ELECTIONS DIVISION
STEPHEN N. TROUT
DIRECTOR
255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 986-1518

Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States President

Barack Obama

Democrat

Occupation: President of the United States

Occupational Background: Civil rights lawyer; constitutional law professor; community organizer.

Educational Background: Harvard Law School, J.D.; Columbia University, B.A.

Prior Governmental Experience: State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last – one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Representative in Congress, 1st District

Suzanne Bonamici

Democrat

Occupation: United States Congresswoman

Occupational Background: Consumer Protection Attorney

Educational Background: JD, BA, University of Oregon;

AS Lane Community College

Prior Governmental Experience: State Senator and Representative; Attorney, Federal Trade Commission

Family: Married 26 years, two adult children

**Suzanne Bonamici
Hard Work.
The Right Priorities.**

In her first few weeks as our Representative in Congress, Suzanne Bonamici went straight to work, holding Town Hall meetings throughout the district and standing up for the priorities she has fought for her entire life.

A Lifetime Standing Up for Middle Class Families, Seniors and Consumers

Suzanne worked her way through community college, college and law school. Now she works for us.

- Suzanne held mortgage companies accountable when their dishonest practices cost people their homes.
- In Oregon, she stopped predatory payday lenders and life insurance scams targeting seniors.
- As our Congresswoman, Suzanne fights for opportunity for those who work hard and follow the rules and accountability for those who break them.

A Champion for Small Business and Jobs

Suzanne's first job was in her mom's small business – learning the challenges and rewards firsthand.

- As a state legislator, Suzanne helped Oregonians start small businesses and made it easier for Oregon businesses to access resources to keep and create jobs.
- In Congress she is co-sponsoring legislation to allow credit unions to make more small business loans across the nation.
- Suzanne serves on the House Committee on Science, Space and Technology – an important assignment for the economy and industries of our district.

Reducing the Debt with the Right Priorities

As a member of the House Budget Committee, Suzanne will attack the debt the right way.

- End the Bush tax cuts for millionaires instead of making seniors, veterans and middle class families pay for a financial crisis they didn't cause.
- End tax giveaways for big oil companies making record profits instead of threatening education and job training.
- Protect, don't privatize Social Security and Medicare.

Secretary of State

Kate Brown

Democrat

Occupation: Secretary of State

Occupational Background: Family, Juvenile Law Attorney, Instructor at Portland State University

Educational Background: University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

Prior Governmental Experience: State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler." Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

Educational Background: University of Virginia Law School J.D.; Brown University B.A.

Prior Governmental Experience: U.S. Department of Justice

The Best Experience

The Right Priorities

Endorsed by 46 Oregon Sheriffs and District Attorneys

Why does Dwight have the overwhelming support of Oregon's law enforcement community? Because he has the experience, priorities and track record we need.

Keeping Us Safe

Dwight Holton was a tough federal prosecutor and served as United States Attorney for Oregon. Over the last 15 years, he appeared in court over 1000 times, prosecuting gang kingpins, mortgage fraud, and drug traffickers.

"Dwight Holton's integrity, courtroom success and good judgment make him the clear choice for Attorney General."

Multnomah County District Attorney Michael D. Schrunk

Preventing Crime Before It Starts

Oregon's teachers endorse Dwight because he knows it's not enough to be tough on crime — we must be smart as well. He demands drug addiction prevention and treatment to address root causes and break the expensive, destructive cycle of crime.

Protecting Kids and Families

A father of two young children, Dwight is especially protective of vulnerable kids and families. He helped crack down on sex offenders who use the internet to prey on children and made it a priority to get illegal guns out of the hands of domestic violence abusers.

"Dwight is a tremendous advocate for victims of abuse and violence. We can count on Dwight to put people first."

Anne Pratt, Vice President, Crime Victims United

Champion for Consumers and the Middle Class

Dwight cracked down on mortgage and securities fraud and scams that threaten people's life savings and jailed corporate polluters.

"Holton has built a reputation as a dogged prosecutor of environmental crimes and those perpetrated by white-collar criminals."

Occupation: Union Representative;**Occupational Background:** Labor Relations;**Educational Background:** University of Oregon, M.A.; University of Massachusetts (Amherst), B.A.;**Prior Governmental Experience:** State Boards of Forestry, Watershed Enhancement and Workforce Investment; State Representative, House District 31 since 2005.**Proven Trustworthy Leadership**

Together we can bring prosperity back to House District 31. Since 2005 I have fought to:

Create Jobs

I've worked to bring workforce development, community investments and capitol formation to my district to increase employment and expand local economies.

Prevent Mortgage Foreclosures

One in four homeowners in the district is at risk of foreclosure. That's why I sponsored and passed legislation that requires mediation before a home can be foreclosed on.

Safeguard Senior Citizens

I won't let our vulnerable seniors be left without homecare that provides them the dignity to live at home.

Honor Veteran

I will continue to fight for Veteran's rights and services for those men and women who have sacrificed so much for our country.

Fund Education

I will preserve and enhance education funding for all Oregon students, as I have with the Vernonia Schools Project.

Make Healthcare Accessible

I won't stop working on health care until all Oregonians have access to decent and affordable health insurance.

Protect the Environment

I've worked tirelessly to balance timber harvests, eliminate invasive species, and enact renewable energy and low-carbon fuel standards and watershed protections.

Strengthen Public Safety

I will fight to adequately fund state police and remain tough on criminals who exploit and abuse our children and vulnerable citizens.

Deborah sponsored legislation establishing Oregon's Resiliency Plan for disaster response, 24/7 State Police coverage on highways; insurance coverage for mental health services; access to Oregon's prescription drug program; identity theft protections; and educational support to prepare students for the global economy.

Deborah successfully led the effort with the bi-partisan Coastal Caucus to secure funding for territorial sea floor mapping providing scientific data for tsunami modeling and updated navigational charts; encouraged and supported the NOAA fisheries to re-locate in Oregon; and sponsored legislation allowing commercial fishing by-catch to be given to food banks rather than be wasted. These efforts resulted in bringing hundreds of jobs to Oregon's coastal communities.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

To get involved, contact us at:

United States President

Ron Paul

Republican

Occupation: Member of Congress

Occupational Background: OB/GYN

Educational Background: Gettysburg College, B.S.;

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

House of Representatives, (1979-1999); Professor, West Georgia College, (1974-1979); Author, Professional Speaker, Historian

Prior Governmental Experience: United States Congress

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

United States President

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

Delinda Morgan

Occupation: Operating Engineer; Heavy Equipment Operator, Farmer, Wine Sales and Small Business Owner.

Occupational Background: Banker, Accounting, Operating Engineer; Heavy Equipment

Operator, since 1982. Construction Corporation Vice President, Superintendent, Project Manager, Project Engineer, Construction Administration and Safety Officer.

Educational Background: High School Graduate, Shorin-Ryu Instructor, Earn & Learn Program Developer and Hazardous Material Course.

Prior Governmental Experience: 2011 Candidate for Oregon's U.S. Congressional District One. Successfully negotiated and completed many Government Construction Contracts resulting in well over 1,000 jobs.

Married to former USMC Captain/Marine Aviator, 26 years with three sons. I am a fiscal and environmental conservative believing in recycling everything for 20 years.

Politicians are always asking that we trust them, that we believe in them. Yet they seem to rarely indicate by their actions in office that they trust or believe in us. I firmly believe that the best economic plans come not from politicians and bureaucrats in Washington D.C., but from the people. I believe in the right and the ability of individuals to know best what is needed for their families and communities to prosper and thrive and I trust in the people's ability to effectively govern their personal lives. For too long our elected officials have wielded the power of government to restrain the people rather than wielding the power of the people to restrain the government.

As your Congressional representative, I will fight to reduce and limit the size, scope and intrusiveness of the Federal government and make government accountable to the people. Legislation must be limited to what is allowed in the U.S. Constitution and I will fight to eliminate the deficit and the debt, working to cut, cap and balance the federal budget.

Your vote for me is a sacred trust and I invite you to join me as together we work to restore the greatness of our District, our State and our Nation.

Occupation: Physician; small business owner; inventor

Occupational Background: Orthopedic Surgeon; Medical Product Design

Educational Background:

Rhodes Scholar, Oxford University, M.A., Politics and Economics; Johns Hopkins University, M.D.; Oregon State University; Roseburg High School

Prior Governmental Experience: none

Community Service: Board of Directors: St. Charles Health Systems; Ford Family Foundation; Oregon League of Minority Voters; OSU-Cascades

AN OREGON STORY

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

Occupational Background: small business owner, 23 years; Executive and financial positions in natural resource and manufacturing sectors, 14

years; U.S. Marine Corps, Vietnam Veteran, 6 years.

Educational Background: Sunset High School, Portland Community College, Portland State University

Prior Governmental Experience: U.S. Marine Corps, 1967-1973 Vietnam 1968-1969

Oregon MUST do better

Oregon consistently ranks among the highest in unemployment, hunger and homelessness. When NIKE was born, there were about 15 major corporate headquarters in Oregon; now there's one. Oregon politics drove them away, along with jobs. Job creation happens when people can predict an environment of reasonable regulations and taxes, and efficient infrastructure. Neither of which exist today. Revitalizing our economic base will reduce the number of our citizens that are unemployed or homeless.

Better job environment

Lew will reduce the taxes, fees and regulations the legislature imposed on employers and individuals giving businesses more capital to create jobs and to employ people.

Grownup fiscal responsibility

Lew knows we can't afford Oregon's tax and spend policies enacted during the terms his opponent has held office. Lew will bring common sense to how we budget and spend money in Salem. As a combat veteran, Lew determined that lives depended upon an ability to improvise, adapt & overcome — lessons Lew has followed ever since in his life and in business. We need Lew in Salem to ask the tough, basic questions, and he'll obtain the answers and the results we need. If you know Lew, you'll understand.

More accountable government

Lew will advocate for performance benchmarks to be set for all government entities; insuring that achieving stated objectives is rewarded and those falling short take corrective action to achieve their goals. These steps will result in a more cost effective government.

Support our children

Lew will be an advocate for school choice giving parents the freedom to make decisions about their children's education.

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 27 and May 1, 2012. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 4th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at oregonvotes.org.

What if I have moved and have not updated my registration?

If you were registered to vote by April 24 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.org or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 45¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.org or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:

Secretary of State, Elections Division
255 Capitol St NE, Suite 501
Salem, OR 97310

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 17 years of age?

If you are 17 years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How to register

You can register to vote online at www.oregonvotes.org or you can get a voter registration card at any of the following places:

- in this Voters' Pamphlet
- any county elections office
- the Secretary of State's Office
- some state agencies such as the Division of Motor Vehicles
- a voter registration drive

You can fill the card out in person or send it in by US mail.

You can also print out a registration card online at: www.oregonvotes.org.

To vote in the May 15, 2012, Primary Election, your completed voter registration card must be either:

- postmarked by Tuesday, April 24, 2012
- delivered to a county elections office by Tuesday, April 24, 2012 or
- delivered to any voter registration agency (e.g., DMV) by Tuesday, April 24, 2012.

3. If you do not have a Social Security number, you must affirm this on the card by marking the circle in indicating you do not have a valid Driver's License or Social Security number.
4. If you do not have a Driver's License, Permit, ID number, or a Social Security number, and you are registering by mail, you must provide a copy of one of the following which shows the voter's name and current address:

 - a utility bill
 - a bank statement
 - a government document
 - proof of eligibility under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) or the Voting Accessibility for the Elderly and Handicapped Act (VAEH)

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at www.oregonvotes.org or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:
