ELECTIONS DIVISION
STEPHEN N. TROUT
DIRECTOR
255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 986-1518

Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

A handwritten signature in black ink, appearing to read "Kate Brown".

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States President

Barack Obama

Democrat

Occupation: President of the United States

Occupational Background: Civil rights lawyer; constitutional law professor; community organizer.

Educational Background: Harvard Law School, J.D.; Columbia University, B.A.

Prior Governmental Experience: State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last — one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Representative in Congress, 2nd District

Joyce B Segers

Democrat

Occupation: Writer

Occupational Background: Small business owner for 19 years

Educational Background: B.A. Sociology, The City College of

New York; Masters Work Communications, The University of Central Florida

Prior Governmental Experience: None

"CREATING OPPORTUNITIES"

Joyce Segers, campaigning for the second time to be our congresswoman, believes we can no longer allow direct contributions by special interest groups to be the deciding factor in our elections. By limiting individual donations and accepting no special interest money, we are asking voters to invest in their future and tell big business the 2nd district is not for sale.

Create New Jobs:

We need to put Oregon back to work by facilitating jobs in emerging technologies that will be both environmentally sound and competitive in the world.

We need to create a fair tax base so that we will have the means to invest in our small businesses and provide the resources to rebuild our infrastructures and support essential public services.

As a small business owner for 19 years, Joyce treated her employees with respect, paid them a living wage and provided them with health care.

Secure Social Security and Medicare

We must dedicate ourselves to keeping these services sound while we strengthen the retirement, disability and survivors' protections that Americans have earned through their years of hard work.

Honor our Veterans:

"My husband and son both served in the military. I will fight to ensure that every veteran has access to health care and education options so they may reenter the work force with the confidence of being prepared for their future and that of their families."

Invest in Education:

It is vital to improve our education system such that it produces graduates that are competitive with the best in the world. By working with parents, teachers and future employers, a high quality education system, from universal preschool to vocational training and higher education, must be affordable and accessible.

Secretary of State

Kate Brown

Democrat

Occupation: Secretary of State

Occupational Background: Family, Juvenile Law Attorney, Instructor at Portland State University

Educational Background: University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

Prior Governmental Experience: State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler."
Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

PROGRESS, BUT A LONG WAY TO GO

Oregon is moving in the right direction.

We're redesigning how health care is delivered in our state, finally taking the necessary steps to hold down costs while still expanding access to quality care. And the savings that we will realize from this effort must, in my view, go directly into education.

It's past time, but the path is open. In the last two legislative sessions, we have not only invested in early childhood education, but we have set the framework for investments in the full spectrum of education, from early childhood through K-12, our community colleges and our universities.

In spite of the slow economic recovery in our country and in spite of the toxic politics practiced on the national level, we're finding the way to work together to meet the priorities we all share. We're not there yet, but we're getting there.

I'm determined to keep working until our students can thrive, our families have living wage jobs and strong communities, and our future is clearly brighter than our past. I'm grateful for your support.

**John Huddle
Advocate for the People**

We need government that is sensitive to the people not political agendas. If elected, I vow to put your needs and the needs of our community first.

Education

After spending 25 years working in school districts, I know firsthand the challenges that come with providing quality education in rural communities. I will fight to ensure our children have an even playing field and equal opportunities.

Jobs for working families

High unemployment has severely affected the families of HD 55. I will fight for family wage jobs right here in our community, not overseas.

Veterans and Healthcare

Our veterans need employment support, suicide prevention and quality care as they age. It's my goal to open a Veteran's Home and a State Veteran's Cemetery for our loved ones. Additionally, I will fight to make healthcare affordable and accessible to all rural Oregonians.

Public Safety

Every community deserves safe streets and security. I will fight to ensure our Sheriff's Departments get the funding and training they need to keep us safe.

Consumer Protection

Big banks and corporations must be held the same rules of fair play as consumers. If elected I will fight for accountability from Wall Street banks and shady business practices.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

To get involved, contact us at:

Democratic Party of Oregon, 232 NE 9th Ave., Portland, OR 97232
Phone: 503-224-8200, info@dpo.org www.dpo.org

United States President

Ron Paul

Republican

Occupation: Member of Congress

Occupational Background: OB/GYN

Educational Background: Gettysburg College, B.S.;

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

United States President

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

Educational Background:

Prior Governmental Experience: Oregon Legislator

Stability and Security for Small Business Owners and Hardworking Taxpayers.

I was raised on a cherry orchard in The Dalles and have lived most of my life in the Columbia Gorge. Since 1986, my wife and I have owned a small business, so we understand the challenges that hardworking taxpayers face today.

We are in the longest streak of high unemployment since the Great Depression. Americans deserve a better solution to the challenges that face our country than more government rules, red tape, and bureaucracy.

The current administration has more than 3,000 regulations in development. Hardworking taxpayers don't need more unnecessary regulations; we need commonsense reforms that reduce the size, scope, and cost of the federal government.

We Must Prevent a Future Full of Debt, Doubt and Despair.

Let's be realistic: We don't have deficits because Americans are taxed too little. We have deficits because Washington spends too much. It's time for government to tighten its belt and balance its budget, just like families do every month.

It is immoral to keep passing along such debt to our children and our grandchildren, and Washington's budget mess means we won't be able to afford critical programs like Medicare and Social Security.

Time for a Fair Shake and Real Solutions.

America must be a place where hard work is still rewarded. A better solution exists for the challenges that face our country. We can change forest policy and put people back to work, improve rural health care, and promote Oregon's wonderful agriculture. We can reform the tax code, eliminate loopholes, lower rates, and create economic growth.

And as always, we must continue to strongly support our veterans and active duty military. We owe our freedom to them.

Let's get America working again. I'd appreciate your support in this effort.

Secretary of State

Knute Buehler

Republican

Occupation: Physician; small business owner; inventor

Occupational Background: Orthopedic Surgeon; Medical Product Design

Educational Background:

Rhodes Scholar, Oxford University, M.A., Politics and Economics; Johns Hopkins University, M.D.; Oregon State University; Roseburg High School

Prior Governmental Experience: none

Community Service: Board of Directors: St. Charles Health Systems; Ford Family Foundation; Oregon League of Minority Voters; OSU-Cascades

AN OREGON STORY

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

About Herman

Herman is a long time area resident. He and his wife raised their two sons on a ranch outside of Grants Pass. At 19, he started his own small business and has run what is now the HB Company, Inc. since 1994. The company employs between 40 and 50 seasonal employees.

I am honored my campaign has been embraced by many Republican voters who recognize District 28 is in need of a true statesman to represent them in the Oregon Legislature.

My priorities: JOB CREATION-EDUCATION-REPRESENTATION

Job Creation — Like the rest of the country, our economy has experienced a severe recession that has been compounded by excessive taxes, fees, and regulations.

I will tirelessly seek business expansion and economic opportunities, both new and existing, with an end goal of making District 28 a premier destination to live and work.

I will seek to identify, with you — all of my constituents, and not just select special interests - legislative opportunities to limit the impacts of job killing regulation. I vow to work with regulating agencies for fairness within the law.

Education — I will develop a broad base of support focusing our educational resources towards a solid citizenry and workforce for tomorrow. A successful education system plays a critical role in attracting business to our state, and is an essential ingredient to any successful economic development program.

Representation — Our founding fathers brilliantly gifted us with a grassroots form of government. I will carry on their vision for our representative form of government.

Whenever you as a constituent require assistance or voice opinions concerning State Government, you will be met with a smile and warm hello; I will represent the best interests of every community in District 28.

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

Any voter with a disability can request assistance to register to vote, vote their ballot and/or return their ballot. You can also request assistance from a caretaker, care provider or someone else you choose.

I want to assist a voter

Your county elections office can suggest resources you can use to help inform voters. Resources must be nonpartisan and unbiased.

Who can provide assistance?

- A County Voting Assistance Team
- A Facility Voting Assistance Team
- Someone chosen by the voter

Who can not provide assistance?

- The voter's employer
- An agent of the voter's employer
- A union officer or agent of a union of which the voter is a member

What is a facility voting assistance team?

A **congregate living facility** may form a Facility Assistance Team to assist voters living in their facility.

Teams must be made up of **two registered voters** that do not have the same political party affiliation.

Registering to Vote

To vote in Oregon you need to be registered in the county where you reside.

You can register if you can answer yes to these three questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 17 years of age?

If you are 17 years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How to register

You can register to vote online at www.oregonvotes.org or you can get a voter registration card at any of the following places:

- in this Voters' Pamphlet
- any county elections office
- the Secretary of State's Office
- some state agencies such as the Division of Motor Vehicles
- a voter registration drive

You can fill the card out in person or send it in by US mail.

You can also print out a registration card online at: www.oregonvotes.org.

To vote in the May 15, 2012, Primary Election, your completed voter registration card must be either:

- postmarked by Tuesday, April 24, 2012
- delivered to a county elections office by Tuesday, April 24, 2012 or
- delivered to any voter registration agency (e.g., DMV) by Tuesday, April 24, 2012.

If you register to vote online, your registration must be submitted by 11:59pm on Tuesday, April 24, 2012.

What information is required to register?

To complete your registration you will provide your:

- Full legal name
- Home address
- Date of birth
- Signature
- Valid identification

What are the identification requirements?

1. If you have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles (DMV), you must provide it in the boxes on the card.

A suspended Driver's License is still valid; a revoked Driver's License is NOT valid.
2. If you do not have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles, you must affirm this on the card by marking the appropriate circle and you must then provide the last four digits of your Social Security Number.
3. If you do not have a Social Security number, you must affirm this on the card by marking the circle in indicating you do not have a valid Driver's License or Social Security number.
4. If you do not have a Driver's License, Permit, ID number, or a Social Security number, and you are registering by mail, you must provide a copy of one of the following which shows the voter's name and current address:
 - valid photo identification
 - a paycheck stub
 - a utility bill
 - a bank statement
 - a government document
 - proof of eligibility under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) or the Voting Accessibility for the Elderly and Handicapped Act (VAEH)

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at www.oregonvotes.org or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:

- change your home address
- change your mailing address
- change your name
- change your signature
- want to change or select a political party
- will be away from home on election day

If you notify your county elections office of your change of residence address after May 10, 2012, you must request that a ballot be mailed to you or go to your county elections office to get your ballot.

Use online voter resources to register or update your registration status.
