ROBERT TAYLOR
DEPUTY SECRETARY OF STATE

JIM WILLIAMS
DIRECTOR

255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, O, P, C, L, E, R, N, X, T, B, O, J, K, S, F

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

United States Senator

Monica Wehby

Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Educational Background: BS

Prior Governmental Experience: Precinct Committee Person

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:

We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit www.OregonsNextSenator.com.

As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.

Before considering how to vote, every bill must be:

Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

Humbly I ask for your vote.

Mark Callahan

Occupation: Information Technology (IT) Consultant

Occupational Background: IT industry consulting/permanent positions, at local/national companies, over 13 years.

Educational Background: B.S. Business Administration / MIS, Pre-Law Minor, OSU – Corvallis, OR; MCP, MCSE Training Program, THE COMPUTER INSTITUTE – Rockville, MD

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate**. Thank you and May God Bless America.

United States Senator

Timothy I Crawley

Republican

Occupation: Attorney

Occupational Background: Nichols & Associates

Educational Background: U.C. Hastings, J.D.; Williams College, B.A.

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

United States Senator

Jason Conger

Republican

Occupation: Attorney, State Representative

Occupational Background: Small business owner, teacher, Congressional Aide, carpenter

Educational Background: A.A.,

College of the Redwoods; B.A., Humboldt State University; J.D., Harvard Law School

Prior Governmental Experience: Oregon State Representative: Co-Vice Chair, House Education Committee; Business and Labor Committee; General Government and Consumer Protection Committee; Health Care Committee; Law Clerk, US Department of Justice

**JASON CONGER FOR U.S. SENATE
REAL. CONSERVATIVE.**

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

Educational Background: M.P.P., American University; B.A., Trinity University.

Prior Governmental Experience: N/A

BEN POLLOCK IS FIGHTING FOR OREGONIANS RESTORING OUR ECONOMY

A lack of jobs, stagnant wages, and rising prices have hurt Oregon families and prevented hard working Oregonians from getting ahead. An ever-larger Federal Government has not solved these problems and has only made things worse. We need pro-growth and pro-job tax reform, reined in government spending, free-market healthcare, increased local control of our timberlands, and regulatory reform that will unleash opportunity for all.

KEEPING PROMISES

We have made promises to our seniors and veterans that must be honored. While Social Security and Medicare are undeniably insolvent in the long term, the reforms we make must honor our commitments to seniors. In addition, we must guarantee that those men and women who have worn the uniform of the United States are treated with the utmost respect when they return home; it is the least we can do as a nation forever in their debt.

BACK TO BASICS

The Federal bureaucracy acts far outside its Constitutional authority, spending money we don't have on programs we don't want. We must restore autonomy to state and local governments and let Oregon decide what's best for Oregon. This includes local control of education, which is why Oregon Moms Building Excellent Schools Together has endorsed me. As a member of Congress, I will defend the entire Constitution, including the Second, Fourth, and Tenth Amendments.

A CONGRESS OF THE PEOPLE

This country will not change for the better if we keep electing career politicians. I have not been a lobbyist or skipped from one taxpayer funded position to another, and I don't lie about my positions or endorsements to win votes. We need citizen representatives who go to Congress, serve their constituents, then come home, get a real job, and live under the laws they've passed.

Today's Congress has earned its 9 percent approval rating, passing Obamacare when the American people didn't want it, and refusing to allow reasonable harvests on our federal timber lands, even though our rural counties are starving. Congress refuses to pass a federal budget, let alone a balanced budget.

My commitments:

repeal Obamacare

return Oregon's forest to local county control

reduce the deficit and balance the federal budget

After too many years in Washington, DC, **some members forget who they represent.**

After 25 years in small business, **I know who I am, where I come from, the middle class hardworking people of Oregon's 5th District.** I understand your concerns and struggles.

I will fight for change, as hard as it takes, for as long as it takes, I won't forget who I work for.

I know how a **Republican like me can win elections** in Western Oregon. It's not easy, I've done it: twice in the state legislature, as recently as 2012, when I beat an incumbent for Clackamas County Commission.

My values, work ethic, experience are why so many **elected officials in the District support me.**

Governor

Gordon Challstrom

Republican

Occupation: Retired

Occupational Background: Commercial Contractor

Educational Background: University Nevada-Reno; Bachelor Degree in Business

Administration, minors in economics and international management

Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should *protect* private property rights, not *undermine* those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Governor

Tim Carr

Republican

Occupation: Gubernatorial Candidate

Occupational Background: CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

Educational Background: Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School

Prior Governmental Experience: None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making *Oregon* an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

As Governor, Tim Carr will focus on:

Economic Prosperity: Attract (*aka STEAL BUSINESSES*) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.

Education Strength: Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.

Government Spending: Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

PERS Reform: Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

Environmental Stewardship: Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.

Governor

Dennis Richardson

Republican

Occupation: Businessman, State Representative

Occupational Background: Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

Educational Background: BYU, J. Reuben Clark Law School

Prior Governmental Experience: City Councilor, School District Budget Committee, Oregon House of Representatives.

Community Service: Boy Scout and church youth leader, volunteer soccer coach, veteran.

Vision & Leadership

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

It's Your Money – Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

Balancing Priorities

We can protect our environment and our jobs. My policy will be simple – I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

A Conservative Focused on Job Creation: The private sector creates jobs. **The government does not.**

Government Needs to be More Accountable: Judge government programs on results. Ineffective, inefficient programs should be defunded.

A No Compromise Candidate on Second Amendment Rights: Our Second Amendment rights are vital to **America's** future. **We cannot** rely on the government to protect our homes and **families**.

Supports Truth in Accounting: Currently Oregon has a 1.5 billion dollar shortfall **representing** costs that have been pushed into the future. **Future** generations will pay **for benefits they will never receive**. **Since** employee retirement benefits are **a liability far into the future**, the state ignores these costs when calculating balanced budgets. **Jason** believes that the state of Oregon should be honest about **its financial** picture. **Hiding Oregon's future liabilities and burdening future generations is dishonest and immoral.**

Supporting Local Schools: Education of our youth is **the** key to **Oregon's future**. **Quality teachers are the most important element in a student's success**. **Education funding should focus on attracting and retaining great teachers rather than layers of administration and non-classroom related expense.**

I am Committed: I have spent the first decade of my adult life fighting for social security reform, truth in accounting, restoring the Fourth Amendment, opposing the NDAA, working for **fiscal** reform.

I am committed to this community and honoring its veterans. When outside groups tried to remove our Vietnam Veteran's Memorial, I created the website www.savethemingusmemorial.com which served as a rallying point for preserving this community landmark.

Salem is failing Oregon. The open arms adoption of progressive democratic policies is wrong, and must be fought against in order to save our state. When we fight, and win at the state levels, we can begin to save our nation. My core mission as state representative is to fight for the business owner, and the individual to significantly reduce your taxes.

To fight for our education woes against the disastrous and dangerous mandated curriculum of common core.

To bring relief to Oregon's Veterans as they deserve, and have earned with the selfless sacrifices made that most cannot possibly fathom. The VA has failed Oregon's Veterans and I desperately want to help.

To restore, and to defend your liberty. The average, hard-working Oregonian's freedom is being constantly attacked all in the name of safety and security. That somehow your safety is superior to your natural rights and that creating more laws intended to prevent criminal activity will somehow keep you safer and more secure. This is a dangerous and flawed concept, and will only lead us further into tyranny.

I fight for Liberty, and I fight for the Constitution!

Senior Care Issues

With my background in adult foster care, I know how we can improve services for senior citizens in care facilities. We also need to strengthen programs like Oregon Project Independence that enable seniors to live in their own homes.

Quality Education for our Children

I will work to ensure that school funding is adequate and predictable so school districts can plan ahead. As a parent with children in school, I know the importance of a good education in continuing the American Dream for future generations.

Workplace Safety

I believe there should be safeguards put in place to ensure that those who work with seniors have working conditions that prevent them from being injured on the job.

Jobs and the Economy

We must do everything we can to encourage the return of manufacturing jobs to Oregon. This will help grow the economy and provide revenue for education, senior care and other essential services.

Government Accountability

The state government should be a good steward of our hard-earned tax dollars. I will work to ensure accountability in how those dollars are spent, and make sure that we limit the capacity for waste, fraud and abuse.

Natural Resources

We should encourage the responsible use of our abundant natural resources to provide jobs for working Oregonians throughout the state.

I believe that our best days as a state are still ahead of us. Vote for Rick Rose to be the Republican nominee for Oregon House District 32 and together, we can build a brighter future for our children and grandchildren.

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

For more information, please call state party headquarters (503) 595-8881; e-mail info@orgop.org; or visit our website at www.oregonrepublicanparty.org.

Jeff Merkley's Agenda For Oregon Families

- Create good paying jobs
- Make college more affordable
- Take on the special interests to reform Washington
- Protect Social Security and Medicare

Fighting For Middle-Class Families:

In a Congress that seems to be filled with champions for the special interests, Jeff Merkley consistently fights for Oregon's middle-class families.

- Son of a millwright, Jeff knows the value of a good-paying job and has fought to create living-wage jobs in Oregon.
- First in his family to go to college, Jeff has voted to keep college loan interest rates low and has a plan to make college affordable.
- A long-time consumer advocate, Jeff has taken on the big banks and Wall Street to protect middle-class families from their predatory practices.
- A champion for our seniors, Jeff has strongly opposed attempts to privatize Social Security and Medicare.

Taking on the fights to protect Oregon values:

- Jeff has fought to protect a woman's right to choose and to ensure women have access to affordable and safe healthcare.
- In the Senate, Jeff has led the charge for equality with workplace protections for the LGBT community and support for marriage equality.
- Jeff supports equal pay for all; one of his first acts as Senator was to vote for equal pay legislation.

"Senator Merkley has been a terrific partner fighting for Oregon's middle-class families and working to create good-paying jobs. He has been an outstanding champion for Oregon values. I look forward to continuing our work together to make sure Oregon is a great place to live and work."

Prior Governmental Experience: NA

Brown is concerned that the economical interest of the average American is not being represented. The TPP trade-agreement which is described as NAFTA on Steroids, it would mean Americans will have to compete with Vietnam and 11 other countries wages. Brown will oppose the TPP. My opponent voted yes to the Korean Trade Agreement on Oct. 12, 2011 which has hurt the American steel industry.

Increasing wealth & income inequality in the U.S. is the greatest moral and economical issue of our time. Raising the federal minimum wage to \$10.10 is important, 7 out of 10 Americans are in favor of this. If you want people off food stamps, if you want people off of welfare, if you want women to be self-sufficient, vote for Brown. My opponent voted against this with the Republicans in 2013.

Brown will support your rights to clean air, clean water, economical college and vocational schools for the 21st century, healthcare for all & environmental protection.

Anita Brown is asking for your vote.

Kurt Schrader for Congress. Putting Oregon First.

Delivering for Us

- Kurt is investing in the future of Oregon's children and workforce with increased federal funding for Head Start, K-12, community colleges, and Pell Grants for our college students.
- Kurt led the fight keeping Newport as the new base of the NOAA Pacific Fleet, and for funding of the Woodburn Interchange, bringing hundreds of jobs and economic opportunities into our Willamette Valley.
- Kurt is working across the aisle to break the gridlock of federal forest management by proposing the O&C Trust, Conversation and Jobs Act, which would provide for thousands of jobs in a healthier Oregon forest.
- Kurt is a Congressional leader for a balanced budget plan for \$4 trillion in deficit-reduction and job creation over ten years.
- Kurt led the efforts to prevent staggering flood insurance premium increases that would have hurt homeowners throughout the district.

A bi-partisan leader

- Kurt is a founding member of the No Labels problem solvers, bringing Democrats and Republicans together to find solutions instead of partisan fights.

Occupation: Governor of Oregon

Occupational Background: Emergency Room Physician, Roseburg

Educational Background: South Eugene High School, 1965; B.A. Dartmouth College, 1969; M.D. University of Oregon Medical School, 1973

Prior Governmental Experience: Governor 1995-2003, 2011-present; Senate President 1985-1993; State Senator 1981-1993; State Representative, 1979-1980

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have **one of the nation's fastest-growing state economies.**

We are reinvesting in our schools, adding over \$1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that **lowered the cost of state government.**

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We've accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

As a candidate for re-election to the Oregon Senate, my campaign promises are to remain an accessible advocate in the district and to be an effective voice for you in Salem.

I know some of the things you care about, because you tell me at the grocery store and on the streets of the towns I am privileged to represent.

You care about your kids' schools. You want to create jobs and support our existing businesses. You want to protect our environment while responsibly using our natural resources. You want to help those who cannot help themselves. You want to protect our society from those who threaten it, and you want our senior citizens to live in dignity. I share your priorities.

My personal goal is to represent you in a manner that will help restore your confidence in state government. I have made every effort to avoid the partisanship that has plagued our legislative process in recent years. I will continue to work with all my colleagues, regardless of political party, to find the common ground needed to meet Oregon's challenges.

With your help and with your vote, I would like to continue to represent District 16 as your State Senator.

Occupation: Small Business Owner

Occupational Background: President, Gomberg Kite Productions Inc/Northwest Winds Kite Stores

Educational Background: BS (Political Science - Honors) OSU; MA (Political Science/History/Economics) OSU; MBA (Marketing/Finance) Willamette University

Prior Governmental Experience: State Representative; Governor's Commission on Senior Services; Oregon Small Business Task Force; Legislative Aide to Barbara Roberts

David Gomberg: Leadership for the Central Coast and Coast Range

David is a small businessman, not a politician. For more than 20 years David and his wife Susan have built a successful kite business on the Oregon Coast and created good jobs in our community. We need a representative in Salem who has worked in the real world and understands when government can help and when it needs to stay out of the way. He's tired of partisan bickering and has a proven record of putting politics aside for the good of the state.

David's priorities are your priorities:

- Creating living-wage jobs.
- Strengthening our Schools and Community Colleges.
- Continuing his work with seniors that earned the endorsement of the Oregon State Council for Retired Citizens.
- Balancing economic development with protections for Oregon's unique environment and quality of life.

In his first term, David emerged as a champion of small business by working to streamline regulations, reduce small-business taxes, and create local jobs. David's advocacy of independence, security, and dignity for older Oregonians earned him an appointment to the Governor's Commission on Senior Services.

David stood firm for stronger school budgets to restore teaching days and reduce class sizes. He was a leading advocate for our Community Colleges.

David voted against GMO's and believes in quality food that is local, healthy, and real. He worked for safer, non-toxic children's toys. For fighting animal cruelty and neglect, David was named Legislator of the Year by the Humane Society of the United States.

David argued that before we raise taxes on law-abiding Oregonians, we must do a better job of collecting money owed by tax cheats.

Judge DeVore was born in Iowa and raised in Alaska. As son of a minister and a teacher, he grew up valuing service to others. Law practice became a practical way of working with people's problems one at a time. For 30 years, he handled disputes in trial and on appeal in state and federal courts. He was often brought in on troubled cases to overcome procedural threats of dismissal and assure clients of their "day in court" on the merits of their cases.

Appointed in 2013, Judge DeVore stresses that a judge must listen, be patient, fair, and open-minded, see through the fog of conflict, know well the facts and law of each case, care about people, and work hard to see justice achieved. In Oregon, we have a right to expect that and nothing less.

Occupational Background: Lincoln County District Attorney's Office, Deputy District Attorney, 1997-2008

Prior Governmental Experience: Council Court Procedures, 2013-present; Judicial Education Committee, 2012-present; Uniform Criminal Jury Instruction Committee, 2006-2008

I am extremely grateful for the opportunity to serve and for the trust that has been placed in me as a judge in the Lincoln County Circuit Court. During my first term of office I handled virtually every type of case filed in circuit court. It is the most rewarding and challenging work I have ever done. As a native of Lincoln County it has been a particular honor to serve the community in which I grew up.

I am seeking reelection because I believe strongly in our judicial system and am committed to applying the principles of fairness, respect and dignity that each person deserves when appearing in court. I am touched each day by the challenges facing many of our citizens and humbled by the privilege of trying to help them. Although I enjoy creative problem solving, I am often frustrated by the scarce resources for the most vulnerable citizens in our community, including the mentally ill, the homeless and children. I work diligently with community partners to access those resources that are available and hope to develop new responses to unmet needs. It is my goal to create an environment in my courtroom that is respectful of the rights and dignity of every person appearing before me and to be fair, professional and equitable in applying the law.

District Attorney, Tillamook County

William (Bill) Porter

Nonpartisan

Occupation: District Attorney, Tillamook County.

Occupational Background: District Attorney, 1995 to present; Deputy District Attorney, 1984-1995, Construction Worker.

Educational Background: University of Oregon School of Law, Juris Doctorate, 1983; Indiana University, Bachelor of Arts (Political Science and History), Phi Beta Kappa, 1980.

Prior Governmental Experience: Appointed Deputy District Attorney, Tillamook County, 1984; Promoted to Chief Deputy District Attorney, 1986-1995; Elected District Attorney, 1995 to present.

As District Attorney, Bill Porter has made the Tillamook County District Attorney's Office open and accessible to all law abiding citizens. Bill knows that the first step in creating new and innovative ways of dealing with our County's crime problems is listening carefully to what people have to say. He is diligent in his approach to criminal prosecution, and effective in the administration of the Office.

Experience, integrity, and commitment are the attributes most citizens want from their elected officials. Bill Porter has worked hard to prepare himself with those qualities. He has the experience, knowledge of the law, and administrative/leadership abilities citizens expect from their District Attorney.

EXPERIENCE: Bill Porter started his career in local public service as a prosecutor almost 30 years ago. His effective and efficient work in the Tillamook County District Attorney's Office has earned him the respect and support of law enforcement officials and citizens throughout the County.

COMMITMENT: Bill Porter is a "hands on" DA, not just an administrator. He stays in touch with the day to day work of the Office by reviewing and assigning incoming reports, as well as personally carrying a case load. He's in Court for something almost every day.

INTEGRITY: Bill Porter knows his job is about seeking Justice, not just counting the number of convictions. He understands that the charges filed and the sentence sought, need to reflect the seriousness of the conduct and take the defendant into account as an individual. Special interest pressure, threats, and bullying don't work on Bill Porter.

RE-ELECT BILL PORTER DISTRICT ATTORNEY

Community Service: Pacific City/Nestucca Valley Chamber of Commerce 2012 Volunteer of the Year; Oregon Chapter The Alzheimer's Association Star Fundraiser

David Yamamoto - CITIZEN ~ Not Politician

Fiscal Responsibility: You work hard to keep your financial house in order and Tillamook County must work equally as hard to keep its spending in check. It's your tax dollars and they need to be managed wisely.

Family Wage Jobs: Tillamook County residents are our greatest asset and we need to actively support our traditional industries of timber, fishing, dairy and tourism.

Integrity and Consistent Messaging: My open door policy will allow us to communicate and collaborate effectively. I will actively listen to all viewpoints and make decisions that are in the best interest of Tillamook County. I will work hard to create a predictable, reliable, business-friendly County government.

Tillamook County Focus: I understand the need to collaborate, and I have built positive relationships with State and Federal officials, but a strong focus on Tillamook County is needed to resolve the many long standing issues which confront us.

Honoring Our Seniors: I understand long-term care and we must utilize all available resources to allow our seniors to retain their dignity and remain safely in their homes while allowing family members to stay at their jobs.

I have made a difference in Tillamook County while volunteering and continuing to work full-time. Your vote will allow me to work for you full-time.

County Commissioner, Tillamook County, Position 3

Tim Josi

Nonpartisan

Occupation: Tillamook County Commissioner

Occupational Background: Landscape Contractor for over 25 years; Park System Designer, City of Astoria; Mill Worker

Educational Background: B.A., Oregon State University; Graduate of Tillamook Schools

Prior Governmental Experience: Tillamook County Commissioner from 1999 to present; State Representative from 1991 through 1998; Tillamook PUD Director from 1983 through 1990; Port of Garibaldi Commissioner for two years; Bay City Planning Commission for five years; State Land Conservation and Development Commission for past nine years; Chair of the Council of Forest Trust Land Counties for past twelve years; Member of the National Association of Counties Executive Committee representing the fifteen western states.

EXPERIENCED:

Tillamook County is one of fifteen Oregon counties that deeded their forest lands to the state to be managed on our behalf through a formal trust relationship. Over the years, I have worked collaboratively with the Oregon Department of Forestry to implement Forest Management Plans that provide family wage jobs; revenues for our schools and governmental services; recreational opportunities and habitat for fish and wildlife.

PERSONAL:

My background is an integral part of who I am as a public servant. I was raised on a local dairy farm where I learned the value of hard work. I graduated from Oregon State University and shortly thereafter started my own small business as a landscape contractor. I ran my business for nearly 25 years and managed employees. I utilized my training at OSU to design, bid and contract projects that ranged from private homes to public schools. My six brothers and sisters have always been self-employed. I have two grown children and I am a widower. A little over three years ago, I lost my wife to a sudden illness.

COMMITTED:

I love my job. I'm passionate about protecting our rural charm and quality of life. I still have much to do and need your vote on May 20. Please call me with your ideas and concerns.

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at www.oregonvotes.gov.

What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.gov or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.gov or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
