ROBERT TAYLOR
DEPUTY SECRETARY OF STATE

DIRECTOR

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, O, P, C, L, E, R, N, X, T, B, O, J, K, S, F

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.gov.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 15. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States Senator

Monica Wehby

Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:

We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit www.OregonsNextSenator.com.

As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.

Before considering how to vote, every bill must be:

Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

Humbly I ask for your vote.

Mark Callahan

Republican

Occupation: Information Technology (IT) Consultant

Occupational Background: IT industry consulting/permanent positions, at local/national companies, over 13 years.

Educational Background: B.S. Business Administration / MIS, Pre-Law Minor, OSU – Corvallis, OR; MCP, MCSE Training Program, THE COMPUTER INSTITUTE – Rockville, MD

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate**. Thank you and May God Bless America.

United States Senator

Timothy I Crawley

Republican

Occupation: Attorney

Occupational Background: Nichols & Associates

Educational Background: U.C. Hastings, J.D.; Williams College, B.A.

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

CONSERVATIVE.**

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

Career politicians work to enhance their own careers. They lose interest in the problems of Oregonians. Art Robinson understands these problems. He will work with all principled people regardless of party ideologies to find solutions for our soaring debt, unsustainable over-spending, and unworkable regulations.

RESTORING OREGON'S JOB-PRODUCING ECONOMY

We must create jobs in Oregon by ending the deals politicians make with banks, corporations, and other special interests outside of Oregon. These deals provide campaign cash for incumbents, but kill jobs and impoverish our people. Our economy must thrive for the people of Oregon.

QUALITY EDUCATION FOR ALL

As a life-long educator, Art understands the plight of our young people and our teachers. Art and his family have given more than \$600,000 in scholarships to K-12 students and worked for decades to improve both university and K-12 education. While opponents complain (with misleading excerpts) about Art's occasional strong comments in this cause – made out of his concern for our students, Art continues to work tirelessly to improve education.

HONORING OUR OBLIGATIONS

Social Security, Medicare, Veterans benefits, and O&C timber contracts must be honored in full. The partial payments Congress substitutes are unsatisfactory.

Art Robinson, a full-time 33-year Oregonian, will work to strengthen our state and safe guard the freedom and prosperity of Oregonians. Art knows our difficulties and, he wants to help. Governor

Gordon Challstrom

Republican

Occupation: Retired

Occupational Background: Commercial Contractor

Educational Background: University Nevada-Reno; Bachelor Degree in Business

Administration, minors in economics and international management

Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should *protect* private property rights, not *undermine* those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Occupation: Gubernatorial Candidate**Occupational Background:** CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004**Educational Background:** Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School**Prior Governmental Experience:** None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making *Oregon* an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

As Governor, Tim Carr will focus on:**Economic Prosperity:** Attract (*aka STEAL BUSINESSES*) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.**Education Strength:** Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.**Government Spending:** Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.**PERS Reform:** Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.**Environmental Stewardship:** Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.
- Tim Carr - www.TimCarr.com

Republican

Occupation: Businessman, State Representative**Occupational Background:** Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.**Educational Background:** BYU, J. Reuben Clark Law School**Prior Governmental Experience:** City Councilor, School District Budget Committee, Oregon House of Representatives.**Community Service:** Boy Scout and church youth leader, volunteer soccer coach, veteran.**Vision & Leadership**

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

It's Your Money – Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

Balancing Priorities

We can protect our environment and our jobs. My policy will be simple – I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

ELECT CHERYL MUELLER

Your education champion in Salem

Committed to Our Community

Cheryl has lived, worked, and raised a family in Lane County for nearly three decades. She knows first-hand that our communities and families need stronger schools and stable jobs to provide a brighter future for our kids. She believes we need leaders in Salem who will listen to the challenges facing our community, roll up their sleeves and get to work.

Bipartisan Solutions for Schools

As a school board member and a mother, Cheryl has seen the disconnect between our schools and politicians in Salem with burdensome, intrusive policies and lack of sufficient funding. Our kids deserve bipartisan solutions to the problems we face. As a former Cottage Grove School Board Member, Cheryl has the experience and knowledge to make full funding for our schools the top priority.

Empowering Small Businesses

Douglas and Lane Counties have suffered throughout the economic downturn because of failed leadership in Salem. By reducing the burdens on small businesses locally and across Oregon, we can create lasting, family-wage jobs that empower our neighbors and strengthen our economy.

Fighting for You in Salem

"I believe we need a State Senator who knows the needs of our kids and classrooms and is willing to make them a priority with their vote. A lot of politicians give K-12 education lip service, but it takes a mother and education advocate to vote for the level of funding our schools need and deserve." Cheryl Mueller

Cedric also donates time through his non-profit *Caring Hand to Mouth* to low income families who cannot afford dental services.

A Conservative Who Wants a Better Economy and More Stable Schools

Oregon is not a business friendly state and Cedric would like to see that change—especially for our rural communities. He has the experience of running a business with over 150 employees and knows firsthand how difficult it can be to navigate through state regulations. Helping small businesses succeed is a top priority for Cedric because he believes a stronger economy will mean more stable schools.

More Taxes is NOT the Answer

A Conservative Focused on Job Creation: The private sector creates jobs. **The government does not.**

Government Needs to be More Accountable: Judge government programs on results. Ineffective, inefficient programs should be defunded.

A No Compromise Candidate on Second Amendment Rights: Our Second Amendment rights are vital to **America's** future. **We cannot** rely on the government to protect our homes and **families**.

Supports Truth in Accounting: Currently Oregon has a 1.5 billion dollar shortfall **representing** costs that have been pushed into the future. **Future** generations will pay **for benefits they will never receive**. **Since** employee retirement benefits are **a liability far into the future**, the state ignores these costs when calculating balanced budgets. **Jason** believes that the state of Oregon should be honest about **its financial** picture. **Hiding Oregon's future liabilities and burdening future generations is dishonest and immoral.**

Salem is failing Oregon. The open arms adoption of progressive democratic policies is wrong, and must be fought against in order to save our state. When we fight, and win at the state levels, we can begin to save our nation. My core mission as state representative is to fight for the business owner, and the individual to significantly reduce your taxes.

To fight for our education woes against the disastrous and dangerous mandated curriculum of common core.

To bring relief to Oregon's Veterans as they deserve, and have earned with the selfless sacrifices made that most cannot possibly fathom. The VA has failed Oregon's Veterans and I desperately want to help.

To restore, and to defend your liberty. The average, hard-working Oregonian's freedom is being constantly attacked all in the name of safety and security. That somehow your safety is superior to your natural rights and that creating more laws intended to prevent criminal activity will somehow keep you safer and more secure. This is a dangerous and flawed concept, and will only lead us further into tyranny.

I fight for Liberty, and I fight for the Constitution!

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

For more information, please call state party headquarters (503) 595-8881; e-mail info@orgop.org; or visit our website at www.oregonrepublicanparty.org.

United States Senator

Jeff Merkley

Democrat

Occupation: U.S. Senator

Occupational Background: Executive Director, Portland Habitat for Humanity; National Security Analyst, Pentagon and Congressional Budget Office; President, Oregon

World Affairs Council

Educational Background: David Douglas High School; Stanford (B.A., International Relations); Princeton, (M.A., Public Policy)

Prior Governmental Experience: House Speaker, 2007-2008; House Democratic Leader, 2003-07; House Member, 1999-2008

Jeff Merkley's Agenda For Oregon Families

- Create good paying jobs
- Make college more affordable
- Take on the special interests to reform Washington
- Protect Social Security and Medicare

Fighting For Middle-Class Families:

In a Congress that seems to be filled with champions for the special interests, Jeff Merkley consistently fights for Oregon's middle-class families.

- Son of a millwright, Jeff knows the value of a good-paying job and has fought to create living-wage jobs in Oregon.
- First in his family to go to college, Jeff has voted to keep college loan interest rates low and has a plan to make college affordable.
- A long-time consumer advocate, Jeff has taken on the big banks and Wall Street to protect middle-class families from their predatory practices.
- A champion for our seniors, Jeff has strongly opposed attempts to privatize Social Security and Medicare.

Taking on the fights to protect Oregon values:

- Jeff has fought to protect a woman's right to choose and to ensure women have access to affordable and safe healthcare.
- In the Senate, Jeff has led the charge for equality with workplace protections for the LGBT community and support for marriage equality.
- Jeff supports equal pay for all; one of his first acts as Senator was to vote for equal pay legislation.

"Senator Merkley has been a terrific partner fighting for Oregon's middle-class families and working to create good-paying jobs. He has been an outstanding champion for Oregon values. I look forward to continuing our work together to make sure Oregon is a great place to live and work."

Representative in Congress, 4th District

Peter A DeFazio

Democrat

Occupation: U.S. Representative

Occupational Background: Chair, Lane County Commissioner, U.S. Air Force Reserve

Educational Background: Tufts University, University of Oregon

Prior Governmental Experience: Chair, Lane County Commission

CREATING JOBS FOR OREGONIANS

DeFazio has led the fight to increase investment in our crumbling transportation infrastructure that will create thousands of jobs for Oregonians, increase safety, and improve America's competitiveness. He supports water resource development legislation to improve our ports and bring jobs to Oregon's south coast.

FIGHTING FOR AMERICAN WORKERS

DeFazio has fought every job-killing "free trade" agreement, including the new Trans-Pacific Partnership, which will undermine middle class jobs and wages, worker safety standards, weaken environmental protections and threaten internet freedom.

PROTECTING SOCIAL SECURITY

DeFazio has been a consistent supporter of efforts to protect Social Security and is endorsed by the National Committee to Preserve Social Security and Medicare. He supports an improved annual cost of living adjustment and has proposed legislation to guarantee Trust Fund solvency by having the wealthiest millionaires pay the same rate into Social Security as the average American worker.

STANDING UP TO WALL STREET

DeFazio fought the financial deregulation that led to our country's economic collapse and opposed the massive Wall Street bailout.

SUPPORTING EQUALITY FOR ALL

DeFazio advocates for fairness and equality for all Americans. He is a proud sponsor of the Employment Non-Discrimination Act, ensuring that all Americans are treated equally in the workplace. DeFazio was an early endorser of Oregon's United for Marriage ballot measure.

FIGHTING CLIMATE CHANGE

DeFazio supports strong action to combat climate change including the Obama Administration's efforts to reduce power plant emissions. He will continue to fight attempts in Congress to weaken our nation's most important environmental laws.

NO TO PAY RAISES, YES TO SCHOLARSHIPS

DeFazio has opposed every congressional pay raise and, by the end of 2014, will have contributed \$378,000 of after-tax salary to fund 237 scholarships for dislocated workers at community colleges in Southwest Oregon and to reduce the national debt.

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have **one of the nation's fastest-growing state economies.**

We are reinvesting in our schools, adding over \$1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that **lowered the cost of state government.**

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We've accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

Re-Elect Senator Floyd Prozanski to...

...Strengthen Public Education

A quality education system provides opportunity for all and ensures Oregon's economic growth. As your state senator, I will continue to make funding our schools a top priority. We must stabilize funding to public schools so that we can reduce K-12 class sizes and restore days to the school year. Funding education is a very wise investment: Studies have shown that for every dollar spent on education, we save at least \$15 in the criminal justice and social service systems.

...Promote Family-Wage Jobs

I always fight for family-wage jobs and rural economic development. I support investing in Oregon jobs, such as improving our infrastructure to provide jobs today and a better future for tomorrow. I have repeatedly supported the expansion of small business loans and increased job training opportunities to help put people back to work. I oppose "outsourcing" Oregon jobs.

...Support Seniors and Oregon's Kids

In 2014, I supported an expansion of Oregon's in-home care system to help more families find secure and affordable care for their loved one in need. I also supported legislation to feed hungry children at schools during the summer months.

...Protect Our Communities

Criminals must be held accountable. I support swift, certain and appropriate sanctions. I also realize that we must emphasize early intervention and prevention programs for at-risk kids.

Please contact me at [541-342-2447](tel:541-342-2447) or floydp@efn.org with your ideas and concerns. With your support, I will continue representing our district with a strong, independent voice of reason.

As a direct descendant of one of the earliest pioneer families in Douglas County (the Yokums in Canyonville, 1854), it breaks my heart to see what has happened to our economy and our families. The boarded up store fronts in Glendale and Riddle, and Myrtle Creek, hurts me deeply. Even Roseburg's downtown has numerous empty stores.

Well, I intend to do something about this. I will use my education and training to build grassroots economic development teams in every town in the County. These teams will create a few new jobs in each town. Jobs that can't be outsourced. Jobs that aren't tied to the timber industry. Jobs that will help keep our younger generation home, where they can help build our futures. Together we can call on our pioneer spirit, and we can rebuild our economy ourselves!

WE CAN DO THIS OURSELVES!!

TOUGH DECISIONS, TOUGH WORK, AND A BRIGHT FUTURE

I've worked hard all my life to help build strong families and to promote a healthy, thriving community. Now, I'd like the opportunity to serve Oregon, and to make a better life for every citizen in House District 2.

Oregon faces huge challenges, and these are especially intense here in southern Oregon: we have more unemployment, worse health and poverty. Our schools rank lower than most of Oregon, America, and much of the developed world.

The fact is that we are smart, hardworking Oregonians, who want a better life for ourselves and our families.

We deserve a government that listens, that works as hard as we do, and works for us, not for special interest groups. We need representatives who don't take money from big corporations and don't shame us with their personal behavior.

We need to seek solutions that involve good ideas of every political party. With every solution involves understanding the problem and working hard to achieve the best outcome for all citizens.

Employment, education, and health are the foundation for our future. Oregon has re-engineered health care, and invested in the spectrum of pre-kindergarten through college education.

FRESH VOICE, AND A NEW LEADER FOR RURAL OREGON.

Re-elect Chief Justice Tom Balmer to Oregon's Supreme Court

In 2012, Tom Balmer's colleagues on the Oregon Supreme Court showed their confidence in his judgment, leadership, and legal skills by selecting him to serve as Chief Justice. In that role, he has led the Oregon courts through a difficult budget climate by carefully managing limited resources, adopting technology innovations that work, and improving court efficiency. Chief Justice Balmer has traveled the state to visit local trial courts and seek ways to improve access to justice for all Oregonians — while carrying a full workload of opinions and rulings on the Supreme Court. That performance is no surprise. Since 2001, Tom Balmer has served on Oregon's Supreme Court with distinction, exhibiting fairness, intelligence and an extraordinary work ethic.

Experience

The foundation of Chief Justice Balmer's success is his hands-on experience in the key areas the Supreme Court deals with every day. He has tried jury cases, argued before the U.S. Supreme Court, advised individuals and business clients on a wide variety of matters, and counseled elected and government leaders on constitutional and public law issues. As Deputy Attorney General, he argued criminal, election and constitutional law cases in Oregon and Federal courts. Tom Balmer's reputation as a thoughtful scholar and practical problem-solver is well known. His broad, well-rounded experience and integrity has earned widespread support.

Broad Support

It is a mark of Tom Balmer's fairness and integrity that he has earned the support from across the political spectrum and from all parts of the legal profession.

He was often brought in on troubled cases to overcome procedural threats of dismissal and assure clients of their "day in court" on the merits of their cases.

Appointed in 2013, Judge DeVore stresses that a judge must listen, be patient, fair, and open-minded, see through the fog of conflict, know well the facts and law of each case, care about people, and work hard to see justice achieved. In Oregon, we have a right to expect that and nothing less.

A judge should be able to listen well, discern facts, have compassion for others, practice patience, and make decisions without concern of outside influence. In addition to ensuring that the rule of law is followed, it is important for the parties who come before me to know that they were heard. This should be done with efficiency and without delay in order for justice to be served.

Ann Marie Simmons

Nonpartisan

Occupation: Circuit Court Judge, Douglas County

Occupational Background: Deputy District Attorney (1998-2010); Public Defender (2010-2013); Circuit Court Judge (2013 - present)

Educational Background: Washington University School of Law, J.D. - 1998; University of Kansas, B.A. - 1992

Prior Governmental Experience: N/A

It is a great honor to serve the citizens of Douglas County as a Circuit Court Judge, and I take my job very seriously. I know that everyone who walks into a courtroom has a case that is important to him or her, and I believe that the opportunity to be heard is key to the integrity of our judicial system. People must be accountable for their actions, and the system must be accountable to the people.

In the past 16 years, I have been in a courtroom almost every single working day. As a judge, I have handled a variety of cases including criminal cases, parenting rights cases, divorces, custody cases, and others. It is a privilege to work in our judicial system, and I am reminded daily that our system works because of the people who work in it and the citizens who participate.

Outside the courtroom, my husband and I enjoy rearing our family in Roseburg. We see there a community with values that are similar to what we embraced growing up in rural Kansas. I believe in giving back to our community, and I serve as a Cub Scout leader, a member of the school board for St. Paul Lutheran Church and School, and a volunteer for events at the Boys & Girls Club of the Umpqua Valley.

recognized Pure Bred Cattle Ranch;

Educational Background: I graduated from Marshfield High School and attended leadership and officers recruiting school in the U.S. Navy.

Community Activities:

Darlene and I have been very active in the 4H and FFA programs since 1979. We helped start the 4H and FFA animal auction at the Coos County Fair. We are very proud of this program that helps area youth.

I have worked for many years with the County and the Bureau of Land Management on different projects and have developed a good relationship with both.

By using methods I have suggested the board of Commissioners have been able to add 12.6 million dollars in revenue to the County budget.

Goals: My goal as Commissioner will be to help Coos County through the difficult budgetary years ahead. I believe this can only be achieved through an open, transparent governing body working WITH citizens to be the best we can be. I do not believe we need part time Commissioners. County Commissioner, Coos County, Position 2

Dale A Pennie

Nonpartisan

Occupation: State Certified

Electrical Inspector and also hold a Journeyman's Certification. I work daily at my profession covering Coos and Curry Counties.

Occupational Background:

Reserve police officer as well as welder, saw mill worker, and engineering technician.

Educational Background: Diploma from Central High School and an Associates of Science in Engineering from Linn-Benton Community College.

Prior Governmental Experience: None.

My name is Dale A. Pennie. I have lived on the Southern Oregon coast since 1983. I believe the people of Coos County deserve better representation at the county level than they are getting. I have spoken with many people and hear the dissatisfaction with our county government. We need living wage jobs and a better police force. People can not raise families and feel safe in their homes with the current atmosphere of the county. There are too many special interest groups controlling our county government and too much greed. This country was founded "For the People" not for politician to put money into their pockets.

I have attended many county council meetings as well as the meeting of other groups trying to make a difference. Every where it is the same, people have good ideas but red tape and bureaucracy stand in the way unless you have the money to grease the political wheel. County government should not stand in your way, but help you achieve your goals without their hand out

I believe the number one priority is to make Coos County government rely on its own resources, not rely on Federal Government for money. We need to create new jobs, take drugs and associated crimes off the streets. We need to educate our children to be prepared for the jobs of the future.

The Government is here to serve the needs of the people, not the needs of the Government. We were founded on "We the People" not "We the government".

I have no special interest except the people of Coos County.

County Commissioner, Coos County, Position 3

Melissa T Cribbins

Nonpartisan

Occupation: County Commissioner

Occupational Background: Attorney, Small business owner, Water Quality Supervisor, Microbiologist

Educational Background: Gonzaga School of Law, JD; Portland State University, BS; Coquille High School

Prior Governmental Experience: Coos Bay North Bend Water Board, Water Quality Supervisor, Spokane, Washington

Melissa Cribbins

I was raised in Coos County and my values and ideals were shaped by the hard working people of the Coquille valley. After I completed my education, I returned home to raise my children, and give them the opportunities and values I had growing up. My husband and I opened a successful small business here, and we appreciate the blessings and challenges of operating a family-owned enterprise.

Stability

Two years ago I began going door to door and talking to people about the direction we were headed and what could be done to improve our county. People want a stable county government that will provide the services they expect. We all want a healthy, vibrant county where our children can return and find good jobs and raise families. We want to preserve our traditional industries of logging, ranching, and fishing and embrace new industries. We want good health care and good schools, safe streets and modern infrastructure. We want Coos County to remain great place to live, work, and play.

Certainty

In order to thrive, we have to achieve funding certainty. As a County Commissioner, I have tirelessly advocated for funding certainty for Coos County. We cannot achieve success if we cannot plan for the future. Funding certainty ensures we know what resources we can plan on for our future.

Communication

One of my goals has been to improve communication both inside and outside the county. We have broken down silos and encouraged departments to work together, resulting in economic efficiencies across the board. I have also worked with community members, legislators, and other County Commissioners from across the state to make sure we are performing as effectively and efficiently as possible.

Educational Background: Southern Oregon University, B.S.

Prior Governmental Experience: Coquille Urban Renewal Board; South Coast ESD Board of Directors; Coquille School District Budget Committee;

Matt Rowe: Effective Leadership for Coos County's Future Neighbors,

Times are tough in Coos County. Unemployment is high, our jail has become a revolving door for repeat offenders, we are told that our county is creeping toward financial collapse, and all we hear from most of those in leadership are excuses. For too long county government has drifted from crisis to crisis, never solving the long term problems we face.

I think Coos County deserves better.

As Commissioner, I will work tirelessly to improve our local economy, get our budget on a sustainable path, and secure badly needed resources for the Sheriff's department to boost patrols and available jail beds.

I have faced challenges like these as a Mayor, and as a member of the ESD Board. I know we can solve these problems, but only if we end politics as usual.

I would be honored to have your vote.

-Matt Rowe

Matt Rowe on the Issues:

- * Attracting family wage jobs to the area must be our top priority.
- * I will oppose any attempt to raise your property taxes.
- * I support the right to keep and bear arms and completing the Tioga Sports Park.
- * I oppose tribal management of the Coos Bay Wagon Road Timber Lands.
- * I support LNG, but believe Jordan Cove should pay their taxes like everybody else.
- * I will vote to repeal the pay increase the Commissioners gave themselves in 2013.
- * I will stand up to defend our loggers, farmers, ranchers, and fishermen from unfounded attacks by environmental extremists.

retirement community

Educational Background: Brookings-Harbor High Graduate;
B.S. and M.S. degrees from University of Oregon

Prior Governmental Experience: Brookings-Harbor School
Board Member; Coos Curry Electric Cooperative (CCEC)
Board Member, County Commissioner

The Boards on which I've served and businesses that I have jointly owned and managed have given me experience in creating organizations that will be successful far into the future using organizational structures that efficiently manage multi-million dollar budgets and large employee bases. I helped transform Brookings-Harbor Schools by modernizing buildings and equipment, by establishing substantial cash reserves in every budget, and by establishing a scholarship foundation to assist qualifying graduates. As a CCEC board member I helped lead the effort to reform its business model to allow a leaner and better equipped company, unrestrained by underperforming subsidiaries, to prosper. I've co-owned and managed an Easter Lily Agribusiness with many employees. I led a family team effort to create, build, and manage a successful retirement community.

As your Curry County Commissioner, I helped lead the effort to reduce the number of County Government employees by approximately half, while retaining critical services for the benefit of our citizens. I led the Commissioner effort to create the successful Public Safety Summit that brought Commissioners, D.A.'s, and Sheriffs from the eighteen O and C Counties to Curry County to address the problems surrounding funding of public safety. I created and led the Oregon Solutions ReHome Oregon Project designated by Governor Kitzhaber which will help repair or replace qualifying homes in Curry County. I've created and led the Healthy Forest Collaborative designed to cut through the maze of government restrictions that restrain effective management of the Federal Forests in Curry County. If elected I will continue these efforts and others on behalf of all residents of Curry County.

Prior Governmental Experience: N/A

My name is Mark Vincent and I'm running for Douglas County Commissioner.

Douglas County is a place I've been proud to call home these past 40 years. It's where I married my wife and raised our 3 sons.

I have also been blessed with a wealth of experiences in our county, from pulling green chain to owning and operating a small logging business, two restaurants and a silversmithing business. I've owned and worked two small ranches and manage a small rental property.

Developing employment opportunities for our community has always been one of my top priorities.

I love the county and the people in it.

As the son of a veteran, a Navy veteran myself and with a son of my own who is an Afghanistan veteran, I take pride in how this county honors it's veterans. As a former logger I take pride in how strong we hold on to our traditions. Times have been tough, but we are a tough people.

I believe our best times are not behind us but ahead of us.

By protecting our traditions and continuing to make Douglas County a place that people are proud to call home, keeping our small town charm while opening up more opportunities will be my first priority.

By preparing for our future, making Douglas County more business friendly through smart policies that keep existing businesses, attract new businesses and help local businesses grow will lead us to a brighter future.

Sincerely, Mark Vincent

"A VOICE FOR THE PEOPLE"

"I'm not a career Politician; I live a simple life like most Douglas County residents. My only agenda is to represent the People of Douglas County. I will work with all residents, business owners, college students and community leaders to find innovative ways to create jobs. I will do everything possible to prevent school closures, as our children are the future of Douglas County. With proper representation we can continue to provide essential County services."

Robert Ireland, a long time Douglas County resident Endorses Dale Rogers:

"I believe Dale Rogers will represent all Douglas County residents equally, regardless of their status in the Community. Dale's not afraid to stir the pot to get things done." Robert Ireland, Riddle

Brian Kelly, a long time Douglas County resident Endorses Dale Rogers:

"Dale Rogers provides excellent customer service as a Court Bailiff and Clerk for the City of Roseburg, if elected he will provide excellent service to all." Brian Kelly, Myrtle Creek

"HONESTY, TRANSPARENCY AND COMMON SENSE"

"We need more information about County finances that the public can understand, more accessible commissioner meetings that working people can attend, commissioners should be more accessible to the public."

"DALE ROGERS IS THE BEST CHOICE FOR COMMISSIONER"

"I'm a problem solver, not a finger pointer. I will solve problems promptly. We need our public officials to be accountable for their actions, or Douglas County could become the next Oregon County to cut essential services which would greatly affect our local economy."

I thank you for your vote on May 20th, 2014.

County Commissioner, Douglas County, Position 2

**Monte K
Smith**

Nonpartisan

Occupation: Small Business Owner / 2004 to Present

Occupational Background: Oregon State Police - Retired

Educational Background: Graduated West Linn High

School / 1972; Oregon State Police Academy Forensic Reconstruction / Institute of Police Technology, Jacksonville, Florida; Specialized Law Enforcement Course.

Prior Governmental Experience: None

In 1978, I moved my family to Roseburg and began my career with the Oregon State Police. I proudly served the citizens of Douglas County for 26 years. We quickly discovered that this unique part of Oregon was an amazing place to live and raise our children. After retiring, we purchased our family's local small business. I have acquired a deep respect for anyone pursuing the dream of owning and operating a small business.

I am honored to be well thought of throughout the county for my public service. Our family business strives to provide a great product at an affordable price, where each person is greeted with a smile and that small town warmth that we love about our community.

As your new commissioner, I would cultivate open communications to better serve the interests of the community while encouraging citizen involvement in the decisions that affect us all. It takes a community dedicated to working together to help our county prosper.

High priorities for Douglas County's future success include providing stable funding for public safety services and education, as well as responsible management of our natural resources, small business growth, and promoting tourism in this beautiful place we call home.

I would consider it an honor to serve the people of Douglas County and believe that your elected officials should always maintain a standard of decorum that everyone in the community can be proud of. I promise to be available for you.

My life experiences make me uniquely qualified to be your next Douglas County Commissioner.

Endorsed by **Don and Sally Kruse**, former Douglas County Sheriffs **John Pardon** and **Norm Neal**, **Douglas County Professional Firefighters** to name a few...

Educational Background: Glide Public Schools grades 1 - 12, Four year apprenticeship at Willamette Carpenter Training School earning a Journeyman certificate, Umpqua Community College earning an AA in Industrial Technology

Prior Governmental Experience: None, although I have worked closely with numerous governmental agencies.

MICK FUMMERTON - A VOICE FOR THE PEOPLE

As a sixth generation Douglas County resident and one who has worked all my adult life, I feel I can connect with the people of the county on a personal level. I have the desire to hear their concerns, ie employment, usage of our natural resources, and Douglas County government being self-sustaining. I believe we all want Douglas County to get back to the thriving community it once was and believe that can only be accomplished if we work together and each invest our time, talent and treasure.

MICK FUMMERTON - INVESTED IN AND PASSIONATE ABOUT OUR COUNTY

My family has long been invested in Douglas County and I believe we have the potential for a prosperous future. I believe public safety is of utmost importance and will defend the budget to support it. I am an advocate for individuals as well as business owners. My 29 years of experience in the construction industry has taught me to manage large and technically challenging projects as well as large budgets. I make a conscious effort to be fiscally conservative, especially when managing other people's money. I believe we must utilize our own natural resources, including timber, and look within rather than outsourcing.

MY SUPPORTERS

My support comes from my family and friends, all of them hard working citizens of our community. I've also gleaned support from citizens I've spoken to in numerous communities including business professionals, retirees, and many who are currently unemployed.

**PLEASE VOTE MICK FUMMERTON

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at www.oregonvotes.gov.

What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.gov or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.gov or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
