Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States President

Barack Obama

Democrat

Occupation: President of the United States

Occupational Background: Civil rights lawyer; constitutional law professor; community organizer.

Educational Background: Harvard Law School, J.D.; Columbia University, B.A.

Prior Governmental Experience: State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last — one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Dear Friends,

Congress is broken. The American people feel this, but know it doesn't have to be this hard. That's why I'm fighting for commonsense solutions that will help fix our broken government while protecting our families. To help reform Washington, I'm focusing this campaign on Oregon lessons and accomplishments, and on our ideas to lead the nation.

Please visit my website: www.EarlBlumenauer.com for details, as well as an opportunity to share your own ideas.

Wall Street Reform: Reckless lending, hyper-trading, and lack of oversight contributed to the financial collapse. We need to hold corporations accountable, fully implement and enforce new protections, and prosecute the crooks who almost ruined our economy.

Ending "Corporate Personhood": The disastrous Citizens United decision threatens the integrity of our political system by opening the floodgates of unlimited campaign spending from anonymous donors. I'm fighting for constitutional amendments to end corporate personhood and allow public financing of elections.

Agriculture Reform: While the majority of farm subsidies go to large corporate operations, more than 85% of Oregon farmers receive nothing. I support cutting subsidies and shifting funding to programs to help family farmers protect the environment and provide healthy, sustainable food to our families, schools, and farmers markets.

Rebuilding and Renewing America: We need a new national vision to meet the infrastructure challenges of this century and to create family wage jobs. This includes a transportation bill, a Water Trust Fund, and reinstating the Superfund to clean up pollution.

I hope you will join me in this effort so that all of our families are safer, healthier, and more economically secure.

Sincerely,

As our Congressman, Kurt Schrader has kept his focus where it should be: on the needs and priorities of our local communities and families during these tough times.

Delivering for Us

- Kurt is working across the aisle to break the gridlock of federal forest management by proposing the O&C Trust, Conservation and Jobs Act, which would provide for thousands of jobs in Oregon's forests.
- Kurt does not believe that corporations are people. He has proposed a constitutional amendment to limit the influence of special interests in our elections.
- Kurt is investing in the future of Oregon's children and our workforce through support of pre-kindergarten, Head Start and community colleges, in addition to strengthening Pell Grants for our college students.
- Kurt led the fight to make sure Newport remained the new base of the NOAA Pacific fleet to bring hundreds of jobs and economic opportunities to the Central Coast.
- Kurt urged Congress to "go big", pushing a balanced approach for more than \$4 trillion in deficit-reduction over the next ten years.

Putting Oregon First

- Kurt holds community meetings throughout the district, homeowner workshops to help families avoid foreclosure, and formed a workgroup of small business owners in the district to come up with legislative solutions to the problems of access to capital.
- He cut through red tape for constituents, winning back over \$1 million in stalled Social Security payments for our seniors, denied VA benefits for Oregon's warriors, and delayed IRS refunds.

"Thank you for the opportunity to be a voice for Oregon values and priorities. I would appreciate your vote -- there is much more work to do." -- Kurt

Prior Governmental Experience: State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler." Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

Educational Background: University of Virginia Law School J.D.; Brown University B.A.

Prior Governmental Experience: U.S. Department of Justice

The Best Experience**The Right Priorities****Endorsed by 46 Oregon Sheriffs and District Attorneys**

Why does Dwight have the overwhelming support of Oregon's law enforcement community? Because he has the experience, priorities and track record we need.

Keeping Us Safe

Dwight Holton was a tough federal prosecutor and served as United States Attorney for Oregon. Over the last 15 years, he appeared in court over 1000 times, prosecuting gang kingpins, mortgage fraud, and drug traffickers.

"Dwight Holton's integrity, courtroom success and good judgment make him the clear choice for Attorney General."

Multnomah County District Attorney Michael D. Schrunk

Preventing Crime Before It Starts

Oregon's teachers endorse Dwight because he knows it's not enough to be tough on crime — we must be smart as well. He demands drug addiction prevention and treatment to address root causes and break the expensive, destructive cycle of crime.

Protecting Kids and Families

A father of two young children, Dwight is especially protective of vulnerable kids and families. He helped crack down on sex offenders who use the internet to prey on children and made it a priority to get illegal guns out of the hands of domestic violence abusers.

"Dwight is a tremendous advocate for victims of abuse and violence. We can count on Dwight to put people first."

Anne Pratt, Vice President, Crime Victims United

Champion for Consumers and the Middle Class

Dwight cracked down on mortgage and securities fraud and scams that threaten people's life savings and jailed corporate polluters.

"Holton has built a reputation as a dogged prosecutor of environmental crimes and those perpetrated by white-collar criminals."

Prior Governmental Experience: Stayton City Councilor January 2007-January 2011

Senate District 9 is a vast geographical and economically diverse area.

Our region is rich in natural resources which provides jobs, recreation and opportunities.

There is enough to go around, but many aren't benefiting from the bounty.

Our schools are in trouble.

Our education system will serve us better when it receives funding it can count on to make our classrooms safer.

But Senator Girod voted "NO" on Appropriations of Funds to Education (SB 909). He was one of two who voted "NO" on the expansion of bullying laws (HB 2599).

You probably know seniors or disabled individuals who are having a hard time doing without services because of reduced funding.

These cutbacks make it tough for homecare workers and others to do their jobs.

"...Frank passionately represented all the citizens of Stayton... he introduced a resolution supporting the continual funding of Oregon Project Independence...the program which keeps seniors and people with disabilities in their homes."

Stayton Mail-10/20/10 Lee and Catherine Hazelwood

The legislature must continue to address the deficiencies of our current healthcare system. The 2012 session will have a plan introduced by our Governor.

But Senator Girod voted "NO" on funding oversight (HB 2009). He was in the minority when he voted "NO" on funding the All Oregon Children Program (HB 2116).

As your Senator, my voting record will reflect your concerns about how we take care of each other. I will represent ALL citizens of Senate District 9 equally.

"...Frank is a rarity, an elected official who puts community interest above politics."

Ginny Burdick has served in the Oregon Senate since 1997, and was elected President pro tempore in 2011. She also served as chair of the Senate Judiciary Committee for the 2005 and 2007 legislative sessions and has chaired the Senate Finance and Revenue Committee since 2008.

Ginny Burdick is a strong voice in the State Senate for education, the environment, civil rights, tax reform and sensible gun laws. Here are some of the areas where her leadership made a difference:

- Strong laws to curb the methamphetamine epidemic in Oregon by virtually eliminating home meth labs and increasing funding for Drug Courts.
- Legislation to prohibit discrimination against sexual minorities and allow same-sex couples to form domestic partnerships.
- Legislation to make crosswalks safer for pedestrians by requiring motor vehicles to stop and remain stopped.
- Legislation eliminating tax credits that no longer can demonstrate a clear benefit for Oregon taxpayers.
- Legislation to make bars, taverns and bingo parlors smoke-free.

There remains much work to be done. If voters return her to the Senate, Ginny Burdick will continue her important work to stabilize Oregon's finances with a robust emergency reserve fund. She will fight to increase and stabilize funding for education. She will continue to push for stronger gun safety laws, especially ones to protect Oregon children and schools from gun violence. She will advocate for tax policies and incentives to encourage job growth and economic development, not only in her Senate District but throughout Oregon.

Independent Ideas that Work for Oregon

Making it her business to protect jobs

As a small business owner, Margaret knows small companies drive our economy. That is why Margaret helped create programs that increase small business's access to capital so that they can put Oregonians back to work. Margaret also supported bills that will streamline our economic development money in order to ensure we get the most impact out of it.

Ensuring Oregon's public schools make the grade

A former high school teacher and an education advocate for over 30 years, Margaret knows how important it is to stand up for our schools. Margaret has spent her time in the Legislature fighting against teacher layoffs that are causing increased class sizes.

The healthcare crisis is too real for too many Oregonians

As a member of the Healthcare Committee, Margaret has worked to help fix our broken system by supporting landmark healthcare bills that will bring down cost and increase coverage. She has stood up to the insurance lobby and supports the Attorney General going after insurance companies that commit fraud.

Keeping Oregonians in their Homes

Margaret has seen the pain that foreclosures have brought to communities, and that is why she is working hard to defend people's right to keep their homes. She helped pass a new law that makes banks meet and negotiate with homeowners if they are facing foreclosure or if they are underwater on their home loans.

She's about people. Not politics

"Too many elected officials play politics with our future. We need independent thinkers with new ideas. I reach across the aisle to find bipartisan solutions for our families, because for me, it's about making our community a better place to live"

Effective Oregon Leadership

Dear Neighbor,

There was a time when Oregon's legislature provided leadership to build a better future. Instead of gridlock and partisanship, we built and repaired our transportation system, supported our schools, community colleges and universities instead of disinvesting in them.

I was proud to be a part of that kind of Oregon leadership. Working with colleagues from both parties I helped:

- Forge policies that resulted in the creation of the "silicon forest," making Oregon a world leader in high tech manufacturing.
- Simplify the tax code - removing loopholes, lowering rates and providing incentives for new investments.
- Create workforce-training programs to prepare workers for the new economy and made the hard decisions to invest in our transportation system.
- And as Metro Councilor I worked successfully to have balanced policies that encouraged economic development and jobs while protecting the quality of life and natural heritage that defines our part of Oregon.

We can get back to leadership that works for Oregon and gets Oregon working, especially for middle class families that have been squeezed by the recession and who deserve an even playing field. We need to reinvest in our education system, rebuild our infrastructure and position Oregon's economy to compete and succeed— especially in the new high-tech and green economy where we already excel.

I am proud of my record of getting things done for Oregonians and the people of our community. I ask for your support so that I can use my skills and experience to get us back on track.

Sincerely,

Carl Hosticka

Representative Chris Garrett — Moving Oregon Forward

Prioritizing Schools. A product of his own neighborhood public schools, Chris puts education first. He held the line on funding for K-12 during the most challenging budget climate in recent history. He also supported legislation that promotes energy efficiency, seismic, and weatherization upgrades at Oregon schools, making kids safer and creating jobs in communities across Oregon.

Affordable Health Care. Chris supported passage of the Oregon Health Insurance Exchange and the Health Care Transformation Act, critical steps forward in providing more Oregonians with affordable care. Chris also helped pass the 2009 Healthy Kids program, which has extended coverage to 95% of Oregon children.

Protecting Homeowners. In the final days of the 2012 session, Chris negotiated important foreclosure reforms that will expand options for struggling homeowners, require banks to sit down with borrowers in mediation, and end the abusive "dual track" process.

Historic Redistricting Plan. As Co-Chair of the House Redistricting Committee in 2011, Chris led the passage of bipartisan legislative and congressional redistricting plans for the first time in a century.

Getting Smart on Crime. Appointed by Governor Kitzhaber to the Commission on Public Safety, Chris is working on reforms that will make Oregon safer and save tax dollars by preventing future crime.

Brent Barton for State Representative Oregon Leadership for Oregon's Families

Brent Barton grew up in small town Oregon. Brent understands Oregonians' values and priorities because he was raised with them.

The Right Experience

In the private sector, Brent worked with Oregon companies to solve complex business problems — experience that the legislature needs to help improve Oregon's economy. Brent also works with injured Oregonians to ensure they are treated fairly by insurance companies.

A Record of Leadership

As a State Representative, Brent Barton earned a reputation as a champion for middle class families, seniors and small business.

Supporting Jobs and Small Business — Brent wrote HB 3644, which gives small businesses tools to compete, succeed and create jobs and opposes tax breaks for companies who ship Oregon jobs overseas.

Watching the Bottom Line — Brent voted to cut 2 billion dollars in government spending to prioritize schools and other vital services and put state spending online where the public can see it.

Protecting Our Communities and Kids — Brent toughened punishment for sex offenders who victimize children and co-wrote legislation cracking down on metal theft that fueled the drug trade. He also helped pass Healthy Kids, providing health coverage to 80,000 children.

Defending Seniors and Veterans — Brent protected Oregon Project Independence to keep seniors living independently in their homes instead of being forced into nursing homes. He improved access to education, health benefits and job opportunities for our returning troops.

Cracking Down on Financial Abuse — Brent strengthened consumer protections against banks, credit card companies and collection agency harassment. To lower the cost of health care he voted to require insurance companies to justify rate increases.

Shemia Fagan

Occupation: Business Attorney

Occupational Background:

Educational Background: The Dalles High School; Northwest Nazarene University; Lewis &

Clark Law School

Prior Governmental Experience: David Douglas School Board

I'm Shemia Fagan and I would like to represent you in the Oregon House.

I was raised by my dad in eastern Oregon. As a single dad raising three kids, my family struggled to make ends meet. But I was lucky. Between my dad, our family, and our church, I always had a safe place to go after school, help with my homework, and enough to eat.

My dad drilled into us that education and hard work paved the road out of poverty. My older brothers and I listened and today, we've built successful careers—mine as a business lawyer and my brothers in the trades. Hard work, great schools, and support from our community made that happen.

Today, I worry that the same opportunities that helped my family won't be there for Oregon kids. **I'm running because I believe I can help change that.**

As an elected volunteer on the David Douglas School Board and a business lawyer at Ater Wynne, I see firsthand the impact a shrinking economy has on families and businesses in Oregon.

- I'll focus on **job creation** by getting more money into the pockets of regular families who will spend it in the local community.
- I'll give **small businesses** a level playing field by holding unscrupulous corporations accountable when they cheat.
- I'll fight to bring back the same **great schools** that Oregon gave me— both for our kids and for the Oregon businesses who hope to hire them someday.
- I'll work to give shoppers a **fair marketplace**, so we are not tricked by misleading terms and fine print.

We deserve better than politicians who only serve the loudest and wealthiest among us.

I know that strong leadership begins with listening.

And that's why I'm asking for your vote.

Please join the conversation at www.ShemiaFagan.com.

PROVEN EXPERIENCE - PROGRESSIVE LEADERSHIP

Investing in Oregon:

By investing in our roads, bridges and other local infrastructure projects we will be adding jobs as we lay the foundation for tomorrow’s economy. We can create jobs in our communities by targeting state resources to give our **small businesses the access to capital** they need to grow.

Education:

Every Oregon child deserves not just a quality education, but a chance to further his/her education beyond high school.

As a school teacher, I saw the challenges students face. By offering easier **access to technical training and community colleges**, we can make it possible for every student to excel. I supported the founding of Mt. Hood Community College and am proud to have **served as one of its initial board members.**

Environment and Natural Resources:

Within one of the most beautiful states in the nation, we are blessed to live in the most beautiful district. As a legislator, I recognized that protecting our environment should be done at all levels, and could be done effectively with rational laws. I am very proud to have passed **the ORIGINAL bottle bill**, the one that set a mark for Oregon and for the nation.

Civil Justice:

I am appalled by the legislative assault on women’s rights in Washington DC and many states. In the Oregon legislature, I successfully worked to equalize the playing field for women, and will continue to **fiercely defend a woman’s right** to her own health care choices. Equal rights, access and responsibility are concepts I hold dear for all our citizens.

I am running because I believe we need a representative that will be our voice, the voice of middle class families in Central Oregon. As your elected official it is my duty and obligation to represent the families of District 59 and Oregon. I promise to make your priorities my priorities. As your Representative I will work on:

Jobs: Because small businesses are the backbone of our economy, it is important that Oregon is open for business. The government needs to be a partner in economic development by allowing Oregon businesses to grow and hire employees by cutting red tape and making sure we don't increase taxes on businesses that keep our economy going.

Control Spending: In order to protect services like education, we need to control spending and ensure transparency and accountability in government spending. We need accountability and full disclosure on all budgets, including reserves and audit reports, available to everyone.

Education: Stable funding for K-12 and higher education is a must if we want to compete in the global economy, prevent further teacher layoffs, and bring down class sizes.

I hope that I can earn your support.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

To get involved, contact us at:

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

United States President

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

Are you tired of watching America fall?

Shouldn't America return to a Full Employment Policy (3% or less unemployment)--bringing higher wages, increased security, better retirements, less inflation, a brighter future for you and your children?

Do you want to see America again the industrial powerhouse, the moral model, the light and hope of the world?

Does it make any difference to cut or raise this tax or this spending if we send your job overseas? Does it help you if we borrow money to create jobs here if they're filled by illegal immigrants?

Solution--stop sending your jobs and your children's jobs overseas. Stop importing goods made by slave workers and sweat shops overseas that you can't compete with as a worker because you and your family can't live on \$5 a day. Go back to a system of tariffs and encouraging American products and manufacturing, and controlling immigration. The Republican party started out as both the party of the common man and business and it can be so again. Because of the iron law of economics, Supply and Demand, scarcity drives prices up. With a surplus of labor comes mass misery, with a shortage of labor comes mass prosperity. With full employment, employers must compete for your skills, driving wages and benefits up. Yet, business benefits also, because well-paid workers spend more money, creating more business opportunities.

I am pro-life, pro-union (member or former member of AFTRA, IAM, Teamsters, ATU), and pro-American.

I pledge to: end off shoring, end outsourcing, end illegal immigration, restore tariffs, support cheap and abundant energy, Support the Constitution with special emphasis on the First, Second and Fourth Amendments.

Secretary of State**Knute Buehler**

Republican

Occupation: Physician; small business owner; inventor**Occupational Background:** Orthopedic Surgeon; Medical Product Design**Educational Background:**

Rhodes Scholar, Oxford University, M.A., Politics and Economics; Johns Hopkins University, M.D.; Oregon State University; Roseburg High School

Prior Governmental Experience: none**Community Service:** Board of Directors: St. Charles Health Systems; Ford Family Foundation; Oregon League of Minority Voters; OSU-Cascades**AN OREGON STORY**

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

Together we can make this vision work in Salem."

FRED WILL FIGHT FOR JOBS**A Strong Steward for Agriculture**

Fred believes agriculture is the foundation of our district's economy and will work to provide a level playing field for our farmers. Fred will work to sustain the will of the voters and protect private property rights.

A Champion for Timber

No one understands better than Fred how hard the decline of the timber industry has hit our local economy. In 2012 he led the charge in the Oregon Legislature to return federal timber lands to Oregonians. Fred wants to clear the barriers to responsible cutting of timber and recognize the value our timber industry brings in terms of jobs, investment, and environmental stewardship.

A Leader for Public Safety

Fred will continue to protect the voter-approved mandatory minimum sentences which put violent offenders behind bars. He will also fight for additional funding to boost the number of Oregon State Police Troopers we have on the roads.

All the things we Oregonians cherish stem from a strong economy. Be it environmental stewardship, better roads, more effective education, State parks, a job or more money in your pocket, only profitable, well-run businesses employing Oregonians, paying taxes and bringing value and income to the cause you hold dear.

Oregon has the livability, the transportation infrastructure, the Pacific Rim location, the resources and the skilled and willing labor force to be an economic powerhouse, and yet, year after year, we consistently place among the states with the highest unemployment in the nation.

Tom Maginnis will advocate for the thousands of working people and small businesses that constitute the backbone of this state and to create a climate that will allow Oregonians to flourish. Tom recognizes that strong businesses create increased state revenue without increased taxes.

We need volunteers to help win this race in November. If you agree with us, join us by writing to Magin49@comcast.net and take back your state.

STEVE NEWGARD IS THE LEADER CLACKAMAS COUNTY NEEDS.

I have lived, worked, and raised my family here in Clackamas County for over 30 years. I understand the heart of the community is its people. As State Representative, I will ensure Clackamas County gets the necessary attention in Salem so we can have lower unemployment, better schools, stronger businesses, effective social services and a thriving economy once again.

STEVE NEWGARD WANTS TO PUT OREGONIANS BACK TO WORK.

Clackamas County needs jobs. As someone who has worked here for over 30 years and runs a small business, I understand firsthand how a struggling economy affects every aspect of our lives and our community. I will use my experience as a business owner to find solutions that encourage private sector job creation in Clackamas County and throughout Oregon.

I will support policy that focuses on strengthening local businesses and helping employers here in our own community. When we can get people back to work, we will see Oregon begin to grow again.

STEVE NEWGARD KNOWS OUR FOCUS NEEDS TO BE ON PROVIDING QUALITY EDUCATION.

Our kids deserve better from our schools—plain and simple. We need to focus on where funding is going and ensure it is being devoted to improving the quality of education we are providing in the classroom, from K-12 all the way through our higher education options.

It's time to raise the bar on what we expect out of our teachers and schools so the next generation has the same opportunities we've had to succeed. When elected, I will ensure that I work to ensure we put kids, not politics, at the forefront of our decision-making.

"Men ought to be free" embodies what I feel is the solution to the root problem that afflicts our society and government. For the past thirty years, we have instead said, "Men ought not to be free". We have created licensing regulations, put up barriers so that working Americans can't attain the American Dream, and government, instead of being of the people and for the people, has been in control of the people.

Republicans have said they stood for smaller government before, and when elected, instead increased it. Democrats have forsaken traditional liberalism, and instead of standing for the freedoms of citizens, have increased the burdens upon our citizens. They all have been tainted by politics, are unable to see new solutions, and we need change.

I will be that change. I will fight for the disbanding of state agencies that, in addition to being wasteful of taxpayer dollars, violate citizens' rights daily. I will call upon our legislature to recommend to the U.S. Congress that they repeal the highly invasive USA PATRIOT Act, which allows the U.S. government unprecedented powers for spying on U.S. citizens, and other federal agencies and laws which violate the basic human rights of all Americans. I will urge our legislature to repeal laws that are redundant, and fight against the criminalization of thought and opinion.

Oregon needs representatives who fight for the freedom of the citizens. I will fight to reduce government excess. I ask you to please join me.

Oregonians share a common desire to enjoy the natural beauty and abundant resources with which we are blessed and to participate in a growing economy marked by innovation and stability. As the father of three beautiful children, I am especially focused on leaving a better Oregon for future generations.

The McMenammin Family name is familiar to most Oregonians, noted for its entrepreneurial spirit, a rich tradition of job creation and investigative journalism. In this tradition I have pursued success in health care as a community and long term care pharmacist.

Like most Oregonians, I am deeply concerned about the state of Oregon's budget and spending priorities. Spending has grown alarmingly in recent years with little to show for it. A simple pie chart reveals that nearly half of all governmental spending in Oregon is designated for 'other'. Oregon's government has lacked accountability and transparency.

As your State Representative, I will work to restore appropriate spending priorities in Salem. The legislature has held schools and public safety hostage every time they want more revenue for non-essential programs. Spending has increased dramatically while the quality of core government services has decreased significantly. Too many agencies are ineffective and inefficient with little or no legislative oversight.

As your State Representative, I will work to promote job growth and long-term economic stability. Regulations should guide, not restrict, and tax policy should encourage, not discourage, entrepreneurial risk-taking and small business creation

Thank you for your vote as together we work to restore Oregon's vibrancy and promise for future generations.

Patrick Sheehan

Prior Governmental Experience: State Representative

Creating Jobs for Oregonians

As your State Representative, I've brought an attitude adjustment to how government treats small businesses. **We need to thank businesses for being brave enough to do business here**, not suffocate them with taxes and regulation. **I've intervened on behalf of local businesses** when they were bullied by state agencies, slashing unfair penalties and punitive bureaucracy on a case-by-case basis. I voted against regulations that would have interfered with our economic recovery, and supported dozens of bills to stimulate private sector growth.

Education First

I voted to fund education before anything else in the state budget. Not only did we prevent the K-12 budget from being used as a political football, we funded it with \$100 million more than the Governor's recommendation. I voted for the historic education reform package that supports school choice, charter schools, and sets statewide goals for high school and college graduation rates.

Protecting Veterans and Seniors

I was chief co-sponsor of the Funeral Civility Act, which protects grieving families from funeral protesters, and voted to allow construction of two new veteran's homes. I toughened penalties for elder abuse, and fought to support Oregon Project Independence funding to help keep seniors in their homes.

Your Personal Advocate

I want to hear from you. When you're stuck and getting nowhere with the bureaucracy of state government — **I hold the responsible parties accountable and advocate for your best interests.**

Economic Development & Job Creation

As a small business owner, I understand the relationship between private sector job creation and economic growth. That's why I supported extending Oregon's Enterprise Zone program and will continue to support sound economic policies that create jobs in hard-hit communities.

I supported legislation to streamline approval of certain industrial projects and help Oregonians get back to work in manufacturing, energy and other key industries. I will continue to encourage the sustainable development of Oregon's abundant natural resources that will lead to family-wage jobs.

Improving Education & Focusing on Kids

We passed significant legislation that has begun the process of transforming our schools and entire public education system for the benefit of our kids. The package included measures to promote school choice, provide additional means of access to education, and to support the development of stronger educator evaluation measures focused on raising student achievement in our schools.

As Co-Chair of the Higher Education Committee, I've been able to make real progress in reforming our public education system. I am working with education leaders to expand access to Oregon universities, community colleges and workforce development programs, and to keep the costs of higher education down.

Smarter Spending & Accountability

We need to be accountable for how Oregonians' hard-earned tax dollars are being spent. As State Representative, I helped reduce state spending and we balanced the budget without raising your taxes. I also supported measures to cut wasteful spending and redirect savings to essential services.

By agreeing to live within our means, Oregon's businesses and taxpayers will be spared additional tax hikes and will be able to hold on to their hard earned incomes as we slowly begin to emerge from this recession.

Jobs and Economy

Private business has always been the economic engine. Remove Government interference and over-regulation and allow Oregon businesses and entrepreneurs to put Oregon back to work. As a small business owner, I understand what it takes to create jobs.

Fiscal Responsibility

We cannot spend our way to prosperity. I've been saying that Oregon doesn't have a revenue problem, we have a spending problem. We must control and prioritize spending. Continue changing our budgeting process, moving away from automatically increasing budgets. I've consistently voted against wasteful spending and the dangerous practice of over-borrowing.

Limited Government

I believe the growth and overreaching control of government has caused many Oregonians to question the direction we're headed, and they say "Enough!" A serious conversation has begun regarding the size and reach of government in Oregon.

Personal Freedoms

You know what's best for you, your family and your property, not lawmakers and agencies in Salem. From how and where to spend your money to educating your kids, the freedom to choose should be yours.

My Commitment

I consider it a privilege and an honor to represent my constituents of District 59. I will continue representing everybody in the district regardless of your political affiliation; not partisan politics, but fair and balanced representation.

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

EXPECTED TO EXCEL:

October 6, 2000, the Oregonian predicted:

"[Norby] would bring new ideas, energy and enthusiasm to the Clackamas County Courthouse. She'd take the unusual step of allowing jurors to ask questions in her courtroom. She is interested in..."court school" for young children... worthwhile ideas that may improve the court system in Clackamas County and elsewhere."

CHOSEN BY VOTERS:

Voters chose Judge Norby over another candidate in 2006, making Norby the first woman ever to win a contested judicial election in Clackamas County.

"I work hard each day to be worthy of the voters' faith in me."

-Hon. Susie Norby

FOCUSED ON CHILDREN:

As Regional Coordinator of the Classroom Law Project's High School Mock Trial Competition, host of 4th grade mock trials, and "Read To Me" volunteer, Judge Norby helps children learn about court:

"I love the way Judge Norby talks to children. She chooses her words carefully and thoughtfully, and answers their questions without talking down to them."

-Karen Levine, Third Grade Teacher

PRAISED BY JURORS:

"We served as jurors in Judge Norby's courtroom on a nine week trial. Judge Norby was respectful, fair and decisive. Every time our jury entered and left the courtroom, Judge Norby stood and made everyone else stand too. She allowed us to ask questions of witnesses. She explained every aspect we needed to understand, even after the trial ended. Please vote with us to keep Judge Norby!"

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 27 and May 1, 2012. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 4th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at oregonvotes.org.

What if I have moved and have not updated my registration?

If you were registered to vote by April 24 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.org or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 45¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.org or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:

Secretary of State, Elections Division
255 Capitol St NE, Suite 501
Salem, OR 97310
