SALEM, OREGON 97310

Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

United States President

Barack Obama

Democrat

Occupation: President of the United States

Occupational Background: Civil rights lawyer; constitutional law professor; community organizer.

Educational Background: Harvard Law School, J.D.; Columbia University, B.A.

Prior Governmental Experience: State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last — one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Representative in Congress, 4th District

Peter A DeFazio

Democrat

Occupation: U.S. Representative

Occupational Background: Lane County Commissioner, Congressional Aide, Assistant Director Senior Companion Program, U.S. Air Force Reserve

Educational Background: Tufts University, B.A.; University of Oregon, M.A.

Prior Governmental Experience: Chair, Lane County Commission

PETER DeFAZIO: CHOSEN MOST VALUABLE REPRESENTATIVE BY THE NATION MAGAZINE

"DeFazio is Congress's most ardent advocate for spending more on job-creating construction projects and less on bank bailouts and distant wars," *The Nation*, 1/11/10

ENDING GIVEAWAYS TO WALL STREET

DeFazio fought the financial deregulation that led to our country's economic collapse and opposed the massive Wall Street bailout. He has long supported strong financial services reforms and consumer protections to help ensure that a similar collapse never happens again and has introduced legislation that targets Wall Street speculators who manipulate the market.

PUTTING AMERICANS BACK TO WORK

"DeFazio continues to bring jobs home to Oregon with money to fix our crumbling infrastructure." *Gazette-Times*, 10/25/10

The best and quickest way to jumpstart our economy and put Americans back to work is by investing in our crumbling infrastructure. DeFazio has led the fight to increase investments in transportation infrastructure to create thousands of jobs for Oregonians, keep roads safe, and improve our long-term economic viability.

NO TO JOB KILLING TRADE AGREEMENTS

"DeFazio Stands With American Workers, Votes No On Three Job-Killing Trade Agreements" *Coquille Sentinel*, 10/19/11

DeFazio has consistently opposed job killing trade agreements that threaten our sovereignty, our standard of living, and our consumer and environmental protections.

PROTECTING SENIORS

"DeFazio blasts GOP plan to privatize Medicare" *Drain Enterprise* 2/3/11

DeFazio was one of the most vocal critics of the Republican plan to privatize Medicare. He has proposed legislation that will strengthen and protect Social Security for future seniors and lower the cost of prescription drugs.

PAY RAISES TO SCHOLARSHIPS

DeFazio has turned down nearly \$350,000 in Congressional pay raise and instead funded 217 scholarships for displaced workers in Southwestern Oregon and helped to pay down the national debt.

Representative in Congress, 4th District

Matthew L Robinson

Democrat

Occupation: Engineering graduate student, chemist, and provider of educational materials for grades K-12 (My family has provided over \$600,000 worth of scholarships to needy families).

Occupational Background: Research Chemist (OISM, Caltech), Educator

Educational Background: BS, Chemistry (2008), Southern Oregon University (completed in two years, with 3.96 GPA and academic honors); currently an Oregon State University graduate student.

Prior Governmental Experience: None

JOBS FOR OREGON

Oregonians need good jobs. Congress must honor the O&C contracts, which will restore local jobs. We need to make our economy a more favorable place to do business, so that jobs will stay here and return from abroad.

BAILOUTS AND THE BUDGET

No bank, industry, or other special interest should get a bailout or other taxpayer financed help from the federal government. If a corporation or bank makes a bad business decision, they should pay the penalty, not the taxpayer. As your congressman, I will vote against any bill that takes your money and uses it to prop up a corporation. I will also vote against any unbalanced budget.

WAR

The United States military should be used for the defense of our homeland. Foreign wars are costly and dangerous. It is irresponsible to send our troops to sort out the internal affairs of other nations. We should bring our troops home as quickly as possible, and avoid becoming embroiled in more commitments in the Middle East.

HONESTY IN POLITICS

We need to restore to Congress a common respect for the truth. When a congressman tells outlandish stories in order to be re-elected, it is a good indication that he has been in office too long and has lost touch with reality. If he will be untruthful about his opponents and their families, how can we trust him to be honest in other matters? Our representatives should be real people, with real jobs, and a real regard for the truth.

Secretary of State

Kate Brown

Democrat

Occupation: Secretary of State

Occupational Background: Family, Juvenile Law Attorney, Instructor at Portland State University

Educational Background: University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

Prior Governmental Experience: State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler."
Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

Prior Governmental Experience: U.S. Department of Justice

The Best Experience

The Right Priorities

Endorsed by 46 Oregon Sheriffs and District Attorneys

Why does Dwight have the overwhelming support of Oregon's law enforcement community? Because he has the experience, priorities and track record we need.

Keeping Us Safe

Dwight Holton was a tough federal prosecutor and served as United States Attorney for Oregon. Over the last 15 years, he appeared in court over 1000 times, prosecuting gang kingpins, mortgage fraud, and drug traffickers.

"Dwight Holton's integrity, courtroom success and good judgment make him the clear choice for Attorney General."

Multnomah County District Attorney Michael D. Schrunk

Preventing Crime Before It Starts

Oregon's teachers endorse Dwight because he knows it's not enough to be tough on crime — we must be smart as well. He demands drug addiction prevention and treatment to address root causes and break the expensive, destructive cycle of crime.

Protecting Kids and Families

A father of two young children, Dwight is especially protective of vulnerable kids and families. He helped crack down on sex offenders who use the internet to prey on children and made it a priority to get illegal guns out of the hands of domestic violence abusers.

"Dwight is a tremendous advocate for victims of abuse and violence. We can count on Dwight to put people first."

Anne Pratt, Vice President, Crime Victims United

Champion for Consumers and the Middle Class

Dwight cracked down on mortgage and securities fraud and scams that threaten people's life savings and jailed corporate polluters.

"Holton has built a reputation as a dogged prosecutor of environmental crimes and those perpetrated by white-collar criminals."

He voted to support extending unemployment benefits to workers who have been hardest hit by the economic downturn. He fought to keep people in their homes and hold out-of-state banks accountable in the foreclosure crisis. He kept thousands of senior citizens in their homes by protecting their homestead tax deferral.

Creating More Fairness

There are income tax credits on the books that have not been reviewed in 30 years. Phil pioneered a law requiring they be reenacted or disappear. As the author of the tax measures that received overwhelming voter support in 2010, Phil protected community services and helped keep teachers in classrooms and police protecting our streets.

I have lived in District 12 for 49 years. During that time my wife and I raised our kids, watched them get married and are now enjoying our four grandchildren all living in Springfield. My years of professional and community involvement have prepared me to understand the needs of our community and how to respect our differences.

I believe leadership requires vision, passion, willingness to listen and great integrity. If elected, I will bring those attributes and others to make our community a place of opportunity for all citizens.

As your state legislator I will be committed to:

- **Creating Jobs:** The state shouldn't place barriers on new businesses or the ability of existing business to expand. We need to work with local communities to support their job creation efforts.
- **Fiscal Responsibility:** We need to streamline government in order to get the most for every dollar invested by the taxpayers. When there are available funds, we must invest money in a rainy day fund for the next economic downturn.
- **Education:** For our citizens to succeed in the jobs of the future, they need to have a quality education. This means kids entering school ready to learn, schools having adequate resources, and additional educational opportunities after high school through the trades, community colleges or four-year universities.
- **Access to affordable healthcare:** Ensuring access to healthcare provides citizens the best ability to manage their health and prevent the need for expensive treatments after they have already become ill.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

To get involved, contact us at:

United States President

Ron Paul

Republican

Occupation: Member of Congress

Occupational Background: OB/GYN

Educational Background: Gettysburg College, B.S.;

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

House of Representatives, (1979-1999); Professor, West Georgia College, (1974-1979); Author, Professional Speaker, Historian

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

United States President

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

RESTORING JOBS

Americans need jobs. Congress must permit our economy to create those jobs by ending the over-regulation, over-taxation, over-borrowing, and over-spending that are depressing our economy and killing our jobs.

BALANCING THE FEDERAL BUDGET

The budget must be balanced by cutting government waste and increasing government revenue – not by taxes, but through ending the over-reaching government impediments that have suppressed our revenue-producing economy.

KEEPING OUR PROMISES

Social Security, Medicare, Veterans benefits, and O&C timber agreements are contracts. I will work and vote to make certain that these obligations are honored in full.

QUALITY EDUCATION FOR ALL STUDENTS

Academic performance in public schools has fallen and the cost of university education has skyrocketed. Our nation's future depends on the education of our youth. I will work to restore fiscal independence to our universities, local control to our schools, and academic excellence to all educational institutions.

HOLDING CONGRESS ACCOUNTABLE

Congress has too many career politicians. When they stay too long, they become complacent about their responsibilities. Congress has run up enormous debts, levied burdensome taxes, and created many oppressive laws and regulations that intrude upon our freedom.

The same people who created these problems are not going to fix them. We need new representation by honest productive citizens who will protect Oregonians and our nation – not career politicians who involve themselves in improper deals with banks, corporations, government-enabled monopolies, and other politically-connected special interests.

Occupation: Physician; small business owner; inventor

Occupational Background: Orthopedic Surgeon; Medical Product Design

Educational Background:

Rhodes Scholar, Oxford University, M.A., Politics and Economics; Johns Hopkins University, M.D.; Oregon State University; Roseburg High School

Prior Governmental Experience: none

Community Service: Board of Directors: St. Charles Health Systems; Ford Family Foundation; Oregon League of Minority Voters; OSU-Cascades

AN OREGON STORY

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

Prior Governmental Experience: PCP; Coos County

Community Service: North Bend School Budget Committee; Director — Larson Slough Drainage District; Assistant Football Coach; Bay Area and Florence Chamber of Commerce; Bay Area Young Life; Upwards Basketball

JOB CREATION:

As your state Senator, I'll work tirelessly to get government out of the way of the private sector. I will work to allow businesses to reinvest more of their capital back into their companies and promote policies that create a stable business climate. When elected, I'll work to open our state forests to responsible harvesting, promote our fishing and tourism industry, and cut through the layers of red tape standing in the way of real job creation.

RESPONSIBLE SPENDING:

As your Senator, I will resist the urge to spend our public money without accountability. I will insist on annual performance audits for state agencies and be willing to actually make cuts when wasteful spending is identified.

EDUCATION:

I will insist we fund core priorities like education first, and not allow them to be held hostage every time our state runs low on money. I will introduce legislation to ensure a greater percentage of all education dollars be spent in the classrooms; ensuring teachers have the resources to teach, and parents know that their money is actually going to benefit their children's education.

As a father of four children, I'm passionate about education. I want to make our schools the best they can be, and I'm not willing to accept the status quo.

Innovation in the classrooms and new approaches to educating our children provide us the best opportunity to improve our high-school graduation rate and offer alternatives to children who are struggling in the current system.

It's for these reasons that I'm running, and I humbly ask for your vote.

**BRUCE HANNA
Getting Oregon Back to Work**

Creating Jobs

Bruce Hanna is committed to making job creation and economic prosperity his top priorities in the legislature. As someone who has created jobs in our local community, Bruce knows that high unemployment threatens the quality of life for Oregonians. Bruce has sponsored legislation to expand local economic development regions, help businesses cut through red tape and create tens of thousands of jobs by restoring Oregon's natural resource industries.

Controlling Government Growth

Bruce Hanna held the line on increased government spending and borrowing, fighting to keep our budget within its means. As Co-Speaker of the House, Bruce said no to increasing the state's debt beyond its capacity. He led the House during difficult economic times, working across the aisle to keep the state budget in balance without raising taxes. Bruce knows that the only way to for Oregon to get on a sustainable path is to grow the economy while reining in government spending.

Putting People Before Government

As a father, grandfather, husband and community leader, Bruce Hanna knows that safe neighborhoods, quality education and access to affordable healthcare are critical. During his time as Co-Speaker, the legislature has passed major education and health care reforms aimed at improving the quality of delivery at more affordable prices.

"I am humbled to be your State Representative. I've worked hard on your behalf, but there is a lot more to do. I am up to the challenge, and will not rest until our economy is thriving and the quality of life for all Oregonians improves."

Get Oregon Rolling Again, Put Oregonians Back To Work

Aaron Baker has seen the ins and outs of Oregon’s industry while working on the railroad. As a licensed Class I Locomotive Engineer, Aaron understands Oregon’s economic dependence on sustainable harvests of Oregon’s renewable conifer forests. Not only does Aaron understand Oregon’s economy, but its web of trading partners across America and the world. His other work experience as a journalist has driven him to an in-depth cognizance of Oregon’s economic turmoil. Oregon’s economy is strangled by government bureaucracy, regulation and taxation.

It’s Not About Attacking Government Workers

As a union member Aaron understands workers collective bargaining rights. It’s not about attacking government workers and services. It’s about relieving our counties and local municipalities of mandates. Frivolous mandates are draining our county and municipal government budgets. Aaron will get control back to the local level. Property rights are an essential part to a stable Oregon.

An Oregon for Oregonians

As a native Oregonian born in Eugene, Oregon and having family roots dating to 1852 within District 8, Aaron knows we are exceptional. We must stop our state from becoming another California; IOUs are unacceptable. Oregon and Oregonians are beautiful, we need to keep it that way. Lets put pressure on the Federal Government, and assert our 10th amendment rights. Law enforcement is done most effectively from the local level. Our State Police, County Sheriffs, and Municipal Police are the heroes.

I returned to the beautiful southern Oregon coast 30 years ago and remained by choice.

During these 30 years, there has been a major economic downward trend in the coastal economy relating to forestry, fishing, and farming. The coast was hit especially hard since the current recession.

We need to encourage economic opportunity for our current and future generations by addressing several issues: We must be vigilant in maintaining our infrastructure, supporting local services, maintaining public safety, and building our educational opportunities. Our students need to graduate from high school and have skill training opportunities.

We must balance local and state budgets by prioritizing spending and making agencies accountable and more efficient. We must free up our abundant resources including our forests which could provide jobs and income for critical services.

I hope you will consider voting for me to be your Oregon Representative. I am a consensus builder who will work hard on the local and state levels to improve the business climate and eliminate bureaucratic restrictions so that current local businesses can expand and new ones can take the capital risk of starting new ventures thus creating more local jobs and hire local employees.

Unacceptable Unemployment Rate

We need experienced common-sense leaders to create an environment where small businesses can thrive. Joe is this kind of leader. As Springfield City Councilor, Joe has consistently fought to remove barriers to doing business. Joe worked to expand Springfield's enterprise zones, inviting new companies to locate in our community and create sustainable jobs. While Joe was councilor, approximately 3,000 jobs were added in Springfield.

Improving Education System

Our children are our future. Joe understands the necessity to educate our kids to compete in the ever-changing global economy. Our current school system is not working. Joe is committed to creating a long-term solution. We need to do away with tenure and reward outstanding teachers. We need to promote competitive school choice and charter schools, giving parents and kids more options.

Public Safety a High Priority

As a law enforcement professional, Joe recognizes our needs when it comes to public safety. Joe was instrumental in building the Springfield jail, turning one of the most dangerous cities into one of the most safe. Joe does not support weak sentencing guidelines or putting violent criminals back on the streets. Joe will work to secure stable funding so our safety is not compromised.

Looking Forward

Joe believes Springfield's success can be achieved all across Oregon. He wants every citizen to know that government works *for* us, creating the atmosphere where we can work, learn, and pursue our own dreams.

Focus on Jobs

Putting Oregon back to work is the most critical and challenging issue facing us today. State revenue should be increased by adding to the work force/taxpayer base rather than increasing the burden on our current taxpayers.

"As a former Director of Public Works, Pastor, Member of Lane County Charter Review committee and a resident of Junction City, I support Dwight for his bid for House Dist. 14. As Mayor, Dwight got our out-of-control spending back to a budget we could live with and out of the red." - Shaylor M. Scalf

Better our Education

Dwight believes we build our children's future by funding school budgets first. Funding the classrooms and increasing the accessibility to community colleges should be a priority.

Public Safety

Referencing cuts to the Lane County Sheriff's Office:

"In a memo to the commissioners outlining the cuts, Turner called them 'widespread, life-threatening and potentially disastrous.'" *The Register-Guard*, February 9, 2012

"I can always count on Dwight to support Public Safety in these difficult times." -Thomas M. Turner

"Public safety is a human right for all families and you can be assured Dwight Coon will support public safety."

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

Rob Handy for County Commissioner

His Only Special Interest is Us

In a time when too many politicians work for special interests, Rob Handy fights for those who have to work for a living and cannot afford a lobbyist. On the County Commission, Rob provides the balance we need so that middle class families, seniors, veterans, and small businesses have an effective voice.

The Economy and Education

Rob is leading the way for sustainable and effective long-term timber management to preserve jobs for future generations. And Rob knows that education is the foundation of our future. That's why he works to make County government a good partner to our local schools.

Protecting Children

Rob understands we must protect the most vulnerable. That is why he stepped up to advocate for resources and public attention to help reduce child abuse and sexual assault in Lane County.

"Rob is the one we trust to help keep our community safe."

Eugene Fire Fighters, IAFF Local 851

Holding County Government Accountable

Rob is a man of fiscal discipline, making targeted cuts to protect the basics: public safety and life-saving services. His top priority is easing the burden on middle class taxpayers by making sure that large corporations pay their fair share. And Rob is calling for a 15% pay cut for the highest-paid county employees, because county government needs to tighten its belt too.

"As a small business owner,

Rob understands what it takes to build our economy."

Eugene Values

Real Results

As our mayor, Kitty Piercy combines our community's values with her solid record of accountable leadership.

Jobs and Our Economy — Even in this tough economy, Eugene is adding jobs throughout the city. Kitty brought together area leaders to develop the Regional Prosperity Plan, and launched the Sustainable Business Initiative.

Revitalizing Downtown — Over \$100 million invested, hundreds of new jobs created, a lively arts district, a new hotel, and more on the way - like the new Lane Community College downtown center and new office space at Willamette and Broadway. Pits are being filled!

A Safer Eugene — We're adding police officers downtown, with improved training, oversight, data-driven law enforcement and community policing strategies.

Repairing Our Roads — If you noticed fewer potholes, here's why: More roads have been fixed than ever in the history of Eugene. The \$43 million of transportation investment also helped create 495 well-paying jobs. Kitty continues working to ensure we have more choices and less congestion as we move people and goods throughout our community, including serving as Co-Chair of the Governor's Rail Committee to improve rail service for Eugene.

Arts and Recreation — Kitty is working to ensure that Eugene's role as one of Oregon's cultural centers continues benefiting our economy. Our library is recognized as one of the nation's best, and the Olympic Track and Field Trials are returning for the second time in a row.

"Eugene has accomplished a great deal, but there's more work to be done. I would be honored by your vote so we can continue to be a city that proves we are 'better together'."

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at www.oregonvotes.org or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:

- change your home address
- change your mailing address
- change your name
- change your signature
- want to change or select a political party
- will be away from home on election day

If you notify your county elections office of your change of residence address after May 10, 2012, you must request that a ballot be mailed to you or go to your county elections office to get your ballot.

Use online voter resources to register or update your registration status.
