more than 10,000 idle leases on federal lands and offshore. His plan would tax windfall profits unless big oil invests in new production, exploration, refineries, or alternative energy.

DeFazio’s plan would break our dependence on foreign oil with domestic production, renewable fuels and new energy technologies.

FIGHTING FOR AMERICAN WORKERS

DeFazio has consistently opposed job killing trade agreements that threaten our sovereignty, our standard of living, and our consumer and environmental protections.

IMPROVING TRANSPORTATION AND INFRASTRUCTURE

“DeFazio directed hundreds of millions of dollars to Oregon for bridge and highway repair,” *The Oregonian*, 1/8/07

DeFazio is chairman of the Highways and Transit Subcommittee. He is pushing for increased investment to repair our crumbling bridges and highways, and provide high-speed rail and transit alternatives. His plan would revive our weak economy, make the U.S. economy more competitive, and create tens of thousands of living-wage jobs that can’t be exported.

STRENGTHENING RURAL COMMUNITIES

DeFazio has fought to reauthorize the county payments program which helps counties pay for vital services like public safety, schools, and health care.

PROTECTING SENIORS

DeFazio pushed to derail the Bush plan to cut physician reimbursements for Medicare which would have limited seniors’ access to medical care. He was a vocal critic of the Bush/Wall Street plan to privatize Social Security and has fought to lower the cost of prescription drugs.

PAY RAISES TO SCHOLARSHIPS

“DeFazio votes to make college more affordable,” *Siuslaw News*, 2-3-07

DeFazio has turned back \$224,000 in Congressional pay raises to fund over 177 scholarships for displaced workers at community colleges.

I am angry at the divisiveness being promoted by the main-stream media, and yes, even by our own government. Agencies need to validate their existence by coming up with more and more regulations all of which promote divisiveness, not unity. Ethnicity? Religion? Income? Party Lines? We will not be able to exist as a nation with this continual focus on what makes us different instead of on what we have in common.

My campaign team consists of not only Constitution Party members, but also Republicans, Libertarians, Democrats and Independents. Everywhere I have campaigned in this state, people from all political affiliations say that they feel unrepresented; all feel that they are being ignored and that we are losing our country. The message of a Constitutional Government resonates with Americans, as our Constitutional Rights are violated daily by the current Congress.

We need representatives in DC who will put **Americans'** needs first, rather than sending \$300 billion overseas to fight global poverty and \$50 billion overseas to fight HIV / AIDS. Charity begins at home and in the private sector.

While fighting the war on terrorism overseas, we are leaving out own borders wide open. We need to secure our borders. (Named True Immigration Reform candidate by Americans for Better Immigration)

We need to return our country to an America that our children and grandchildren can be proud of. We need to return to our Constitutional foundations. We need to be Americans.

Secretary of State

Kate Brown

Democrat

Occupation: State Senator

Occupational Background:
Family and Juvenile Law
Attorney

Educational Background:
University of Colorado, B.A.;

Northwestern School of Law, Lewis and Clark College, J.D.;
Senior Executive Program, Kennedy School of Government,
Harvard

Prior Governmental Experience: State Representative
1991-1996; State Senator since 1997; former Senate Majority
Leader

Tough on Initiative Fraud

Concerned about fraud in our initiative system, Kate Brown passed the law banning anyone convicted of fraud, forgery or identity theft from collecting ballot measure signatures. With her legal background, she will **crack down on fraud with tough enforcement to ensure signature gatherers follow the law and make sure those who don't are prosecuted.**

Opening Doors for Jobs

The Secretary of State's office is the first stop for a new business in Oregon. In these tough economic times, **Kate Brown is dedicated to making Oregon attractive to new businesses to create new good-paying jobs**, and to making it easier to do business in Oregon.

Rigorous Audits to Save Money

With rigorous audits of state agencies, schools and even energy use, **Kate Brown will make sure our tax dollars are spent effectively and efficiently.** By keeping a close eye on the bottom-line and finding creative ways to provide critical services, she will help put more dollars into our priorities, like education and health care.

Fair and Open Elections

Kate Brown won her first race by just seven votes, so she knows firsthand that **every vote matters and every vote must be counted.** She supports campaign finance reform, and wrote the law that requires campaign cash be reported online, where the public can easily know who is funding ballot measure and candidate campaigns. As Secretary of State she will continue to safeguard our elections and shine a light on the influence of money in politics. **Under her watch, we'll always have elections you can trust.**

**Experienced Leadership. Results that Matter.
The Choice that Makes a Difference.

NOW IS THE TIME FOR A NON-PARTISAN SECRETARY OF STATE

Dear Voters,

Traveling this state as a journalist for 23 years you discover the common bonds that make us proud to be Oregonians.

But when I investigated state government I saw that bitter partisanship and special interests dominate. Now is the time to elect people who are not beholden to special interests.

I left journalism to run for Secretary of State so I could pass a better Oregon on to my children – and I ask for your vote.
-Rick Dancer

Vic Atiyeh, Oregon Governor (1979-1987) says:

"Dancer's experience is exactly what we need in a Secretary of State. Objectivity, investigative know-how, and a keen appreciation of all parts of Oregon."

There are clear differences between my opponent and me:

- I support opening the Primary Election so every Oregonian's voice is heard.
- I support permitting only legal citizens to register to vote.
- I support guaranteeing the right to a secret ballot for all elections.
- I will aggressively review and audit all state agencies because I am not financially beholden to public employee unions.

I will work to take politics out and put trust in.

"Oregon roots run deep for Rick Dancer. From the family homestead in Baker City, to being born, raised, and educated in Washington County, to working in Lane County and the south coast, Rick Dancer will always put Oregon first." **Congressman Greg Walden.**

"Rick Dancer has a proven record of being fair and impartial. He will bring a non-partisan approach to this job that is desperately needed." **Jack Roberts, former Oregon Labor Commissioner.**

Educational Background: Northwest Public Schools; Willamette University, Computer Science Major**Prior Governmental Experience:** Secretary and Officer of Pacific Green Party Local and State Committees; Elections Administrator and National Delegate for Pacific Green Party

ELECT SETH WOOLLEY TO
END LEGALIZED BRIBERY, ELIMINATE SPOILED VOTES,
 FOR A STRONG VOICE FOR **TRANSPARENT ELECTIONS**

The Secretary of State administers our elections, audits our government, manages files and archiving, and sits on the Land Board. Seth is the **only candidate qualified** that is **uncorrupted** by any special interest money.

SETH WILL **END LEGALIZED BRIBERY** BY ENFORCING
 MEASURE 47 (2006) WHICH **THE VOTERS ENACTED**

You, the citizens of Oregon voted to enact reasonable limits for campaign donations that would **ensure broad support** for candidates. The current Democratic Secretary refuses to **enforce the law**, despite no portion ever being overturned by the courts.

SETH WILL **ENSURE A MAJORITY** IN OUR ELECTIONS:
INSTANT RUNOFF VOTING

One hundred years ago, the citizens of Oregon voted to allow **ranking candidates in order of preference** when voting. The current Democratic Secretary successfully lobbied against both state and local legislation that would enable this constitutional provision, preventing people from voting for somebody other than the lesser of two evils. **Spoiled elections are not meaningful elections.** Instant Runoff Voting would ensure that if no candidate receives a majority of first choice votes, a "runoff" election is held instantaneously, taking into account voters' second choice votes.

SETH WILL BE FOR **INDEPENDENT CANDIDATES AND OPEN BALLOT ACCESS**

The current Democratic Secretary **fought tooth and nail and often in violation of the law to keep independents off the ballot.** Seth's Democratic opponent helped to pass 2005 HB 2614, which made getting any independent on the ballot **nearly impossible.**

America is in danger and Oregon on the verge of collapse. Leaders of the Democrat and Republican parties with their Ivy League educations are either incredibly stupid or are deliberately destroying us. It is time to return to Constitutional Government and become once again a land of opportunity for Americans. We have entered, voluntarily, into a slave relationship, with our government masters.

Government licenses our activity from travel to marriage, they tax us to drain us of our sustenance, and then use our money to hire police and bureaucrats to come into our homes with warrants to kidnap our children, steal our property and deprive us of our liberty with no remedy-at-law.

In 2007 the legislature, including Ben Westlund, voted to put a toll on every road, bridge and bike path in Oregon with photo tracking devices. Once the Federal Real I.D. Act, which puts everyone into Biometric data base, is completed the Democrat/Republican leadership plan to merge the banks with the States and Federal treasury into one entity with all financial transactions being done by computer. Anyone who objects to any government policy will have their identification suspended and be unable to buy groceries and pay rent.

As State Treasurer, I will uphold and defend the Oregon Constitution.

Attorney General

**J Ashlee
Albies**
Working Families

Occupation: Attorney

Occupational Background: Associate, Steenson, Schumann, Tewksbury, Creighton, & Rose, PC, 2008 – present; Attorney, Law Offices of J. Ashlee Albies,

2005-2008

Educational Background: Rutgers University, B.S.; Lewis and Clark Law School, J.D.

Prior Governmental Experience: None

Democracy requires real electoral choices. I am running for Attorney General to offer voters a choice and to introduce voters to the Working Families Party.

Political parties should help you identify candidates who support issues that matter to you. In this race, the two major parties have nominated the same candidate, so it is important for us to raise another voice.

Our Working Families Party stands for good jobs, especially creating green family-wage jobs, health care for all without private profit, debt free higher education and technical training, affordable housing and an end to predatory lending, and strengthening workers rights to organize and negotiate with employers.

The Attorney General holds a unique position; she upholds the rule of law for all Oregonians. The Attorney General must understand the economic and social underpinnings of crime. Unemployment, poor educational opportunities, and health care unavailability can lead to bad choices. Criminals must be prosecuted, but judges and juries need flexibility to fashion penalties that fit the crime and the criminal. This will help prevent future crime.

The high cost of prisons keeps us from accomplishing other goals. Oregon spends more of its general fund on corrections than any other state. Prison is more expensive and often less effective than community based solutions. These funds are taken away from education, health care, and other services that might actually reduce crime. Likewise, the death penalty does not reduce crime. It diverts resources from effective crime prevention strategies and costs more than life imprisonment.

The Attorney General should aggressively prosecute polluters, corporate criminals, and predatory lenders. Environmental destruction, economic violence, stealing pensions, and defrauding small shareholders causes serious harm to everyday people.

Join the Working Families Party in building a better Oregon.

Occupation: Volunteer attorney, Consumer Justice Alliance, Oregon Consumer League (Oregon State Bar's 2004 awards for "TOTAL HOURS OF PRO-BONO SERVICES" and "LEGAL SERVICES

TO THE POOR").

Occupational Background: Commander JAGC U.S. Navy (Ret.) (1944-71); volunteer WWII, Korea, Vietnam; public defender, prosecutor, appellate attorney, attorney for disabled servicemen, judge. Lewis & Clark Law School (1970-80) taught Consumer Law, Criminal Procedure, Legal Ethics. Malheur County Counsel, Deputy D.A. (1989-91). Family timber farmer (1988-2007) (Walt donated to Lincoln County, for all Oregonians, his reforested 185-acre farm on the Siletz River as a no-hunting, no-logging nature park).

Educational Background: USC, B.A., J.D.; Harvard Law School (constitutional law); Boston University, M.A. (government); UofO, M.L.S.

Prior Governmental Experience: Oregon Senate (1975-87)

Community Activities: League of Conservation Voters; VFW; Amnesty International; Oregon Fair Trade Campaign; Physicians for a National Health Plan; NAACP (since 1948); Sierra Club.

The U.S. Department of Justice established a Civil Rights Division in 1957 to uphold the civil and constitutional rights of all Americans. While Oregon adopted an enlightened Bill of Rights in 1859, our Justice Department has no Civil Rights Division. Walt would create a Civil Rights Division.

Violent crime should always be punished by incarceration. However, the majority of crime is drug and poverty related. Walt would form special committees to address the issues of educational funding, unemployment, healthcare, drug and alcohol rehabilitation, housing, food, and energy costs.

Walt's strong commitment to health care is not limited to how it impacts our quality of life and longevity, but how poor health care is reflected in crime, as the leading cause of personal bankruptcies, loss of productive employment, and domestic violence. Over 600,000 Oregonians (160,000 children) are uninsured. The two major parties have failed to address the basic need for medical care because of their fear of the health insurance industry.

"Of all the forms of inequality, injustice in health care is the most shocking and most inhuman."

The constitutions of Oregon and the United States should not be ignored. I will obey them. I will do all I can to make our governments operate within their constitutional limits.

My policy is: slavery bad – liberty good.

Oregon's founding fathers chose liberty, so do I.

Having been a prosecutor myself, I know that a person can be both a great prosecutor and a good person. Prosecutors are not supposed to prosecute all cases brought to them. Prosecutors are supposed to only prosecute cases for which the prosecutor has admissible evidence that will likely convince a jury that a particular defendant is guilty of a crime. Prosecutors should never knowingly present perjurious testimony. Appellate prosecutors should confess error when appropriate.

When I am Attorney General the policy of the Oregon Department of Justice will be to seek justice, not victories.

Oregon's Constitution says, "In all criminal cases whatever, the jury shall have the right to determine the law, and the facts under the direction of the Court as to the law...." I will do all I can as Attorney General to insure juries in criminal cases know their powers as well as their duties.

We need to create trial courts of general jurisdiction. In 1910 the people eliminated Oregon's circuit courts when we amended Article VII of the Oregon Constitution. Oregon's Circuit Courts, have not been replaced by law as authorized by Article VII amended.

I am pro life. A person becomes a person at conception.

Our right to defend ourselves and others is our most important right. We cannot and should not rely solely on government employees to protect ourselves, our families, and our property.

The citizens of this nation and our state are showing an
understanding and willingness to grapple with the great issue of
our time. Previous generations joined together to struggle
against the rise of totalitarian regimes and economic depression
to give us the blessings of freedom and civilization. We are
challenged to work together to ensure that our children and
grand children will have a natural environment and an organized
society in which to prosper.

The prospects for the future are both glum and fantastically
wonderful. Much depends upon our making a conscience choice

As your Representative, Paul Holvey believes every Oregonian has the right to a state government that helps them live their dreams and pursue opportunities for a good life. Paul is working for a better standard of living for Oregonians, and a safe, healthy environment to live in.

An Oregon That Works

Paul knows education is the cornerstone of our future. Oregon must provide the revenue necessary to fully fund K-12, community colleges, and our universities to provide the knowledge and skills necessary for tomorrow's economy. Paul understands living wage jobs and a good business climate are vital for a healthy community. Paul will work to ensure Oregon's investments in our economy return real benefits to Oregonians.

A Compassionate Oregon

Paul believes the vulnerable and less fortunate deserve shelter and a life with dignity. He will continue to fight for affordable and accessible healthcare. Paul supports human and civil rights, workers' rights, and women's right to reproductive choice. He will fight to protect our Constitution and our freedoms.

A Fair Oregon

State government should support the essential services that Oregonians need. Paul knows this can be accomplished with fiscal responsibility, government accountability, a fair revenue system, and elimination of tax giveaways for the wealthy. It is time for tax reform that does not burden working families and provides stable revenues and adequate reserves for Oregon.

The Oregon AFL-CIO awarded Paul the Gold Medal for Leadership in the 2007 Legislative Session and designated him as a "Working Families Champion".

I helped lead the effort to deepen Coos Bay's Port to bring thousands of new container jobs to our communities. I've demanded that Congress start making federal timber payments again. Washington put major logging restrictions in place. They need to live up to their promises and help pay for what they did to us.

Supporting Our Returning Veterans

No matter where you stand on the War, it's clear we have to do more to support our returning veterans. I'm working hard to expand veterans' education, housing and medical services.

Putting Education First

In 2007, I championed our landmark education budget and worked to get more dollars into the classroom for the first time in a decade. As Principal of Marshfield, I worked with limited funding all the time. We have to give our educators the tools to help every child succeed.

Quality Health Care

I helped pass laws to require health insurers to hold public hearings before they raise rates and reduce prescription drug rates for thousands of Oregonians. Now, I'm ready to make healthcare providers more accountable by requiring hospitals and insurance companies to follow consistent, fair pricing guidelines.

Proven Leadership for the Central Coast

KEEPING OUR SENIORS HEALTHY AND INDEPENDENT

Jean Cowan is leading the effort in Oregon to improve our state's long-term care system for our growing senior population. She authored legislation that will expand access to community-based care options and help the state create a blueprint for more effective services for all seniors and people with disabilities.

IMPROVING PUBLIC EDUCATION

Jean Cowan worked to expand Head Start and increase funding to K-12, community colleges and universities. She supported health insurance pools to help school districts lower insurance costs, freeing those dollars for classroom use.

PROTECTING OUR INTERESTS ON THE COAST

As Vice-Chair of the Ocean Policy Committee, Jean Cowan ensures that our coastal communities are active decision-makers in wave energy and marine reserve issues. She supported legislation that provided increased financial assistance for disaster victims in coastal towns.

PUBLIC SAFETY and CONSUMER PROTECTION

Jean Cowan supported increasing the number of Oregon State Troopers on our highways. She helped pass consumer protection legislation curbing predatory lending practices. She stood up for fairness under the law for all Oregonians, regardless of sexual orientation.

WORKING FOR YOU IN SALEM

It has been my honor to serve you in Salem. I'm proud of our accomplishments last session, especially our new Rainy Day Savings account and wise investments in business, affordable housing and environmental protections. But there is more work to do for education, healthcare, senior issues, workforce training and much more. I look forward to the opportunity to continue representing the citizens of House District 10.

As a Leader in Oregon's Legislature, Phil Barnhart has delivered time and again for working Oregonians.

Phil is fighting to eliminate billions of dollars in loopholes and corporate giveaways to fund education, public safety, health care, and other essential services.

As Chair of the House Revenue Committee, Phil has worked to create a fair and balanced tax structure to pay for our community's most important priorities including:

Building World Class Schools

Phil took steps to re-invest in Oregon's public schools and universities, helped increase access to college through Oregon's new Opportunity Grants, and helped enact Oregon's first ever Rainy Day Fund, bringing stability and security for our students. Phil reinvigorated interest and support for apprenticeship programs, equipping workers with vital skills through education and hands-on training.

Strengthening our Economy

As Chair of the House Revenue Committee and member of the Workforce and Economic Development Committee, Phil champions structural changes to make our revenue system work for all Oregonians. Phil is working to eliminate failed tax loopholes and increase family wage jobs by promoting new economic development.

Protecting the Environment

To move Oregon towards energy independence, Phil helped pass both the Business and Residential Energy Tax Credit bills. Now home and business owners can not only afford renewable energy devices like solar panels and solar water heaters but have an incentive to install them. Phil continues to advocate for renewable energy job creation, strengthening our economy and protecting Oregon's future.

in the State Capitol**

Dear Neighbor,

It has been my honor to work for you since 2001. While at times very challenging, I have fought hard to protect your interest and make progress on priority issues. For example: in our last session we established a "rainy-day fund", moved toward restoring 24/7 coverage of state police patrols, increased school funding, and made prescription drugs more affordable. I am particularly proud of my success in passing legislation to help provide more affordable housing in Springfield by freeing our City's land-use system from Eugene's; an effort that I pursued in cooperation with our City Council.

But the job is not done. I stand ready to continue the battle during the 2009 legislative session. My focus will be:

- **Increasing access to affordable health care and prescription drugs.**
- **Working to create good jobs and strengthening Oregon's economy,**
- **Ensuring children get the education they need and deserve to be successful - AND - insisting on proven results from educators.**

I bring a practical, common sense approach to issues before the Legislature. My desire is to make government accountable, responsive and leaner. I know how hard everyone works to support their household budget. I take that same attitude to Salem, working hard to tighten the state's budget. You deserve to know your tax dollars are spent wisely.

There is no greater honor than serving as your Representative. I humbly thank you. Please call on me at any time.

Dear Neighbors,

My desire to serve as your Representative comes from my frustration with our state's inability to solve long term problems. In an economic downturn, proposing \$850 million in new taxes and fees is neither accountability nor a commitment to Springfield's businesses.

Problem solving means more than playing a shell game by reallocating state funds to hot button issues each session. Long term planning and investment creates solutions that survive the ups and downs of the General Fund.

Using the same practical approaches you use everyday to manage your businesses and households, I will work to create a well-managed, disciplined government by:

- Creating a legislative audits division to hold the government accountable for your money.
- Updating Oregon's Income tax brackets to give needed economic relief to working families.
- Allowing School Districts to opt out of the state mandated health insurance pool if they can show cost savings.
- Investing in technology that will increase time that the OSP spend patrolling.
- Promoting the use of Health Care Savings Accounts that can lower cost to citizens by 30%.
- Supporting upgrades to state websites. Your lives are busy; information should be easier to access.

Please visit <http://www.plan4oregon.com> for more of my priorities and approaches to problem solving. Thank you for considering my candidacy.

BRAD AVAKIAN: PRIORITIES, NOT POLITICS

That's the principle Brad Avakian lives by -- even when he has to take a little heat for it. And when big corporations weren't providing fair wages and good working conditions, Brad stood up for us.

Good thing that Brad is more concerned with our priorities than politics. With the economy in trouble, we need a champion to help us put Oregon back on track.

People in Eugene sincerely want a livable future, but fight heavily about getting there. I retired as Mayor in 2005 with a reputation for fostering dialogue to get things done. My successor has been exclusionary, with failures in key policy areas.

Potholes: A city must prioritize general spending to address its most important needs. Eugene's pothole backlog has DOUBLED in the last three years.**Crime:** Protecting our neighborhoods, schools and downtown MUST become a top spending priority. Eugene's police officers deserve adequate funding and respect, certainly NOT what they've received the last three years.**Economic, Environmental Balance:** Eugene is blessed with natural gifts—and burdened with Oregon's most stagnant economy. Moderate, properly managed growth is healthy. Finding buildable land to attract suitable businesses that generate tax revenues and family wage jobs, is the only way to create an affordable place to live and raise families without imperiling our natural blessings.**Key Support****Every Endorsing Local LAW ENFORCEMENT Professional:**

Working Families Party	40

Dear Voter,

The Constitution Party of Oregon asks you to join us in honoring God, defending the family, and seeking to restore our Republic. (Our candidates take the oath of office to support the Constitution seriously. They also take the Bible on which they place their hand seriously; they are God-fearing individuals.) We are not a sectarian religious political party. We merely accept the self-evident concept that our rights come from our Creator, not from our government. Our candidates pledge to uncompromisingly work for the implementation of the following seven principles:

Life: We believe in Divine Providence and recognize our Creator as the author of human life. Thus we believe in the absolute sanctity of human life. The first duty of civil government is the protection of innocent human life from conception until natural death, no exceptions. When government sanctions abortion, then all live are at risk.

Liberty: Far from granting license to 'do whatever we want', true liberty comes from God and real freedom is born of self-government. With James Madison, we assert the precious American ideal which set our country apart from other nations... "we have staked the whole future of American Civilization, not upon the power of government, far from it. We have staked the whole future ...upon the capacity of each of us to govern ourselves, according to the ten commandments of God."

Family: Our Creator set in place the family as the first divinely instituted form of government. It is the duty of civil government to recognize and protect the authority of the family unit. When the state usurps the family's authority, the hearts of the children are turned to the state, rather than to the fathers. Such socialist actions deny the created order and harm our communities.

Property: We believe that the right of individuals to own and steward their property is God-given; established in such commandments as "Thou shalt not steal." and "Thou shalt not covet." We encourage private generosity, but oppose the forced transfer of one's wealth to others by the state. We believe that the loss of 'external' property rights leads to the loss of 'internal' rights of personal conscience. It was James Madison who said, "Conscience is the most sacred of all property."

The U.S. Constitution: In these United States, the Constitution established a representative federal republic – which represents the sovereignty of the people under God over the state. Our founders purposed that the Constitution would uphold those ideals expressed in our Declaration of Independence, as the law of the land, and limit the power and scope of the federal government.

Limited, Local Government: Our desire is to return the federal government to its constitutional boundaries. The 10th amendment in our Bill of Rights strictly limits the federal government to those jurisdictions specifically stated within the Constitution. As a principle, our founders sought to ensure the duties of civil government always be performed at the lowest possible level. Local elected officials and clerks are more directly accountable to the people.

American Sovereignty: We are firmly committed to the protection of our borders, our trade and our common defense. We believe that America is to be the friend of liberty everywhere, but the guarantor and provisioner of ours alone. We oppose membership in the United Nations and any other treaty or affiliation that attempts to assert authority over our Constitution or bypass our sovereign citizens' constitutionally elected representatives.

If you don't like being taxed to police the world while our own borders are unprotected, losing our jobs to other nations because of environmentalist nonsense and government regulations, having your rights trampled and your property confiscated, or being exposed to God's wrath on our nation because it condones the shedding of innocent blood and rampant moral perversion, vote for your Constitution Party candidates. For more information on our party, go to our website: www.constitutionpartyoregon.org or contact Chairman Jack Brown at (541) 474-9343.

Independent Party**INDEPENDENT PARTY OF OREGON CANDIDATES**

Jeff Merkley	U.S. Senate
Joel Haugen	U.S. House of Representatives, 1st Congressional District
Sean Bates	U.S. House of Representatives, 5th Congressional District
Ben Westlund	Oregon State Treasurer
Keith Wangle	Oregon House District 4
Pete Belcastro	Oregon House District 5
Jim Gilbert	Oregon House District 18
Vicki Berger	Oregon House District 20
Terry Rilling	Oregon House District 29
Stephen Bradley	Curry County Commissioner
Col. Dale Potter	Wallowa County Commissioner, position 1
Ken Wick	Wallowa County Commissioner, position 2

The Independent Party was formed by voter petition in 2006, after the Oregon Legislature enacted laws to make it much harder for non-affiliated candidates to run for public office in Oregon. We are now the state's third largest political party, with over 25,000 members.

The Independent Party is unique among Oregon political parties in that we do not adhere to rigid ideology. Instead, the Independent Party supports candidates from across the political spectrum who are committed to the principle that the basic instruments of our democracy -- our Legislature, the initiative and referendum, and our electoral processes -- should be in the hands of We the People rather than the special interests that currently control government.

The mission of the Independent Party is to promote bi-partisan and non-partisan cooperation in the Legislature and to promote good government reforms to make our political process more responsive to the People of Oregon.

In the 2008 election cycle, the Independent Party is working to elect a slate of candidates who, when elected, will seek to amend the Oregon Constitution to ensure that our state's limits on political contributions shall be enforced. The voters of Oregon have adopted such limits twice since 1994 -- most recently in Measure 47 (2006), which is not being enforced by the Secretary of State or Attorney General even though no court has found any part of it to be unconstitutional. This is the third time since 1975 that politicians, courts, or bureaucrats have overturned campaign finance limits adopted by the People of Oregon.

We believe that a Constitutional Amendment to allow limits on political contributions will reduce the corrupting influence that powerful special interests and Big Money have over our government and our lives.

Neither of the major parties have taken action to limit political contributions, leaving Oregon as one of only 3 states with no limits whatsoever. The result is a system that is dominated by the wealthy and the powerful.

Corporations and the super-rich pushed up the total spending on candidate races in Oregon from \$4 million in 1996 to \$49 million in 2006. It now usually costs over \$500,000 to win a contested seat in the Oregon Senate and over \$300,000 to a contested seat in the Oregon House.

**"And now those money-fueled campaigns for part-time Oregon legislators can reach \$1 million."
- THE OREGONIAN editorial, August 13, 2006**

The 2006 candidates for Governor collected and spent over \$18 million. Just the top 5 individual donors gave \$1.94 million (to the Republican), while the Democrat got \$1.2 million from unions.

The cost to the People of Oregon is tremendous. As just one example:

Oregon has among the highest tax rate on individuals in the United States, and ranks third in taxing families near the poverty line but ranks 47th out of 50 states in corporate taxation. The corporations' of Oregon income taxes has dropped from 18 percent in the 1970's to less than 5 percent in 2005. Two-thirds of all corporations operating in Oregon pay just \$10 per year in taxes.

We believe that it is time for a change. Not just time to elect Democrats instead of Republicans, or vice versa, but time to elect candidates who will fight for We the People. Who's with us?

VOTE. THINK. BE. INDEPENDENT.

(This information furnished by Independent Party.)

We are the minor party that voters know about. In August, 55 percent of the voters wanted our U.S. Presidential Candidate in the debates. Voters are ready for change, and know that change can only come from outside of the two major political parties. As the third largest party, we are the best to serve you. Our candidates are here to give you the choice for the positive change that you know we need.

Presently, the Federal government is causing more grief and taxation than state governments. Our Federal candidates are here to trim the Federal Government so that our State Candidates can listen to you individually and really fix the problems at the local level, whether your concern is the environment, education, public safety, or any other aspect of livability. Please introduce yourself to Jay Ellefson, Marc Delphine or Jim Karlock if you are in their district.

Our Congressional candidates are ready to put a quick end to the wars, the foreign involvements, and our national deficit – a debt so large that yet unborn Americans won't be able to pay for it. After this, we can face the real problems, such as health care cost overruns, health care insurance costs, stable retirement funds, and government overregulation in the areas of education and social programs, which are best taken over by the states. Then, at the Federal Level, we may once again focus on the main concern of the U.S. Government – National Defense, not Nanny State Socialism and not Foreign Hegemony for the pleasure of special interests!

Big Government is a Police State – Most government jobs are about regulating other people. The bigger the government, the more police telling you what you can or can't do.

Some Issues:

Taxes: Stop costly wars and government meddling first; don't just cut taxes to incur a larger national debt!

Property Rights: If the government can take away or control any of your property, they can control the use of your body. Laws were created to establish ownership. Taking a strong stand on property rights makes it much more difficult for the government to control your lifestyle or your family matters.

Global Warming: Consider all views, but don't let the government harm the economy over political views.

Energy: Encourage low cost energy through private innovation.

Immigration: Speed up the citizenship process. Keep open borders, but monitor to protect the public from criminals and communicable diseases.

Abortion: With such a sensitive issue, the government should be kept out of this matter, leaving the question to each person for their conscientious consideration.

Gay Rights/ Adult Rights/ Family Rights: Thought police do not need to tell you how you may love, whom you may marry, or how you must raise your children.

School Choice: Separation of School and State would be ideal. The best free market plans are alternative schools and voucher programs for private schools, so that the tax money follows kids to the school of their parents' choice, rich or poor.

Prohibition: Drug prohibition requires a Constitutional Amendment as alcohol prohibition did in 1919, yet this has never happened. Why should youths be taken away from their families and churches and locked into prisons and prison gangs for an indulgence they will quickly outgrow?

Self Defense: Our Constitution allows us to arm ourselves in self defense, as individuals, as context is clearly established by the quotes of our founding fathers. No amendment has been made to change this.

Beware:

Major Party Politicians are skilled at dividing people. Especially beware when politicians go after your least favorite neighbors. As Thomas Paine said, "He that would make his own liberty secure, must guard even his enemy from oppression; for if he violates this duty, he establishes a precedent that will reach to himself."

Pacific Green Party**PACIFIC GREENS ARE NOT RIGHT NOR LEFT, BUT FORWARD**

The Pacific Green Party of Oregon provides a new voice in the political system, to **decentralize** political and economic power, and to work for **peace, justice, basic human equality, self determination**, and an ecologically **sustainable** society.

PACIFIC GREENS FILL A VITAL NEED FOR A MEANINGFUL OPPOSITION PARTY

Despite winning a majority in the 2006 election with an anti-war mandate, the real agenda of the Congressional Democrats is now clear: they intended to **keep Bush in office** until this election and **keep funding the war** indefinitely. Congressional Democrats could easily have ended the war in Iraq by **refusing funding**, an action that cannot be vetoed and could have been done with 41 votes in the Senate. **They refused to act.** Furthermore, **both major parties** are united for **continued war** in Afghanistan, for **refusing meaningful diplomacy** with Iran, for **unilateral military support for Israel**, and for government **wiretapping of all citizens** without warrants.

THE **PACIFIC GREEN PEACE SLATE** WILL **NEVER VOTE FOR WAR** APPROPRIATIONS WHILE FEIGNING OPPOSITION TO WAR

Everybody who voted in 2006 against the war now must ask themselves: Was my vote simply **wasted** by voting for more of the same from the same two parties? Oregon voters have a chance now, with the **Pacific Green Party's Peace Slate of congressional candidates**, to vote their desire for peace, **sending a message** loud and clear that votes for peace cannot be taken for granted.

All Pacific Green Candidates in the **Peace Slate** support:

- **Ending continued empire building and ceaseless war and occupation** as perpetuated by both major parties,
- Diverting resources instead to **renewable energy investment** and the **protection of our natural resources**,
- Changing the tax structure to **counter the expanding gap between the rich and the poor**,
- Providing free, **universal health care** to all with government-provided, **locally-administered** health insurance,
- **Rebuilding** our crumbling infrastructure and transit systems toward **sustainable, energy efficient development**,
- Committing to **participatory democracy, community-based** economies, and more funding for **higher education**.

PACIFIC GREENS LEAD THE FIGHT AGAINST LNG AND CLIMATE CHANGE

The Pacific Green Party is **successfully fighting against siting Liquefied Natural Gas (LNG) terminals and pipelines** in Oregon that would further global climate change. No elected Pacific Green would **ever** vote to support California's rising demand for natural gas by way of destructive and dangerous facilities in our state.

PACIFIC GREENS FIGHT TO END LEGALIZED BRIBERY AND SPOILED ELECTIONS

The Pacific Green Party recognizes that in an entrenched two-party system with winner-take-all elections, third party candidates are considered spoilers. However **Oregon voters have already approved two solutions to this problem: Instant Runoff Voting and Campaign Finance Reform.** The **scandal** of broken election systems must be confronted head-on. The office of Secretary of State is crucial to enforcing structural reforms Oregonians have enacted to end the two-party stranglehold, **fixing spoiler and corruption problems once and for all.**

GREEN VALUES ARE PART OF AN INTERNATIONAL MOVEMENT

Green parties the world over are part of ruling governments and hold high cabinet positions in many countries, large and small. They are united by the **Four Pillars** of the Green Movement: **Ecological Wisdom, Social and Economic Justice, Grassroots Democracy, and Peace and Nonviolence.** Further, all United States Green parties hold to **Ten Key Values:**

Ecological Wisdom, Nonviolence, Sustainability, Grassroots Democracy, Decentralization, Community-Based Economics, Feminism, Respect for Diversity, Personal and Global Responsibility, and Social and Economic Justice

PACIFIC GREENS ARE GAINING ELECTED OFFICE IN OREGON

Pacific Greens are currently elected or appointed to twenty non-partisan offices or positions throughout the state. Greens put **ideas into action** on school boards, land and water boards, planning boards, city councils, and various commissions. **Vote Pacific Green** in this election and register Pacific Green to **support Green values every day**, not just on election day.

Nader and the Peace Party

The real wages for the average American worker are lower today than in 1973. Yet neither Obama nor McCain support a living wage. Health insurance bureaucracies abuse the insured, ignore the uninsured, and waste 1 of every 4 health care dollars, yet efficient, single-payer health care is not on the table. McCain supports an enduring occupation of Iraq, while Obama's plan would leave 50,000 U.S. soldiers and 190,000 armed contractors in Iraq four years from now.

There is a common thread to nearly all that is wrong in America. Corporations have too much power. Corporations are designed to maximize profit, nothing else. Corporate executives can be sued by their shareholders if they sacrifice profit for the public good. This is why U.S. workers keep falling behind while the economy more than doubles; someone is making the money, and it's not the people who are earning it.

Corporate domination is the reason why we burn coal for electricity, rather than saving the atmosphere with wind and solar power. Big corporations own the coal, and there is no profit in leaving it in the ground.

Corporate domination is why the U.S. spends more on defense than the rest of the world put together. The "military-industrial complex" (that Eisenhower warned us about) understands that to sustain vast spending on arms requires not allies, but enemies. Our recent foreign policy has created bitterness and resentment around the globe, and a growing list of enemies. The tragedy is that for a fraction of what we spent on defense, we could ensure our security by promoting clean water programs, agricultural assistance, health clinics, books and pencils.

Historically, the great progressive advances in our politics have originated with third parties and independent candidacies. Since major parties are inherently conservative, small parties serve the purpose of generating new ideas. The abolition of slavery, the trade union movement, women's suffrage, Social Security -- all these and more were promoted by small parties whose core ideas were eventually adopted by one of the main parties. (We must defend third parties by voting against Measure 65.)

Today, our politics at the national level is broken. The Democrats took over Congress in 2006 with a promise to end the war, stop the violations of our civil liberties by the Bush Administration, and pass a progressive legislative program. Instead, they continued the war, reauthorized the Patriot Act, expanded the President's power to wiretap without judicial authority, and so public approval of Congress now stands at 9%.

How did things get this bad? The answer lies in the parties making promises that they do not keep. They know that the people want universal, single-payer health care, a crackdown on the wasteful defense budget, a living wage, an economy built on renewable energy, and an end to trade deals that send our jobs overseas. Yet corporate power opposes all of this, and the constant pull of corporate power has kept the United States from solving a single major social problem for the last 40 years.

The Peace Party and its presidential candidate, Ralph Nader, stand for a systematic dismantling of corporate domination by expanding public financing of elections, extending constitutional protections to people, and not to corporations, cracking down on corporate crime and financial manipulations, taxing speculation and pollution instead of work, and teaching the skills of citizenship to children, so that they can learn to become masters of their own fate, rather than cogs in a giant corporate wheel.

Our politics is broken. If you do not have a breaking point, then you have no power, the major parties will always take your vote for granted. Your vote for Nader and the Peace Party will keep big issues alive, and strengthen the hand of progressive forces in the coming years. By denying your vote to the major parties, your own power grows.

Peace Party Secretary

Republican Party

This year's election will be a turning point in our nation's history. I encourage all Oregonians who share these values to join us in voting for our Republican nominees in this year's election.

We are Republicans because:

WE BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

WE BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

WE BELIEVE free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

WE BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

WE BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

WE BELIEVE the most effective, responsible and responsive government is government closest to the people.

WE BELIEVE Americans must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times.

WE BELIEVE Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

FINALLY, we believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.

I invite you to learn more about the vision of Oregon's Republicans by visiting the Oregon Republican Party online at www.orgop.org.

Who are we?

The Working Families Party represents working people, retirees, parents and grandparents, small business owners, family farmers, community activists and union members – Oregonians from all walks of life and all areas of the state. We were qualified as an official party in the State of Oregon in 2006 after collecting signatures from 28,000 Oregonians in 30 counties.

What do we stand for?

The Working Families Party is focused on the economic issues that are so important to working families in Oregon but too often ignored by both of the major parties. Our platform for 2008 is simple:

- Healthcare for all Oregonians without private profit;
- Debt-free higher education and technical training;
- Creation of green family wage jobs;
- Affordable housing and an end to predatory lending;
- Strengthening workers' right to organize and negotiate with employers.

What are we trying to accomplish?

We're not trying to create a minor party that will run "spoiler" candidates with no chance of winning. We want to win for working families. We can do that by staying focused on the economic issues that matter most to working families, by organizing in our communities and by restoring a system of voting -- called fusion voting -- that used to be common in Oregon and throughout the country. Fusion voting would allow us to cross nominate any candidate who commits to support the issues advanced by the Working Families Party or to run candidates of our own when necessary.

Our nominees:

We have nominated **J. Ashlee Albies for Attorney General**. Albies is a Working Families Party member who represents working people in employment law and civil rights cases. She has also worked on the Oregon case challenging the Bush Administration's warrantless wiretapping, and assists Oregon's overstretched soldiers, reservists and National Guard members with separation from the military.

Because we have not yet succeeded in restoring fusion voting in Oregon, our cross-nominations of major party candidates cannot appear on the ballot. But we have met with and worked with the candidates listed below who have pledged to work for affordable healthcare, good jobs with decent wages, affordable public colleges, affordable housing and fair taxes, and to insure that all Oregonians have an equal say in our political process.

We urge you to support:

J. Ashlee Albies (WFP) for Attorney General

Kate Brown - Secretary of State

Brad Witt - House District 31

Ben Westlund - State Treasurer

Chip Shields - House District 43

Brad Avakian - Labor Commissioner

Vote by Mail Frequently Asked Questions**What is Vote by Mail?**

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between October 17 and 21, 2008. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by October 14 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 42¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on November 4, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 30. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, November 4, 2008.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a County Elections Office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the County Elections Office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the County Elections Office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTE (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-800-735-2900.

marking your ballot

- 1 Carefully read and follow all instructions printed on your ballot. The instructions will say whether you should use a pen or pencil to mark your ballot.
- 2 To vote, fully complete the arrows next to your choice.
- 3 To write-in a candidate:

→ Clearly print his or her name on the dotted line provided on the ballot

→ Complete the arrow next to the name you wrote-in

You must do both for your vote to be counted.

**check your ballot!**

If you vote for more candidates than allowed, or if you vote **both Yes and No** on a measure, it is called an overvote.

Your vote **will not count** for that candidate or measure.

You do not have to vote on all contests. Those you do vote on will still count.

**getting a replacement ballot**

Contact your County Elections Office or call 1 866 ORE VOTE to request a replacement ballot if:

- you make a mistake
- your ballot is damaged or spoiled
- you lose your ballot

or for any other reason.
