ROBERT TAYLOR
DEPUTY SECRETARY OF STATE

DIRECTOR

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, O, P, C, L, E, R, N, X, T, B, O, J, K, S, F

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.gov.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 15. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States Senator

Monica Wehby

Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Educational Background: BS

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:

We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit www.OregonsNextSenator.com.

As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.

Before considering how to vote, every bill must be:

Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

Humbly I ask for your vote.

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate**. Thank you and May God Bless America.

United States Senator

Timothy I Crawley

Republican

Occupation: Attorney

Occupational Background: Nichols & Associates

Educational Background: U.C. Hastings, J.D.; Williams College, B.A.

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

Republican

Occupation: Attorney, State Representative

Occupational Background: Small business owner, teacher, Congressional Aide, carpenter

Educational Background: A.A.,

Prior Governmental Experience: Oregon State Representative: Co-Vice Chair, House Education Committee; Business and Labor Committee; General Government and Consumer Protection Committee; Health Care Committee; Law Clerk, US Department of Justice

JASON CONGER FOR U.S. SENATE

REAL. CONSERVATIVE.

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

Art Robinson

Republican

Occupation: Scientist and Educator

Occupational Background: Faculty UC San Diego; Research Associate Stanford University; President Linus Pauling Institute; President

Oregon Institute of Science and Medicine; Provider of curriculums and books to 100,000 grade K-12 students. Research on Alzheimer's, Parkinson's and other diseases.

Educational Background: Caltech BS; UC San Diego PhD

Prior Governmental Experience: Washington, DC - emergency preparedness, medical innovations, and energy production; no political office.

CONGRESS MUST WORK TOGETHER EFFECTIVELY

Career politicians work to enhance their own careers. They lose interest in the problems of Oregonians. Art Robinson understands these problems. He will work with all principled people regardless of party ideologies to find solutions for our soaring debt, unsustainable over-spending, and unworkable regulations.

RESTORING OREGON'S JOB-PRODUCING ECONOMY

We must create jobs in Oregon by ending the deals politicians make with banks, corporations, and other special interests outside of Oregon. These deals provide campaign cash for incumbents, but kill jobs and impoverish our people. Our economy must thrive for the people of Oregon.

QUALITY EDUCATION FOR ALL

As a life-long educator, Art understands the plight of our young people and our teachers. Art and his family have given more than \$600,000 in scholarships to K-12 students and worked for decades to improve both university and K-12 education. While opponents complain (with misleading excerpts) about Art's occasional strong comments in this cause - made out of his concern for our students, Art continues to work tirelessly to improve education.

HONORING OUR OBLIGATIONS

Social Security, Medicare, Veterans benefits, and O&C timber contracts must be honored in full. The partial payments Congress substitutes are unsatisfactory.

AN OREGONIAN CONGRESSMAN FOR OREGON

Art Robinson, a full-time 33-year Oregonian, will work to strengthen our state and safe guard the freedom and prosperity of Oregonians. Art knows our difficulties and, he wants to help. He can bring superb private and public enterprise to Oregon, and work with all congressmen of good will to solve our many problems.

Governor

Gordon Challstrom

Republican

Occupation: Retired

Occupational Background: Commercial Contractor

Educational Background: University Nevada-Reno; Bachelor Degree in Business

Administration, minors in economics and international management

Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should *protect* private property rights, not *undermine* those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Governor

Tim Carr

Republican

Occupation: Gubernatorial Candidate

Occupational Background: CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

Educational Background: Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School

Prior Governmental Experience: None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making *Oregon* an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

As Governor, Tim Carr will focus on:

Economic Prosperity: Attract (*aka STEAL BUSINESSES*) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.

Education Strength: Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.

Government Spending: Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

PERS Reform: Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

Environmental Stewardship: Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.
- Tim Carr - www.TimCarr.com

(This information furnished by Tim Carr.)

Governor

Dennis Richardson

Republican

Occupation: Businessman, State Representative

Occupational Background: Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

Educational Background: BYU, J. Reuben Clark Law School

Prior Governmental Experience: City Councilor, School District Budget Committee, Oregon House of Representatives.

Community Service: Boy Scout and church youth leader, volunteer soccer coach, veteran.

Vision & Leadership

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

It's Your Money – Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

Balancing Priorities

We can protect our environment and our jobs. My policy will be simple – I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

ELECT CHERYL MUELLER

Your education champion in Salem

Committed to Our Community

Cheryl has lived, worked, and raised a family in Lane County for nearly three decades. She knows first-hand that our communities and families need stronger schools and stable jobs to provide a brighter future for our kids. She believes we need leaders in Salem who will listen to the challenges facing our community, roll up their sleeves and get to work.

Bipartisan Solutions for Schools

As a school board member and a mother, Cheryl has seen the disconnect between our schools and politicians in Salem with burdensome, intrusive policies and lack of sufficient funding. Our kids deserve bipartisan solutions to the problems we face. As a former Cottage Grove School Board Member, Cheryl has the experience and knowledge to make full funding for our schools the top priority.

Empowering Small Businesses

Douglas and Lane Counties have suffered throughout the economic downturn because of failed leadership in Salem. By reducing the burdens on small businesses locally and across Oregon, we can create lasting, family-wage jobs that empower our neighbors and strengthen our economy.

Fighting for You in Salem

"I believe we need a State Senator who knows the needs of our kids and classrooms and is willing to make them a priority with their vote. A lot of politicians give K-12 education lip service, but it takes a mother and education advocate to vote for the level of funding our schools need and deserve." Cheryl Mueller

Occupational Background: Small business owner; rancher; dentist

Educational Background: Doctor of Dental Surgery, University of Missouri-Kansas City

Prior Governmental Experience: Medical/Dental Contractor with the Oregon Department of Human Services; Healthcare steering committees with private healthcare providers

Cedric Ross Hayden—a Rich Background in Ranching, Small Business and Dentistry

Cedric has managed over 1,000 head of cattle on over 3,000 acres of land. He recently sold his dental practice to concentrate more time on his heavy equipment construction company. Cedric also donates time through his non-profit *Caring Hand to Mouth* to low income families who cannot afford dental services.

A Conservative Who Wants a Better Economy and More Stable Schools

Oregon is not a business friendly state and Cedric would like to see that change—especially for our rural communities. He has the experience of running a business with over 150 employees and knows firsthand how difficult it can be to navigate through state regulations. Helping small businesses succeed is a top priority for Cedric because he believes a stronger economy will mean more stable schools.

More Taxes is NOT the Answer

Cedric opposes new taxes and fees. Government spending is out of control and needs to be reined in. State pension benefits must be brought in-line with the private sector and government reforms need to become a priority again.

A Conservative Focused on Job Creation: The private sector creates jobs. **The government does not.**

Government Needs to be More Accountable: Judge government programs on results. Ineffective, inefficient programs should be defunded.

A No Compromise Candidate on Second Amendment Rights: Our Second Amendment rights are vital to **America's** future. **We cannot** rely on the government to protect our homes and **families**.

Supports Truth in Accounting: Currently Oregon has a 1.5 billion dollar shortfall **representing** costs that have been pushed into the future. **Future** generations will pay **for benefits they will never receive**. **Since** employee retirement benefits are **a liability far into the future**, the state ignores these costs when calculating balanced budgets. **Jason** believes that the state of Oregon should be honest about **its financial** picture. **Hiding Oregon's future liabilities and burdening future generations is dishonest and immoral.**

Supporting Local Schools: Education of our youth is **the** key to **Oregon's future**. **Quality teachers are the most important element in a student's success**. **Education funding should focus on attracting and retaining great teachers rather than layers of administration and non-classroom related expense.**

I am Committed: I have spent the first decade of my adult life fighting for social security reform, truth in accounting, restoring the Fourth Amendment, opposing the NDAA, working for **fiscal** reform.

I am committed to this community and honoring its veterans. When outside groups tried to remove our Vietnam Veteran's Memorial, I created the website www.savethemingusmemorial.com which served as a rallying point for preserving this community landmark.

Salem is failing Oregon. The open arms adoption of progressive democratic policies is wrong, and must be fought against in order to save our state. When we fight, and win at the state levels, we can begin to save our nation. My core mission as state representative is to fight for the business owner, and the individual to significantly reduce your taxes.

To fight for our education woes against the disastrous and dangerous mandated curriculum of common core.

To bring relief to Oregon's Veterans as they deserve, and have earned with the selfless sacrifices made that most cannot possibly fathom. The VA has failed Oregon's Veterans and I desperately want to help.

To restore, and to defend your liberty. The average, hard-working Oregonian's freedom is being constantly attacked all in the name of safety and security. That somehow your safety is superior to your natural rights and that creating more laws intended to prevent criminal activity will somehow keep you safer and more secure. This is a dangerous and flawed concept, and will only lead us further into tyranny.

I fight for Liberty, and I fight for the Constitution!

Stand Up. Speak Up.

I'm running to be your State Representative because:

- Oregon's economy is floundering and **no one** has a plan
- The infrastructure your family uses daily is in disrepair
- Your public safety officials are overworked and underfunded
- Your child's education system is ranked 40th in the nation in K-12 achievement
- Your current representative has done little to address any of these issues, even when presented with the opportunity.

As your next State Representative I will:

- Present a reasonable plan to correct Oregon's stagnated economy and create *permanent* jobs, cut wasteful spending and promote Oregon business interests outside of the state.
- Support an increase of spending on public infrastructure at the county and local levels.
- Support an increase in spending on public safety—police, fire and first responders—at the county and local levels because a prosperous Oregon *begins with a safe Oregon*.
- Present and work to pass legislation to re-organize Oregon's poorly performing education system and address the education disparity among minority students and their peers.

Being a former Quality Assurance professional enables me to examine complex systems, develop ways to make them more efficient and to produce desired results. This is the approach I believe we need to ensure that our state government better serves your needs.

Currently, I have a Financial Advisory practice focused primarily on helping middle-class Oregonians plan to achieve financial security in uncertain times. Every day, I help people organize and make sense of their financial future. Now, I want to be *your* representative in the Legislature and continue this work.

I believe Oregonians—people just like you—deserve an

Oregon For All of Us.

Hearne Award for Disability Rights for outstanding contributions in furthering the rights, dignity, and access to justice for people with disabilities, American Bar Association Commission on Mental and Physical Disability Law, 2007.

Today's middle-class families are facing rising insecurity and cannot seem to maintain a basic standard of living because governmental influence and control over education and industrial policy has sabotaged their means of getting ahead.

Oregonians need innovative policies with the real, honest effect of **helping families** work their way up, and level the playing field to put corporate and political insiders back to work for the rest of us.

Laura's biggest passion is **accessible healthcare** for all Oregonians. Diagnosed with multiple sclerosis at a tender young age, Laura has successfully fought almost her entire life for affordable, sustainable, market driven healthcare.

Students in Oregon are being short-changed; Laura knows the true value of a **good education**. She will support policies that allow families to decide what would result in their child's best educational outcomes.

Laura will defend your rights, as well as promote policies that will build a strong job market for Oregon families and productive, healthy economies for our future. Your vote for Laura is a vote for success for **all Oregonians**.

A COMMON SENSE APPROACH:

Legislative spending. Curtail the irresponsible spending trends in our government, especially in view of the 200 million dollars spent on a failed Cover Oregon website.

Healthcare. Oregonians need quality healthcare at an affordable price. Obamacare is not the answer, and I will support the changes necessary to make our healthcare system work.

The economy. Advance business-friendly initiatives to encourage the growth of our economy.

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

Jeff Merkley's Agenda For Oregon Families

- Create good paying jobs
- Make college more affordable
- Take on the special interests to reform Washington
- Protect Social Security and Medicare

Fighting For Middle-Class Families:

In a Congress that seems to be filled with champions for the special interests, Jeff Merkley consistently fights for Oregon's middle-class families.

- Son of a millwright, Jeff knows the value of a good-paying job and has fought to create living-wage jobs in Oregon.
- First in his family to go to college, Jeff has voted to keep college loan interest rates low and has a plan to make college affordable.
- A long-time consumer advocate, Jeff has taken on the big banks and Wall Street to protect middle-class families from their predatory practices.
- A champion for our seniors, Jeff has strongly opposed attempts to privatize Social Security and Medicare.

Taking on the fights to protect Oregon values:

- Jeff has fought to protect a woman's right to choose and to ensure women have access to affordable and safe healthcare.
- In the Senate, Jeff has led the charge for equality with workplace protections for the LGBT community and support for marriage equality.
- Jeff supports equal pay for all; one of his first acts as Senator was to vote for equal pay legislation.

"Senator Merkley has been a terrific partner fighting for Oregon's middle-class families and working to create good-paying jobs. He has been an outstanding champion for Oregon values. I look forward to continuing our work together to make sure Oregon is a great place to live and work."

Peter A DeFazio

Democrat

Occupation: U.S. Representative

Occupational Background: Chair, Lane County Commissioner, U.S. Air Force Reserve

Educational Background: Tufts University, University of Oregon

Prior Governmental Experience: Chair, Lane County Commission

CREATING JOBS FOR OREGONIANS

DeFazio has led the fight to increase investment in our crumbling transportation infrastructure that will create thousands of jobs for Oregonians, increase safety, and improve America's competitiveness. He supports water resource development legislation to improve our ports and bring jobs to Oregon's south coast.

FIGHTING FOR AMERICAN WORKERS

DeFazio has fought every job-killing "free trade" agreement, including the new Trans-Pacific Partnership, which will undermine middle class jobs and wages, worker safety standards, weaken environmental protections and threaten internet freedom.

PROTECTING SOCIAL SECURITY

DeFazio has been a consistent supporter of efforts to protect Social Security and is endorsed by the National Committee to Preserve Social Security and Medicare. He supports an improved annual cost of living adjustment and has proposed legislation to guarantee Trust Fund solvency by having the wealthiest millionaires pay the same rate into Social Security as the average American worker.

STANDING UP TO WALL STREET

DeFazio fought the financial deregulation that led to our country's economic collapse and opposed the massive Wall Street bailout.

SUPPORTING EQUALITY FOR ALL

DeFazio advocates for fairness and equality for all Americans. He is a proud sponsor of the Employment Non-Discrimination Act, ensuring that all Americans are treated equally in the workplace. DeFazio was an early endorser of Oregon's United for Marriage ballot measure.

FIGHTING CLIMATE CHANGE

DeFazio supports strong action to combat climate change including the Obama Administration's efforts to reduce power plant emissions. He will continue to fight attempts in Congress to weaken our nation's most important environmental laws.

NO TO PAY RAISES, YES TO SCHOLARSHIPS

DeFazio has opposed every congressional pay raise and, by the end of 2014, will have contributed \$378,000 of after-tax salary to fund 237 scholarships for dislocated workers at community colleges in Southwest Oregon and to reduce the national debt.

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have **one of the nation's fastest-growing state economies**.

We are reinvesting in our schools, adding over \$1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that **lowered the cost of state government**.

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We've accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

Re-Elect Senator Floyd Prozanski to...

...Strengthen Public Education

A quality education system provides opportunity for all and ensures Oregon's economic growth. As your state senator, I will continue to make funding our schools a top priority. We must stabilize funding to public schools so that we can reduce K-12 class sizes and restore days to the school year. Funding education is a very wise investment: Studies have shown that for every dollar spent on education, we save at least \$15 in the criminal justice and social service systems.

...Promote Family-Wage Jobs

I always fight for family-wage jobs and rural economic development. I support investing in Oregon jobs, such as improving our infrastructure to provide jobs today and a better future for tomorrow. I have repeatedly supported the expansion of small business loans and increased job training opportunities to help put people back to work. I oppose "outsourcing" Oregon jobs.

...Support Seniors and Oregon's Kids

In 2014, I supported an expansion of Oregon's in-home care system to help more families find secure and affordable care for their loved one in need. I also supported legislation to feed hungry children at schools during the summer months.

...Protect Our Communities

Criminals must be held accountable. I support swift, certain and appropriate sanctions. I also realize that we must emphasize early intervention and prevention programs for at-risk kids.

Please contact me at [541-342-2447](tel:541-342-2447) or floydp@efn.org with your ideas and concerns. With your support, I will continue representing our district with a strong, independent voice of reason.

LEE BEYER: A Record of Experience and Commitment

Dear Neighbors:

We have faced hard times. But we can pull together, put partisan bickering aside, and get Oregon moving again. I am committed to doing that! And, I have the experience to get the job done.

For most of my professional life I have worked with and assisted businesses in solving problems, helping them expand or locate in the Willamette Valley. These efforts, over the past three decades, have helped create thousands of new jobs. I understand business and the barriers they often face. But most important, I know that without successful businesses and the employment they provide we won't have the resources necessary to properly educate our children, keep our neighborhoods safe, or provide the critical public services we need.

My priorities:

- Getting Oregon's economy moving ahead!
- Providing a quality education for Oregon's children, including the opportunity to obtain a technical or college education.
- Slowing the growth of health care costs.
- Making government more accountable and efficient -- **We can't afford to keep doing things the way we always have!**

I have a proven track record of serving the community. I know how to work with others to get things done and I understand how government works and what needs to be changed.

Serving your neighbors is the greatest honor. I take the responsibility of public service seriously and respectfully ask for your vote.

Corporations Aren't People and Money Isn't Speech

Chris Edwards is also fighting against the awful Supreme Court decision known as "Citizen's United" that blew the doors wide open on campaign spending by big donors and corporations, giving them more power in our government.

Dawn Lesley: A Pragmatic Leader We Can Trust

I am an engineer with 18 years' professional experience protecting public health and the environment. Bringing differing points of view together to solve complex municipal infrastructure challenges is good preparation for approaching our County's challenges. I've built success on my ability to focus a group's attention on points of agreement, achieving practical solutions on-time and on-budget.

I am a wife and a mother concerned that our homes, especially in rural areas, aren't as safe as they used to be, with delayed 9-1-1 responses and insufficient rural patrols.

I am a neighbor concerned that Lane County continues to struggle economically; our communities are hurting. I'll bring people together to create a prosperous future.

I am a citizen concerned by a lack of transparency in County government. My opponent has betrayed the public's trust with his backroom deals and limiting public input.

I am asking for your vote. Our community deserves better. We have a wealth of natural resources, talented citizens and economic potential. As your County Commissioner, I will:

- **Make Lane County efficient:** We work too hard to see our tax dollars wasted. I'll be smarter with our money, delivering public services more efficiently.
- **Create new jobs:** With a wealth of farming, food processing, forest resources, and tourism opportunities in our community, I'll tap into existing resources to diversify our economy and bring jobs to Lane County.
- **Earn your trust:** County government needs to earn back the public's trust. I'll start with regular public office hours throughout the district and open budgeting and decision-making to public view.

Over 300 New Jobs in Veneta and 500 in Junction City

Jay Bozievich is working to get our local economy back on track

Jay helped bring over 800 new jobs to West Lane County in the last three years as Commissioner, but his work isn't done. Lowering the unemployment rate and improving the job market is Jay's top priority.

New Public Safety Improvements and Securing Stable Funding for Law Enforcement Critical

If re-elected Jay will continue to prioritize public safety and work to ensure stable funding.

- Restored 24-hour patrol
- Reopening Jail Beds to keep violent criminals behind bars

"As sheriff of Lane County I have been so thankful to have Jay Bozievich as a tireless advocate for public safety in Lane County. Without hesitation I endorse Jay Bozievich to ensure our safety in Lane County."

Thomas M. Turner

Neighbors,

It has been an honor to serve you as a County Commissioner and it would be a privilege to serve you again. 4 years ago I was encouraged to run for office, by concerned neighbors, because the Lane County Board of Commissioners had fractured the public's trust with backroom deals.

High unemployment deserved more attention from the previous board, which is why I made it one of my top priorities at the county. Fully funding essential services, like public safety, becomes very difficult when business is slow. I will continue to work with our economic development department and other community leaders to find new opportunities for job growth. My work at Lane County has only begun.

I would like to thank you for your support and once again ask you to please vote for me before May 20th.

Thank you,

- Jay

Friends,

I feel so blessed to have been apart of your lives for the past 16 years. Having been first elected to Springfield City Council in 1998, I have felt a growing pride in Springfield and Lane County as a whole. Lane County is an incredible region. We have great opportunities to enhance the safety of our communities and grow our economy.

I am running for reelection so I can help lead Lane County in these efforts. The County is rebuilding after the recession and we have incredible opportunities ahead.

We have added jobs throughout Lane County, more specifically Royal Caribbean has hired 200 more workers. This is a company I worked closely with in siting their operation when I was Mayor. This is great news for Springfield and Lane County.

We have also made great strides in public safety. With the passing of the Jail Levy, we were able to reopen jail beds to keep violent criminals behind bars. We also worked with our state partners to re-establish 24-hour patrol to Lane County.

I understand the importance of working with State, County, and local government to bring in new business and help existing companies grow. This is how we will create better opportunities for Lane County residents. We need to bring more great jobs to our area and provide the public safety our residents expect and deserve.

Please vote for me before May 20th to help continue to move Lane County and Springfield back in the right direction.

ABOUT JOANN:

Joann Ernst is a mother, scientist, homeowner and taxpayer in East Lane County. She is the most experienced challenger for East Lane County Commissioner, making her the best equipped to apply everyday, commonsense American values to the decisions facing our County government.

FROM JOANN:

I don't have a family in Lane County politics and I'm not a career politician, so I'll let my supporters speak for me:

"The longer we've known Joann Ernst, the more impressed we are with her **breadth of knowledge**. After serving as a board member of EWEB and three years on the budgeting committee of Lane Council of Governments, **she's in her comfort zone ferreting out anomalies in the bookkeeping**, has a **keen scientist's eye** with her background as an analytical chemist, and **business smarts** as she owned her own soil testing lab. As a **commercial farmer** in Kentucky she learned integrative pest management, and later in Bellingham, Washington, **successfully helped transform a depressed neighborhood into an economically vibrant one**, and now, when she's not campaigning, is active in rescuing and helping place abused and neglected dogs. She's passionate, experienced and well versed in the issues in our area. We are **confident** that Joann Ernst has all the necessary background to be an **effective, productive leader** and team player as Lane County Commissioner of East Lane County."

Occupational Background: Executive Recruiter

Educational Background: Master of Arts

Solutions that Work for East Lane County

My name is Jose Ortal and I am running for the Lane County Position 5 Commissioner position.

If elected, I will:

- Participate in the reinvigoration of Lane County's once vaunted good governance and accountability practices by:
 - Promoting yearly off-site team building and similar exercises for the Lane County Board of Commissioners. Progress Reports at the first available Lane County Board of Commissioners meeting after the trainings will detail attained accomplishments;
 - Holding Monthly Cups of Joe with Jose in all parts of East Lane County;
 - Establishing Drop in Hours at the Lane County Administration building;
 - Considering, and timely responding to, sufficiently tailored documents requests from East Lane County residents; and
 - Attending, on a monthly basis, a variety of community functions.
- Advocate for staff accountability with known consequences when expectations are not met;
- Champion the examination and substantial elimination of duplicated county services and other administrative and staffing redundancies;
- Introduce a stewardship approach to forestry, using long term stewardship logging contracts with locally sited companies for Lane County owned or controlled logging awards. These stewardship contracts will contain family living wage clauses and reimbursement clauses for companies that do not deliver contractually stipulated goods and services;
- Push for a reconfigured entity that contains the best elements of a reinvigorated Lane Metro Partnership and Travel Lane County. This entity will vigorously attract businesses to and promote Lane County as a destination mecca; and
- Embrace Sheriff Tom Turner's plans for neighborhood watch programs and reach out to join forces with local law enforcement agencies in the name of increasing rural patrols, building secure online neighborhood reporting networks and moving toward the eventual establishment of satellite sheriffs' offices in outlying rural areas.

Steady, Dedicated Leadership

Continuing to get our economy back on track by promoting job creation is vital to our county. I hope to continue my work of streamlining regulations and helping the county do our part to boost job growth.

In the past few years we have

- Created a small business loan fund
- Promoted redevelopment of brown field sites – Goshen
- Invested lottery dollars in existing businesses
- Brought in hundreds of jobs to rural Lane County

As commissioner, I would like to continue improving our public safety. We need to build on your support for more jail beds and make sure that our funds are well managed to get the best results.

My highest priority is to serve you and I am honored to work hard for all the residents of East Lane County.

Commissioner Stewart has been a strong, experienced leader Lane County can rely on. Faye has no agenda, and is dedicated to serving the public and upholding the law.

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at www.oregonvotes.gov.

What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.gov or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.gov or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
