Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: [www.oregonvotes.org](http://www.oregonvotes.org) offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at [www.oregonvotes.org](http://www.oregonvotes.org), call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

## Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at [oregonvotes.org](http://oregonvotes.org).

---

## Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

---

## Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

## United States President

# Barack Obama

Democrat

**Occupation:** President of the United States

**Occupational Background:** Civil rights lawyer; constitutional law professor; community organizer.

**Educational Background:** Harvard Law School, J.D.; Columbia University, B.A.

**Prior Governmental Experience:** State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last – one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

## Representative in Congress, 2nd District

# Joyce B Segers

Democrat

**Occupation:** Writer

**Occupational Background:** Small business owner for 19 years

**Educational Background:** B.A. Sociology, The City College of

New York; Masters Work Communications, The University of Central Florida

**Prior Governmental Experience:** None

### "CREATING OPPORTUNITIES"

Joyce Segers, campaigning for the second time to be our congresswoman, believes we can no longer allow direct contributions by special interest groups to be the deciding factor in our elections. By limiting individual donations and accepting no special interest money, we are asking voters to invest in their future and tell big business the 2nd district is not for sale.

#### Create New Jobs:

We need to put Oregon back to work by facilitating jobs in emerging technologies that will be both environmentally sound and competitive in the world.

We need to create a fair tax base so that we will have the means to invest in our small businesses and provide the resources to rebuild our infrastructures and support essential public services.

As a small business owner for 19 years, Joyce treated her employees with respect, paid them a living wage and provided them with health care.

#### Secure Social Security and Medicare

We must dedicate ourselves to keeping these services sound while we strengthen the retirement, disability and survivors' protections that Americans have earned through their years of hard work.

#### Honor our Veterans:

**"My husband and son both served in the military. I will fight to ensure that every veteran has access to health care and education options so they may reenter the work force with the confidence of being prepared for their future and that of their families."**

#### Invest in Education:

It is vital to improve our education system such that it produces graduates that are competitive with the best in the world. By working with parents, teachers and future employers, a high quality education system, from universal preschool to vocational training and higher education, must be affordable and accessible.

*(This information furnished by Joyce Segers.)*

**The above information has not been verified for accuracy by the State of Oregon.**

**Representative in Congress, 4th District****Peter A  
DeFazio**

Democrat

**Occupation:** U.S. Representative**Occupational Background:** Lane County Commissioner, Congressional Aide, Assistant Director Senior Companion Program, U.S. Air Force Reserve**Educational Background:** Tufts University, B.A.; University of Oregon, M.A.**Prior Governmental Experience:** Chair, Lane County Commission**PETER DeFAZIO: CHOSEN MOST VALUABLE REPRESENTATIVE BY THE NATION MAGAZINE**

"DeFazio is Congress's most ardent advocate for spending more on job-creating construction projects and less on bank bailouts and distant wars," *The Nation*, 1/11/10

**ENDING GIVEAWAYS TO WALL STREET**

DeFazio fought the financial deregulation that led to our country's economic collapse and opposed the massive Wall Street bailout. He has long supported strong financial services reforms and consumer protections to help ensure that a similar collapse never happens again and has introduced legislation that targets Wall Street speculators who manipulate the market.

**PUTTING AMERICANS BACK TO WORK**

"DeFazio continues to bring jobs home to Oregon with money to fix our crumbling infrastructure." *Gazette-Times*, 10/25/10

The best and quickest way to jumpstart our economy and put Americans back to work is by investing in our crumbling infrastructure. DeFazio has led the fight to increase investments in transportation infrastructure to create thousands of jobs for Oregonians, keep roads safe, and improve our long-term economic viability.

**NO TO JOB KILLING TRADE AGREEMENTS**

"DeFazio Stands With American Workers, Votes No On Three Job-Killing Trade Agreements" *Coquille Sentinel*, 10/19/11

DeFazio has consistently opposed job killing trade agreements that threaten our sovereignty, our standard of living, and our consumer and environmental protections.

**PROTECTING SENIORS**

"DeFazio blasts GOP plan to privatize Medicare" *Drain Enterprise* 2/3/11

DeFazio was one of the most vocal critics of the Republican plan to privatize Medicare. He has proposed legislation that will strengthen and protect Social Security for future seniors and lower the cost of prescription drugs.

**PAY RAISES TO SCHOLARSHIPS**

DeFazio has turned down nearly \$350,000 in Congressional pay raise and instead funded 217 scholarships for displaced workers in Southwestern Oregon and helped to pay down the national debt.

*(This information furnished by DeFazio for Congress.)*

**The above information has not been verified for accuracy by the State of Oregon.**

**Representative in Congress, 4th District****Matthew L  
Robinson**

Democrat

**Occupation:** Engineering graduate student, chemist, and provider of educational materials for grades K-12 (My family has provided over \$600,000 worth of scholarships to needy families).**Occupational Background:** Research Chemist (OISM, Caltech), Educator**Educational Background:** BS, Chemistry (2008), Southern Oregon University (completed in two years, with 3.96 GPA and academic honors); currently an Oregon State University graduate student.**Prior Governmental Experience:** None**JOBS FOR OREGON**

Oregonians need good jobs. Congress must honor the O&C contracts, which will restore local jobs. We need to make our economy a more favorable place to do business, so that jobs will stay here and return from abroad.

**BAILOUTS AND THE BUDGET**

No bank, industry, or other special interest should get a bailout or other taxpayer financed help from the federal government. If a corporation or bank makes a bad business decision, they should pay the penalty, not the taxpayer. As your congressman, I will vote against any bill that takes your money and uses it to prop up a corporation. I will also vote against any unbalanced budget.

**WAR**

The United States military should be used for the defense of our homeland. Foreign wars are costly and dangerous. It is irresponsible to send our troops to sort out the internal affairs of other nations. We should bring our troops home as quickly as possible, and avoid becoming embroiled in more commitments in the Middle East.

**HONESTY IN POLITICS**

We need to restore to Congress a common respect for the truth. When a congressman tells outlandish stories in order to be re-elected, it is a good indication that he has been in office too long and has lost touch with reality. If he will be untruthful about his opponents and their families, how can we trust him to be honest in other matters? Our representatives should be real people, with real jobs, and a real regard for the truth.

## Secretary of State

### Kate Brown

Democrat

**Occupation:** Secretary of State

**Occupational Background:** Family, Juvenile Law Attorney, Instructor at Portland State University

**Educational Background:** University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

**Prior Governmental Experience:** State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

#### Secretary of State Kate Brown

##### Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

##### Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

##### Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

##### Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

## Secretary of State

### Paul Damian Wells

Democrat

**Occupation:** CNC Machinist

**Occupational Background:** Electrical Engineer

**Educational Background:** BSEE Purdue University, 1984

**Prior Governmental Experience:** none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

#### **Art I, Sect 20. Equality of privileges and immunities of citizens.**

**No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.**

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

*Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.*

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

#### **O.R.C.P. Rule 51.**

**A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.**

**B. Issues of law; how tried. An issue of law shall be tried by the court.**

**C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...**

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

*(This information furnished by Paul Damian Wells.)*

**The above information has not been verified for accuracy by the State of Oregon.**

**State Treasurer**

## Ted Wheeler

Democrat

**Occupation:** Oregon State Treasurer

**Occupational Background:** Vice President, Copper Mountain Trust Co.

**Educational Background:**

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

**Prior Governmental Experience:** Chair, Multnomah County Board of Commissioners.

**Community Involvement:** Portland Mountain Rescue; Neighborhood House.

### LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler."  
Governor John Kitzhaber

### DELIVERING RESULTS

**Under Ted Wheeler's management, the Treasury has:**

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

### FOCUSED ON OREGON'S FUTURE

**Ted Wheeler listens to and learns from the people he serves. He has a plan to:**

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

**A Message from Democratic Party of Oregon Chair Meredith Wood Smith:**

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

**What are Precinct Committee Persons and what do they do?**

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

**How do I become a Precinct Committee Person?**

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at [www.dpo.org](http://www.dpo.org).

**Be empowered!**

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

## United States President

### Ron Paul

Republican

**Occupation:** Member of Congress

**Occupational Background:** OB/GYN

**Educational Background:** Gettysburg College, B.S.;

Duke University, M.D.

**Prior Governmental Experience:** Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

## United States President

### Newt Gingrich

Republican

**Occupation:** Self Employed

**Occupational Background:** Speaker of the House, United States House of Representatives, (1995-1999); House Minority Whip, 1989-1995; Representative, United States

House of Representatives, (1979-1999); Professor, West Georgia College, (1974-1979); Author, Professional Speaker, Historian

**Educational Background:** Emory University, BA; Tulane University MA/PHD, Modern European History

**Prior Governmental Experience:** United States Congress

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

## United States President

# Mitt Romney

Republican

**Occupation:** Former Governor of Massachusetts

**Occupational Background:** I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

**Educational Background:** JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

**Prior Governmental Experience:** As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

**I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.**

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

## Greg Walden

Republican

**Occupation:** Small Business Owner; U.S. Representative

**Occupational Background:** Small Business Owner since 1986

**Educational Background:**

Graduate: University of Oregon; Hood River Valley High

**Prior Governmental Experience:** Oregon Legislator

**Stability and Security for Small Business Owners and Hardworking Taxpayers.**

I was raised on a cherry orchard in The Dalles and have lived most of my life in the Columbia Gorge. Since 1986, my wife and I have owned a small business, so we understand the challenges that hardworking taxpayers face today.

We are in the longest streak of high unemployment since the Great Depression. Americans deserve a better solution to the challenges that face our country than more government rules, red tape, and bureaucracy.

The current administration has more than 3,000 regulations in development. Hardworking taxpayers don't need more unnecessary regulations; we need commonsense reforms that reduce the size, scope, and cost of the federal government.

**We Must Prevent a Future Full of Debt, Doubt and Despair.**

Let's be realistic: We don't have deficits because Americans are taxed too little. We have deficits because Washington spends too much. It's time for government to tighten its belt and balance its budget, just like families do every month.

It is immoral to keep passing along such debt to our children and our grandchildren, and Washington's budget mess means we won't be able to afford critical programs like Medicare and Social Security.

**Time for a Fair Shake and Real Solutions.**

America must be a place where hard work is still rewarded. A better solution exists for the challenges that face our country. We can change forest policy and put people back to work, improve rural health care, and promote Oregon's wonderful agriculture. We can reform the tax code, eliminate loopholes, lower rates, and create economic growth.

And as always, we must continue to strongly support our veterans and active duty military. We owe our freedom to them.

Let's get America working again. I'd appreciate your support in this effort.

## Art Robinson

Republican

**Occupation:** Scientist; Educator; Businessman

**Occupational Background:** Faculty, University of California San Diego; Research Associate, Stanford University; President, Linus Pauling Institute; Presi-

dent, Oregon Institute of Science and Medicine. Research scientist, educator, author, and business provider of educational materials. Most recent research: biochemical work on Alzheimer's and Parkinson's diseases.

**Educational Background:** Caltech BS; UC San Diego PhD

**Prior Governmental Experience:** Washington, DC – volunteer scientist in defense preparedness, medical innovation, and energy production; no political office.

**RESTORING JOBS**

Americans need jobs. Congress must permit our economy to create those jobs by ending the over-regulation, over-taxation, over-borrowing, and over-spending that are depressing our economy and killing our jobs.

**BALANCING THE FEDERAL BUDGET**

The budget must be balanced by cutting government waste and increasing government revenue — not by taxes, but through ending the over-reaching government impediments that have suppressed our revenue-producing economy.

**KEEPING OUR PROMISES**

Social Security, Medicare, Veterans benefits, and O&C timber agreements are contracts. I will work and vote to make certain that these obligations are honored in full.

**QUALITY EDUCATION FOR ALL STUDENTS**

Academic performance in public schools has fallen and the cost of university education has skyrocketed. Our nation's future depends on the education of our youth. I will work to restore fiscal independence to our universities, local control to our schools, and academic excellence to all educational institutions.

**HOLDING CONGRESS ACCOUNTABLE**

Congress has too many career politicians. When they stay too long, they become complacent about their responsibilities. Congress has run up enormous debts, levied burdensome taxes, and created many oppressive laws and regulations that intrude upon our freedom.

The same people who created these problems are not going to fix them. We need new representation by honest productive citizens who will protect Oregonians and our nation — not career politicians who involve themselves in improper deals with banks, corporations, government-enabled monopolies, and other politically-connected special interests.

### AN OREGON STORY

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

### OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

### GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

### WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

**About Herman**

Herman is a long time area resident. He and his wife raised their two sons on a ranch outside of Grants Pass. At 19, he started his own small business and has run what is now the HB Company, Inc. since 1994. The company employs between 40 and 50 seasonal employees.

"I am running for the Oregon State Senate to give the local residents the representation they deserve. I know with the leadership abilities I have developed operating my business and serving our community that together we can make a positive difference in our state."  
Herman Baertschiger

As our State Senator Herman will address many of the contentious issues of our time related to jobs, land use and natural resources. These are issues he has been involved with all of his life. He will bring practical experience which often seems in short supply in Salem.

"To put Oregon families back to work we need to add a good dose of common sense to our state land use policies. For too long these policies have kept our natural resources locked up, our mills closed and our families out of work. The path to creating jobs must include putting Oregonians back to work on the land."

**We invite you to become a Republican Party Precinct Committee Person (PCP)****What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

**What does a PCP do?**

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

**What is the Republican Philosophy?**

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to [info@orgop.org](mailto:info@orgop.org) or visit our website at [www.oregonrepublicanparty.org](http://www.oregonrepublicanparty.org).

**Personal:** Born in Grants Pass, Oregon. Married to Trish for 33 years, two grown children and two grandchildren.

**A message from Judge Wolke -**

These are difficult economic times in Josephine County. In court, we see a steady stream of cases involving substance abuse, domestic violence, child abuse, evictions, and debtor-creditor liquidations. I believe it is the job of a judge to maintain order in the County, starting in court. I pledge to continue to be polite and respectful to all those who appear in court because I understand that the day people appear in my court may be one of the worst days in their lives. However, I believe my primary obligation is to the citizens of our county who may never appear in court, but who merely want to live a quiet and peaceful life free from disorder. They deserve the full protection of our legal system. I will continue to be fair, diligent and honest for the citizens of Josephine County.

**Please join us in supporting the re-election of Judge Pat Wolke -**

**Victory D Walker**

Nonpartisan

**Occupation:** Attorney (Public Defender)

**Occupational Background:** Attorney; Pro Tem Judge; Dispatcher (Sheriff/Police)

**Educational Background:** Doctorate in Jurisprudence; Bachelors Degree in Society and Justice; Associates Degree in Criminal Justice

**Prior Governmental Experience:** Pro Tem Judge

As an attorney, I have worked predominantly in the criminal defense field, of both adults and juveniles. I also have experience with juvenile dependency cases, mental health cases, and other civil matters. As a Pro Tem Judge, I handled civil and family law matters, such as small claims, divorces, contract issues, and traffic cases. I have litigated cases in several different courts, and have seen many different ways that courts handle cases, some better and some worse.

As an attorney, I learned to listen to my client, and to understand his flaws and strengths. I studied the law, so I could advise my client on the legal part of her situation. As a Pro Tem Judge, I applied my listening skills to both parties in front of me, whether represented or not. I studied the law and learned how it applies in different types of situations, and made decisions based upon the law.

As a Circuit Court Judge, I bring an ability to listen to people, and to understand their side of a story. I bring the ability to listen to both sides of an argument, the knowledge of the law to apply to that argument, and an ability to decide cases in a fair manner consistent with the law. As a non-Josephine County native, I do not carry any biases towards one group or another because of past history.

My prior time as Pro Tem Judge of Josephine County was cut short by budget cuts that eliminated my position. Please allow me to again use my skills to serve Josephine County as Circuit Court Judge.

## Vote by Mail Frequently Asked Questions

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 27 and May 1, 2012. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

### What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 4th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at [oregonvotes.org](http://oregonvotes.org).

### What if I have moved and have not updated my registration?

If you were registered to vote by April 24 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to [www.oregonvotes.org](http://www.oregonvotes.org) or you may contact your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 45¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

### How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at [www.oregonvotes.org](http://www.oregonvotes.org) or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

## Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

## How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
