ELECTIONS DIVISION
STEPHEN N. TROUT
DIRECTOR
255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 986-1518

Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

A handwritten signature in black ink, appearing to read "Kate Brown".

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States President**Barack Obama**

Democrat

Occupation: President of the United States**Occupational Background:** Civil rights lawyer; constitutional law professor; community organizer.**Educational Background:** Harvard Law School, J.D.; Columbia University, B.A.**Prior Governmental Experience:** State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last – one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Occupation: United States Congresswoman**Occupational Background:** Consumer Protection Attorney**Educational Background:** JD, BA, University of Oregon;

Prior Governmental Experience: State Senator and Representative; Attorney, Federal Trade Commission**Family:** Married 26 years, two adult children

**Suzanne Bonamici
Hard Work.
The Right Priorities.**

In her first few weeks as our Representative in Congress, Suzanne Bonamici went straight to work, holding Town Hall meetings throughout the district and standing up for the priorities she has fought for her entire life.

A Lifetime Standing Up for Middle Class Families, Seniors and Consumers

Suzanne worked her way through community college, college and law school. Now she works for us.

- Suzanne held mortgage companies accountable when their dishonest practices cost people their homes.
- In Oregon, she stopped predatory payday lenders and life insurance scams targeting seniors.
- As our Congresswoman, Suzanne fights for opportunity for those who work hard and follow the rules and accountability for those who break them.

A Champion for Small Business and Jobs

Suzanne's first job was in her mom's small business – learning the challenges and rewards firsthand.

- As a state legislator, Suzanne helped Oregonians start small businesses and made it easier for Oregon businesses to access resources to keep and create jobs.
- In Congress she is co-sponsoring legislation to allow credit unions to make more small business loans across the nation.
- Suzanne serves on the House Committee on Science, Space and Technology – an important assignment for the economy and industries of our district.

Reducing the Debt with the Right Priorities

As a member of the House Budget Committee, Suzanne will attack the debt the right way.

- End the Bush tax cuts for millionaires instead of making seniors, veterans and middle class families pay for a financial crisis they didn't cause.
- End tax giveaways for big oil companies making record profits instead of threatening education and job training.
- Protect, don't privatize Social Security and Medicare.

Occupation: Secretary of State

Occupational Background: Family, Juvenile Law Attorney, Instructor at Portland State University

Educational Background: University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler." Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

Attorney General

Educational Background: University of Virginia Law School J.D.; Brown University B.A.

Prior Governmental Experience: U.S. Department of Justice

The Best Experience

The Right Priorities

Endorsed by 46 Oregon Sheriffs and District Attorneys

Why does Dwight have the overwhelming support of Oregon's law enforcement community? Because he has the experience, priorities and track record we need.

Keeping Us Safe

Dwight Holton was a tough federal prosecutor and served as United States Attorney for Oregon. Over the last 15 years, he appeared in court over 1000 times, prosecuting gang kingpins, mortgage fraud, and drug traffickers.

"Dwight Holton's integrity, courtroom success and good judgment make him the clear choice for Attorney General."

Multnomah County District Attorney Michael D. Schrunk

Preventing Crime Before It Starts

Oregon's teachers endorse Dwight because he knows it's not enough to be tough on crime — we must be smart as well. He demands drug addiction prevention and treatment to address root causes and break the expensive, destructive cycle of crime.

Protecting Kids and Families

A father of two young children, Dwight is especially protective of vulnerable kids and families. He helped crack down on sex offenders who use the internet to prey on children and made it a priority to get illegal guns out of the hands of domestic violence abusers.

"Dwight is a tremendous advocate for victims of abuse and violence. We can count on Dwight to put people first."

Anne Pratt, Vice President, Crime Victims United

Champion for Consumers and the Middle Class

Dwight cracked down on mortgage and securities fraud and scams that threaten people's life savings and jailed corporate polluters.

"Holton has built a reputation as a dogged prosecutor of environmental crimes and those perpetrated by white-collar criminals."

Annette Frank. A fresh perspective. The right priorities.

For too long, our community has gone without a voice in Salem. While the current crop of politicians play games in Salem, the needs of our community have gone unmet.

Annette Frank is a new leader for us. She's a mom and an active citizen, not a career politician. We need Annette Frank to help get our economy, our schools and our priorities back on the right track.

Creating Jobs. Getting Us Back to Work.

Annette knows that good-paying jobs are the key to Oregon's economic recovery, leading to more funding for schools and more resources to protect our most vulnerable. She will vote to help small businesses get access to capital, and will support proposals that assist the small businesses and farms right here in Oregon.

By reducing regulations for small businesses, Annette will help to make it easier for them to hire and get Oregonians back to work quickly.

Standing Up for Everyday Oregonians, Not Special Interests

We are still in a tough economy, and people are still hurting. Annette will stand up for Oregonians hit hardest by the recession, and will vote to help them keep their homes, find secure jobs and get back to prosperity. With Annette Frank as our voice, we will have a champion for the everyday folks in the community. She'll speak for us, not the special interests.

Annette will be a strong advocate for changing the way business is done in Salem.

It's time for a new leader with the right priorities.

State Senator, 18th District

Ginny Burdick

Democrat

Occupation: State Senator; Communications Consultant.

Occupational Background: News reporter; environmental issues manager; policy and communications adviser.

Educational Background: Masters in journalism, University of Oregon; B.A., University of Puget Sound.

Prior Governmental Experience: State Senator, 1997-present; Oregon Land Conservation and Development Commission, 1987-93.

Ginny Burdick has served in the Oregon Senate since 1997, and was elected President pro tempore in 2011. She also served as chair of the Senate Judiciary Committee for the 2005 and 2007 legislative sessions and has chaired the Senate Finance and Revenue Committee since 2008.

Ginny Burdick is a strong voice in the State Senate for education, the environment, civil rights, tax reform and sensible gun laws. Here are some of the areas where her leadership made a difference:

- Strong laws to curb the methamphetamine epidemic in Oregon by virtually eliminating home meth labs and increasing funding for Drug Courts.
- Legislation to prohibit discrimination against sexual minorities and allow same-sex couples to form domestic partnerships.
- Legislation to make crosswalks safer for pedestrians by requiring motor vehicles to stop and remain stopped.
- Legislation eliminating tax credits that no longer can demonstrate a clear benefit for Oregon taxpayers.
- Legislation to make bars, taverns and bingo parlors smoke-free.

There remains much work to be done. If voters return her to the Senate, Ginny Burdick will continue her important work to stabilize Oregon's finances with a robust emergency reserve fund. She will fight to increase and stabilize funding for education. She will continue to push for stronger gun safety laws, especially ones to protect Oregon children and schools from gun violence. She will advocate for tax policies and incentives to encourage job growth and economic development, not only in her Senate District but throughout Oregon.

State Representative, 24th District

Kathy Campbell

Democrat

Occupation: Small Business Owner

Occupational Background: Co-Owner Wednesday Wines; Manager, The Market Place; Director Marketing/PR — ValleyCare Health System

Educational Background: San Diego State University, BA Journalism

Prior Governmental Experience: None

When I moved here I fell in love with this community and I believe that we need representation that represents our values. For that past seven years, I have been an active community member and small business owner in McMinnville. I realized that there aren't enough politicians who understand where working families are coming from. I'm "living the issues" that are impacting families in our community and I think we need more people like you and me running for office. I hope that I can earn your support.

EDUCATION: As the mother of a 17 year old education is a high priority for me. These kids are our future and we need to give them the skills to succeed. I believe that:

- Education funding should be the state's top priority
- Education should include the arts, music and sports and budget cuts should not always start in these programs

HEALTHCARE: As a former healthcare professional, I've seen the issue of healthcare from all sides. I believe that:

- Healthcare is critical for families to feel safe and secure and should be a basic right
- We need to hold insurance companies accountable and keep rates low for families and businesses

BUSINESS AND JOBS: As a small business owner, I know what it is like to struggle to keep your business a float. I believe that:

- Small businesses need access to funding so they can hire and get people back to work.
- We should have more policies that encourage people to "Shop Local" or "Buy Oregon"
- We must hold the financial industry accountable. Their bad decisions should not reflect on people trying to keep our homes or our business open.

"My father inspired me to be involved in Community Service with his volunteer work on the Powers City Council and as Lion's Club President. One of my grandfathers started his own manufacturing company going door to door, and the other was a commercial fisherman, both were able to support their families through hard work. **Times were simpler then for middle class families.**

Now, I see it every day-- **there are many families and individuals that are struggling** and counting the days until the next check arrives so that they can provide for their family. We have cutback on the services people rely on, quality public schools, senior care, and services for the vulnerable and we can't do that and provide for our communities. I want to get back to the days when someone could work hard and be confident that they could provide for their family.

I am driven to public service and **I have worked extensively with others to make a difference.** I know it takes all of us fighting together to make a difference. **I am committed to fighting alongside you. I hope I can earn your support."** Wynne

Washington County Values Leadership for Oregon's Future

Creating Small Business Jobs for Oregon

Growing up on the family farm in Cornelius, Ben saw how businesses succeed — hard work, energy, and fair competition. Ben will fight to ensure small businesses have access to the capital they need to create jobs for hard working families.

"Ben understands small business. He'll work with companies of all sizes to add jobs, ensuring that Washington County remains a primary contributor to Oregon's economy while preserving our quality of life."

My family is Oregon.

I love Hillsboro and I'm grateful to be part of this vibrant,
engaged, diverse community. Through my work on the
Hillsboro School Board and for the Hillsboro Fire Department,
I've had the chance to listen to our community. I hear stories
of hard work, caring neighbors, and strong families. But I also
hear concerns that the promise of American Opportunity is
slipping away.

My family has seen the realities Oregon families face because they're our realities.

I know that families in our community face serious chal-
lenges. One in four Oregonians faces foreclosure. Education
funding has been slashed, causing teacher layoffs and
unsustainable class sizes. The economic downturn has hurt
local companies. Quality jobs have disappeared.

These challenges have impacted local families and we have
seen voices like ours go unheard in Salem. It's time for lead-
ers who will fight for us in the state legislature.

These realities have prompted me to stand up for the com- munity I love.

In Salem, I will listen to our community and seek your
input. My first priority will be to ensure that the promise of
American Opportunity is alive and well for the next generation
of Oregonians by:

- Working to protect funding for our local schools
- Fighting for homeowner protections
- Making job creation and business development a priority

I'm committed to working alongside our community and would be honored to represent our district in Salem.

Representative, House District 31 since 2005.

Proven Trustworthy Leadership

Together we can bring prosperity back to House District 31.
Since 2005 I have fought to:

Create Jobs

I've worked to bring workforce development, community
investments and capitol formation to my district to increase
employment and expand local economies.

Prevent Mortgage Foreclosures

One in four homeowners in the district is at risk of foreclo-
sure. That's why I sponsored and passed legislation that
requires mediation before a home can be foreclosed on.

Safeguard Senior Citizens

I won't let our vulnerable seniors be left without homecare
that provides them the dignity to live at home.

Honor Veteran

I will continue to fight for Veteran's rights and services for
those men and women who have sacrificed so much for our
country.

Fund Education

I will preserve and enhance education funding for all Oregon
students, as I have with the Vernonia Schools Project.

Make Healthcare Accessible

I won't stop working on health care until all Oregonians have
access to decent and affordable health insurance.

Protect the Environment

I've worked tirelessly to balance timber harvests, eliminate
invasive species, and enact renewable energy and low-
carbon fuel standards and watershed protections.

Strengthen Public Safety

I will fight to adequately fund state police and remain tough
on criminals who exploit and abuse our children and vulner-
able citizens.

Legislative work to benefit Oregonians:

Deborah works hard to provide services that ensure healthy families, safe communities, a strong educational system and programs for veterans and seniors.

Deborah sponsored legislation establishing Oregon's Resiliency Plan for disaster response, 24/7 State Police coverage on highways; insurance coverage for mental health services; access to Oregon's prescription drug program; identity theft protections; and educational support to prepare students for the global economy.

Deborah successfully led the effort with the bi-partisan Coastal Caucus to secure funding for territorial sea floor mapping providing scientific data for tsunami modeling and updated navigational charts; encouraged and supported the NOAA fisheries to re-locate in Oregon; and sponsored legislation allowing commercial fishing by-catch to be given to food banks rather than be wasted. These efforts resulted in bringing hundreds of jobs to Oregon's coastal communities.

Deborah authored a Memorial to Congress requesting full funding for the US Coast Guard, which received unanimous approval in the Oregon Legislature.

Deborah worked collaboratively with colleagues and stakeholders to establish new clean-tech energy businesses including biomass, solar, hydrokinetic, geothermal and wind enabling Oregon to achieve renewable energy goals.

Deborah supports primary prevention programs such as relief nurseries that provide assistance to families and save tax dollars.

Deborah is working to help save our children from becoming victims of human trafficking.

Occupation: Founder of local software company; State Representative.

Educational Background: B.S., Ph.D., University of Michigan; Post-Doctoral Fellow, Mayo Clinic.

Prior Governmental Experience: State Representative.

Family: Married 31 years (so far); two grown kids.

I've worked in education and healthcare and for 19 years I ran my own business. As a successful entrepreneur, I'm convinced we need to have the courage and the will to create an environment that's profitable for both businesses and the communities they rely upon or Oregonians won't prosper.

I joined the House of Representatives in June 2008 and was elected that November and again in 2010. I look forward to continuing to work effectively with my colleagues to address these important issues:

Business, jobs and the economy: I started a software business in my living room and it's now a national leader in its field with a reputation for solving problems and delivering on promises. I bring that same approach to Salem where I try to combine existing resources with innovative ideas to create new jobs and solutions.

Education: I'm married to an educator and my son is a junior at University of Oregon, so I know increased school funding is critical and controlling the cost of tuition is important. We can and must strengthen education in Oregon, from pre-K through college. Unless we properly fund our education system we are really going to struggle in the global economy. The days in which low skills can generate high pay are quickly disappearing.

Healthcare: Finding affordable healthcare is a problem we all face. At my business I provide coverage for my employees and as former Vice Chair of the House Health Care Committee, I've worked hard to make basic healthcare accessible and affordable to all Oregonians.

I'm proud to represent District 34 and I would appreciate your continued support!

Independent Ideas that Work for Oregon

Making it her business to protect jobs

As a small business owner, Margaret knows small companies drive our economy. That is why Margaret helped create programs that increase small business's access to capital so that they can put Oregonians back to work. Margaret also supported bills that will streamline our economic development money in order to ensure we get the most impact out of it.

Ensuring Oregon's public schools make the grade

A former high school teacher and an education advocate for over 30 years, Margaret knows how important it is to stand up for our schools. Margaret has spent her time in the Legislature fighting against teacher layoffs that are causing increased class sizes.

The healthcare crisis is too real for too many Oregonians

As a member of the Healthcare Committee, Margaret has worked to help fix our broken system by supporting landmark healthcare bills that will bring down cost and increase coverage. She has stood up to the insurance lobby and supports the Attorney General going after insurance companies that commit fraud.

Keeping Oregonians in their Homes

Margaret has seen the pain that foreclosures have brought to communities, and that is why she is working hard to defend people's right to keep their homes. She helped pass a new law that makes banks meet and negotiate with homeowners if they are facing foreclosure or if they are underwater on their home loans.

She's about people. Not politics

"Too many elected officials play politics with our future. We need independent thinkers with new ideas. I reach across the aisle to find bipartisan solutions for our families, because for me, it's about making our community a better place to live" - Margaret Doherty

Effective Oregon Leadership**

Dear Neighbor,

There was a time when Oregon’s legislature provided leadership to build a better future. Instead of gridlock and partisanship, we built and repaired our transportation system, supported our schools, community colleges and universities instead of disinvesting in them.

I was proud to be a part of that kind of Oregon leadership. Working with colleagues from both parties I helped:

- Forge policies that resulted in the creation of the “silicon forest,” making Oregon a world leader in high tech manufacturing.
- Simplify the tax code - removing loopholes, lowering rates and providing incentives for new investments.
- Create workforce-training programs to prepare workers for the new economy and made the hard decisions to invest in our transportation system.
- And as Metro Councilor I worked successfully to have balanced policies that encouraged economic development and jobs while protecting the quality of life and natural heritage that defines our part of Oregon.

We can get back to leadership that works for Oregon and gets Oregon working, especially for middle class families that have been squeezed by the recession and who deserve an even playing field. We need to reinvest in our education system, rebuild our infrastructure and position Oregon’s economy to compete and succeed— especially in the new high-tech and green economy where we already excel.

I am proud of my record of getting things done for Oregonians and the people of our community. I ask for your support so that I can use my skills and experience to get us back on track.

Sincerely,

Carl Hosticka

Representative Chris Garrett — Moving Oregon Forward

Prioritizing Schools. A product of his own neighborhood public schools, Chris puts education first. He held the line on funding for K-12 during the most challenging budget climate in recent history. He also supported legislation that promotes energy efficiency, seismic, and weatherization upgrades at Oregon schools, making kids safer and creating jobs in communities across Oregon.

Affordable Health Care. Chris supported passage of the Oregon Health Insurance Exchange and the Health Care Transformation Act, critical steps forward in providing more Oregonians with affordable care. Chris also helped pass the 2009 Healthy Kids program, which has extended coverage to 95% of Oregon children.

Protecting Homeowners. In the final days of the 2012 session, Chris negotiated important foreclosure reforms that will expand options for struggling homeowners, require banks to sit down with borrowers in mediation, and end the abusive “dual track” process.

Historic Redistricting Plan. As Co-Chair of the House Redistricting Committee in 2011, Chris led the passage of bipartisan legislative and congressional redistricting plans for the first time in a century.

Getting Smart on Crime. Appointed by Governor Kitzhaber to the Commission on Public Safety, Chris is working on reforms that will make Oregon safer and save tax dollars by preventing future crime.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

United States President

Ron Paul

Republican

Occupation: Member of Congress

Occupational Background: OB/GYN

Educational Background: Gettysburg College, B.S.;

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

Educational Background: High School Graduate, Shorin-Ryu Instructor, Earn & Learn Program Developer and Hazardous Material Course.

Prior Governmental Experience: 2011 Candidate for Oregon's U.S. Congressional District One. Successfully negotiated and completed many Government Construction Contracts resulting in well over 1,000 jobs.

Married to former USMC Captain/Marine Aviator, 26 years with three sons. I am a fiscal and environmental conservative believing in recycling everything for 20 years.

Politicians are always asking that we trust them, that we believe in them. Yet they seem to rarely indicate by their actions in office that they trust or believe in us. I firmly believe that the best economic plans come not from politicians and bureaucrats in Washington D.C., but from the people. I believe in the right and the ability of individuals to know best what is needed for their families and communities to prosper and thrive and I trust in the people's ability to effectively govern their personal lives. For too long our elected officials have wielded the power of government to restrain the people rather than wielding the power of the people to restrain the government.

As your Congressional representative, I will fight to reduce and limit the size, scope and intrusiveness of the Federal government and make government accountable to the people. Legislation must be limited to what is allowed in the U.S. Constitution and I will fight to eliminate the deficit and the debt, working to cut, cap and balance the federal budget.

Your vote for me is a sacred trust and I invite you to join me as together we work to restore the greatness of our District, our State and our Nation.

Educational Background:

AN OREGON STORY

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

It is essential that we help guide the direction of our community, not only for today but for tomorrow. We have been blessed. Let's remind ourselves of what our nation stands for - its people, its government, and its ideals - let's keep fighting for those ideals.

As an immigrant to this country and state, I am especially grateful for the opportunities that Oregon has provided me, and hope to give something back by serving you in the legislature.

Our state needs revival, both economically and politically. As State Senator I will promote:

- 1. Real job creation.** We must be more prudent in the private sector and leverage our talents and ingenuity to spur job creation - utilizing our financial and intellectual capital as safeguards for liberty and order.
- 2. Courage.** Without setting fiscal priorities and making tough choices, our state will face inevitable economic decline. We have too many mandates, regulations, taxes, fees, levies, and penalties, and not enough opportunity for businesses and individual citizens. We need the courage to turn this around.
- 3. Leadership by citizens, not full time politicians.** Our government must remain of the people, by the people, and for the people. I have not served in elected office before, and am not a professional politician. It is only with people like us in the legislature that we will be able to turn this state around.

It is time - we can do it! Thank you for your vote.

Jobs & Prosperity

As a life-long resident of Yamhill County, I understand our community's issues and the importance of strong representation in Salem. As a small business owner, I know firsthand the effects of this recession and I fought the partisan politicians in Salem who too often seem to treat taxpayers like ATM's. Together, we can re-build Oregon's economy by controlling government spending and supporting Oregon's private sector.

Economic Prosperity

We must make Oregon more competitive in our national and global economy. As State Representative, I have worked to make Oregon a friendlier place to do business. I support policies that encourage businesses to create jobs, and I strongly oppose tax increases and excessive regulations that stifle economic growth. I also support policies that sustainably utilize our natural resources to put people back to work.

Government Waste

State government needs to be accountable for the tax dollars it spends. I know each tax dollar is taken from our family budgets and shouldn't be spent carelessly. I will always fight unnecessary projects and provide common sense solutions in Salem. I support additional audits on government agencies, open financial disclosure, and performance reviews.

Health Care

My goal is to make health insurance more affordable for Oregon families. Families should be able to deduct insurance costs from their taxes and I support giving Oregonians a broader range of health care options. I understand the need to control frivolous lawsuits, and the importance of protecting children and seniors.

Experienced Leadership on the Issues That Matter Most

Economy — As a small business owner Kim knows how excessive state regulations and taxation harm the private sector's ability to grow. She advocates for reforms that will improve Oregon's job creation climate.

Public Safety — To curb drunk driving, Kim passed legislation requiring all first-time DUI offenders to install ignition breathalyzer machines in cars they drive.

Education Accountability — Thanks to Kim's efforts, school districts are now subject to state performance audits ensuring our limited tax dollars are spent wisely and directed toward student success.

Good Government — Kim is a taxpayer watchdog. She holds the line on spending and spearheaded the Oregon Transparency website. Due to Kim's hard work, the site now shows economic development tax breaks and public meeting notices in addition to information about state revenue and spending.

Support for Gun Owners — At the request of Oregon's sheriffs and citizens across the state Kim passed legislation protecting the privacy of Concealed Handgun License holders, placing strict limits on information released from CHL records.

Sensible Immigration Reform — In order to reduce the impact of illegal immigration on our state and to promote a legal workforce, Kim pushes for common-sense changes to make Oregon less attractive to people who ignore our country's immigration laws.

When I came to this country from an impoverished Mexican village at 14, I hadn't even heard of the American dream. Electricity and running water were newfound luxuries. I spoke no English but was eager to learn and to make Oregon my new home. I was full of hope and determined not to stop working until I succeeded.

After graduating from Forest Grove High School, I enrolled at PCC and started my landscaping business with an old Chevy truck and a lawn mower. Twenty-six years later, my specialized contracting firm employs dozens of people on complex soil stabilization and seismic upgrade projects.

I clearly remember my struggles and successes, and how I achieved my dream. Eagerness to learn — first to learn English, then to learn about Oregon, about engineering, and technical aspects of my business — this was critical. All our children will be prepared for tomorrow's opportunities if we value education and expand technical training.

Hard work was essential to my success, and Oregon offered me opportunities to achieve my dream. Today's entrepreneurs are not so lucky; businesses are hindered by excessive rules and regulations. Now it's my privilege to share my experience and problem-solving skills to get our state back on the path to economic strength and optimism.

Today too many young, hopeful Oregonians who are ready to build families and careers are unemployed or underemployed. I know what can be achieved if government supports business, champions education, and clears a path for opportunity. I ask for your vote.

SHAWN LINDSAY:

A BIPARTISAN PROBLEM SOLVER

Shawn Lindsay is proving that he's the bipartisan problem solver we need in Salem. In addition to working on efforts to rebuild our economy and improve our schools, Shawn helped accomplish what no one had in over sixty years. As Co-Chair of the committee in charge of the historically partisan redistricting process, Shawn helped craft a bipartisan plan that many hail as the legislature's biggest achievement last year.

JOBS & ECONOMIC GROWTH

From ensuring that Oregon's small businesses benefit from job-creation incentives to expanding programs to attract jobs to our state, Shawn is helping to strengthen our economy. He recognizes that we must create an environment that encourages entrepreneurs to invest in our state so we can put people back to work.

MAKING EDUCATION THE TOP FINANCIAL PRIORITY

When Shawn ran last year he promised that education, above all other budgets, would be his top priority - and it was. Shawn fought to ensure that the education budget was the first budget passed. He also supported a dozen proposals to reform or improve schools - giving parents and students more choice within our public school system.

FISCAL DISCIPLINE

Shawn knew that state government needed to tighten its belt during these tough economic times. He supported balancing our state budget without raising taxes while also setting aside money to protect schools and critical services from cuts if our economy didn't turn around as fast as we hoped.

Oregon MUST do better

Oregon consistently ranks among the highest in unemployment, hunger and homelessness. When NIKE was born, there were about 15 major corporate headquarters in Oregon; now there's one. Oregon politics drove them away, along with jobs. Job creation happens when people can predict an environment of reasonable regulations and taxes, and efficient infrastructure. Neither of which exist today. Revitalizing our economic base will reduce the number of our citizens that are unemployed or homeless.

Better job environment

Lew will reduce the taxes, fees and regulations the legislature imposed on employers and individuals giving businesses more capital to create jobs and to employ people.

Grownup fiscal responsibility

Lew knows we can't afford Oregon's tax and spend policies enacted during the terms his opponent has held office. Lew will bring common sense to how we budget and spend money in Salem. As a combat veteran, Lew determined that lives depended upon an ability to improvise, adapt & overcome — lessons Lew has followed ever since in his life and in business. We need Lew in Salem to ask the tough, basic questions, and he'll obtain the answers and the results we need. If you know Lew, you'll understand.

More accountable government

Lew will advocate for performance benchmarks to be set for all government entities; insuring that achieving stated objectives is rewarded and those falling short take corrective action to achieve their goals. These steps will result in a more cost effective government.

Support our children

Lew will be an advocate for school choice giving parents the freedom to make decisions about their children's education.

As a third generation Oregonian, I was raised to believe Oregon is a state that promotes hard work, encourages innovation, and that truly wants to see its citizens succeed. Today, I see a very different Oregon—one with high unemployment, failing schools and a business environment that does anything but encourage private sector success. With fresh ideas, common sense solutions and strong leadership, not only will we get Oregon back, we'll improve it for the next generation.

Support Schools, Focus on Kids

Without a strong foundation, our kids will not be able to succeed and compete globally. Accountability in spending, innovation in classrooms and expanding school options for families will be integral to ensuring our kids are receiving the best education possible. I am dedicated to improving the quality of Oregon's education system.

Jobs. Jobs. Jobs.

We all know somebody who is out of work. We cannot sit by while our unemployment level remains one of the highest in the nation and our friends, family and neighbors struggle in this tough economy. I will find common-sense solutions that encourage private sector job creation and develop long term, family-wage jobs that put Oregonians back to work.

Fix the Economy — Fix Oregon

Without a prosperous economy, it's impossible to have successful schools, thriving businesses or strong social services. Oregon must become a business-friendly atmosphere so companies will invest here, employ our citizens and grow our economy from the inside out. By creating jobs and reducing regulations on small businesses, we will see more of the development, entrepreneurship and innovation Oregon is known for.

All the things we Oregonians cherish stem from a strong economy. Be it environmental stewardship, better roads, more effective education, State parks, a job or more money in your pocket, only profitable, well-run businesses employing Oregonians, paying taxes and bringing value and income to the cause you hold dear.

Oregon has the livability, the transportation infrastructure, the Pacific Rim location, the resources and the skilled and willing labor force to be an economic powerhouse, and yet, year after year, we consistently place among the states with the highest unemployment in the nation.

Tom Maginnis will advocate for the thousands of working people and small businesses that constitute the backbone of this state and to create a climate that will allow Oregonians to flourish. Tom recognizes that strong businesses create increased state revenue without increased taxes.

We need volunteers to help win this race in November. If you agree with us, join us by writing to Magin49@comcast.net and take back your state.

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:

Secretary of State, Elections Division
255 Capitol St NE, Suite 501
Salem, OR 97310

I need assistance to vote

Any voter with a disability can request assistance to register to vote, vote their ballot and/or return their ballot. You can also request assistance from a caretaker, care provider or someone else you choose.

I want to assist a voter

Your county elections office can suggest resources you can use to help inform voters. Resources must be nonpartisan and unbiased.

Who can provide assistance?

- A County Voting Assistance Team
 - A Facility Voting Assistance Team
 - Someone chosen by the voter
-

Who can not provide assistance?

- The voter's employer
 - An agent of the voter's employer
 - A union officer or agent of a union of which the voter is a member
-

What is a facility voting assistance team?

A **congregate living facility** may form a Facility Assistance Team to assist voters living in their facility.

Teams must be made up of **two registered voters** that do not have the same political party affiliation.

Registering to Vote

To vote in Oregon you need to be registered in the county where you reside.

You can register if you can answer yes to these three questions:

- Are you a resident of Oregon?
- Are you a US citizen?
- Are you at least 17 years of age?

If you are 17 years of age, you will not receive a ballot until an election occurs on or after your 18th birthday.

How to register

You can register to vote online at www.oregonvotes.org or you can get a voter registration card at any of the following places:

- in this Voters' Pamphlet
- any county elections office
- the Secretary of State's Office
- some state agencies such as the Division of Motor Vehicles
- a voter registration drive

You can fill the card out in person or send it in by US mail.

You can also print out a registration card online at: www.oregonvotes.org.

To vote in the May 15, 2012, Primary Election, your completed voter registration card must be either:

- postmarked by Tuesday, April 24, 2012
- delivered to a county elections office by Tuesday, April 24, 2012 or
- delivered to any voter registration agency (e.g., DMV) by Tuesday, April 24, 2012.

If you register to vote online, your registration must be submitted by 11:59pm on Tuesday, April 24, 2012.

What information is required to register?

To complete your registration you will provide your:

- Full legal name
- Home address
- Date of birth
- Signature
- Valid identification

What are the identification requirements?

1. If you have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles (DMV), you must provide it in the boxes on the card.

A suspended Driver's License is still valid; a revoked Driver's License is NOT valid.

2. If you do not have a current, valid Driver's License, Permit or ID number issued by the State of Oregon Division of Motor Vehicles, you must affirm this on the card by marking the appropriate circle and you must then provide the last four digits of your Social Security Number.
3. If you do not have a Social Security number, you must affirm this on the card by marking the circle in indicating you do not have a valid Driver's License or Social Security number.
4. If you do not have a Driver's License, Permit, ID number, or a Social Security number, and you are registering by mail, you must provide a copy of one of the following which shows the voter's name and current address:
 - valid photo identification
 - a paycheck stub
 - a utility bill
 - a bank statement
 - a government document
 - proof of eligibility under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) or the Voting Accessibility for the Elderly and Handicapped Act (VAEH)

If you do not provide valid identification, you will not be eligible to vote for Federal races. You will, however, still be eligible to vote for state and local contests.

Updating your voter registration

Once you have registered, you are responsible for keeping your information up to date. You can do this online at www.oregonvotes.org or by completing and returning a voter registration card with the new information. You should update your registration if you do any of the following:

- change your home address
- change your mailing address
- change your name
- change your signature
- want to change or select a political party
- will be away from home on election day

If you notify your county elections office of your change of residence address after May 10, 2012, you must request that a ballot be mailed to you or go to your county elections office to get your ballot.

Use online voter resources to register or update your registration status.
