ROBERT TAYLOR
DEPUTY SECRETARY OF STATE

JIM WILLIAMS
DIRECTOR

255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 986-1518

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit www.oregonvotes.gov.

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at www.oregonvotes.gov.

Sincerely,

Kate Brown
Oregon Secretary of State

Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.gov.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, O, P, C, L, E, R, N, X, T, B, O, J, K, S, F

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.gov.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 15. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States Senator

Monica Wehby

Republican

Occupation: Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

Occupational Background: President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

Educational Background: University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

Prior Governmental Experience: VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

Community Service: Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

Jo Rae Perkins on issues:

We need a strong military and support for our veterans
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit www.OregonsNextSenator.com.

As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.

Before considering how to vote, every bill must be:

Congruent with the US Constitution
Free of pork barrel spending/unrelated projects
Fiscally and socially conservative

I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

Humbly I ask for your vote.

Mark Callahan

Occupation: Information Technology (IT) Consultant

Occupational Background: IT industry consulting/permanent positions, at local/national companies, over 13 years.

Educational Background: B.S. Business Administration / MIS, Pre-Law Minor, OSU – Corvallis, OR; MCP, MCSE Training Program, THE COMPUTER INSTITUTE – Rockville, MD

Leadership, Integrity, Character, Honor & Trust

End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate**. Thank you and May God Bless America.

United States Senator

Timothy I Crawley

Republican

Occupation: Attorney

Occupational Background: Nichols & Associates

Educational Background: U.C. Hastings, J.D.; Williams College, B.A.

Prior Governmental Experience: U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

Prior Governmental Experience: Oregon State Representative: Co-Vice Chair, House Education Committee; Business and Labor Committee; General Government and Consumer Protection Committee; Health Care Committee; Law Clerk, US Department of Justice**JASON CONGER FOR U.S. SENATE****REAL. CONSERVATIVE.**

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

Career politicians work to enhance their own careers. They lose interest in the problems of Oregonians. Art Robinson understands these problems. He will work with all principled people regardless of party ideologies to find solutions for our soaring debt, unsustainable over-spending, and unworkable regulations.

RESTORING OREGON'S JOB-PRODUCING ECONOMY

We must create jobs in Oregon by ending the deals politicians make with banks, corporations, and other special interests outside of Oregon. These deals provide campaign cash for incumbents, but kill jobs and impoverish our people. Our economy must thrive for the people of Oregon.

QUALITY EDUCATION FOR ALL

As a life-long educator, Art understands the plight of our young people and our teachers. Art and his family have given more than \$600,000 in scholarships to K-12 students and worked for decades to improve both university and K-12 education. While opponents complain (with misleading excerpts) about Art's occasional strong comments in this cause - made out of his concern for our students, Art continues to work tirelessly to improve education.

HONORING OUR OBLIGATIONS

Social Security, Medicare, Veterans benefits, and O&C timber contracts must be honored in full. The partial payments Congress substitutes are unsatisfactory.

AN OREGONIAN CONGRESSMAN FOR OREGON

Art Robinson, a full-time 33-year Oregonian, will work to strengthen our state and safe guard the freedom and prosperity of Oregonians. Art knows our difficulties and, he wants to help. Governor

Gordon Challstrom

Republican

Occupation: Retired

Occupational Background: Commercial Contractor

Educational Background: University Nevada-Reno; Bachelor Degree in Business

Administration, minors in economics and international management

Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should *protect* private property rights, not *undermine* those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

Governor

Tim Carr

Republican

Occupation: Gubernatorial Candidate

Occupational Background: CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

Educational Background: Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School

Prior Governmental Experience: None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making *Oregon* an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

As Governor, Tim Carr will focus on:

Economic Prosperity: Attract (*aka STEAL BUSINESSES*) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.

Education Strength: Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.

Government Spending: Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

PERS Reform: Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

Environmental Stewardship: Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.

Governor

Dennis Richardson

Republican

Occupation: Businessman, State Representative

Occupational Background: Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

Educational Background: BYU, J. Reuben Clark Law School

Prior Governmental Experience: City Councilor, School District Budget Committee, Oregon House of Representatives.

Community Service: Boy Scout and church youth leader, volunteer soccer coach, veteran.

Vision & Leadership

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

It's Your Money – Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

Balancing Priorities

We can protect our environment and our jobs. My policy will be simple – I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

Dennis lives in Central Point with his wife Cathy of 40 years. They have nine children.

Mae Rafferty

Republican

Occupation: 22 years Co. Business Owner Hardwood Lumber and Hardware sales

Occupational Background: Idaho Statesman delivery, Ferry Morse seed company, Orchard and Factory worker,

Cleaning and Woodworking Business owner.

Educational Background: Caldwell Senior High, Northwest Nazarene College Nampa Idaho, McGraw Hill Bookkeeping and Accounting Diploma.

Warning: Be certain your candidates are against communist business infiltration.

In performing my duties as Governor I shall...

Error on the side of Freedom if such an error exists.

Protect the Life Liberty and Pursuit of Happiness for all Oregonians born and unborn. Organize the state Militia.

Resist The infiltration of Chinese business into Oregon. An opponent wrote a letter stating he wants to bring Chinese businesses to Oregon and signed it sincerely Dennis Richardson. Chinese businesses are either partly or entirely owned by the communist Chinese Government. Such subversive activities are un-American.

Direct Oregon towards a means to swiftly and abundantly reduce regulation, protect private property rights and the rights of the people to use public lands. Allow industry and agriculture to flourish. Instigate a state self sufficiency plan.

Wholeheartedly pursue a debt free sovereign position for the state. Times are hard for the private sector. Public employees must cooperate by assuming responsibility for their own retirements; Phase out PERS.

Insist public schools bring back constitutional patriotism. Teach basic reading, writing arithmetic, pure science and American history, Vigorous physical education. Then set the students free to follow their own paths of interest. Teach more hands on skills. No psycho social engineering. Private and Home school vouchers, Freedom in Education.

Convey a strong message opposing unnatural destructive practices Such as abortion, homosexuality, communism, "Obamacare", and the growing of GMO crops.

***** Defend the United States and Oregon Constitutions** at all costs. Stop Un-American activities in Oregon. God go before us return us to true Liberty.

Precinct Committeemen and Committeewomen in the Oregon Republican Party

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

Jeff Merkley's Agenda For Oregon Families

- Create good paying jobs
- Make college more affordable
- Take on the special interests to reform Washington
- Protect Social Security and Medicare

Fighting For Middle-Class Families:

In a Congress that seems to be filled with champions for the special interests, Jeff Merkley consistently fights for Oregon's middle-class families.

- Son of a millwright, Jeff knows the value of a good-paying job and has fought to create living-wage jobs in Oregon.
- First in his family to go to college, Jeff has voted to keep college loan interest rates low and has a plan to make college affordable.
- A long-time consumer advocate, Jeff has taken on the big banks and Wall Street to protect middle-class families from their predatory practices.
- A champion for our seniors, Jeff has strongly opposed attempts to privatize Social Security and Medicare.

Taking on the fights to protect Oregon values:

- Jeff has fought to protect a woman's right to choose and to ensure women have access to affordable and safe healthcare.
- In the Senate, Jeff has led the charge for equality with workplace protections for the LGBT community and support for marriage equality.
- Jeff supports equal pay for all; one of his first acts as Senator was to vote for equal pay legislation.

"Senator Merkley has been a terrific partner fighting for Oregon's middle-class families and working to create good-paying jobs. He has been an outstanding champion for Oregon values. I look forward to continuing our work together to make sure Oregon is a great place to live and work."

Peter A DeFazio

Democrat

Occupation: U.S. Representative

Occupational Background: Chair, Lane County Commissioner, U.S. Air Force Reserve

Educational Background: Tufts University, University of Oregon

Prior Governmental Experience: Chair, Lane County Commission

CREATING JOBS FOR OREGONIANS

DeFazio has led the fight to increase investment in our crumbling transportation infrastructure that will create thousands of jobs for Oregonians, increase safety, and improve America's competitiveness. He supports water resource development legislation to improve our ports and bring jobs to Oregon's south coast.

FIGHTING FOR AMERICAN WORKERS

DeFazio has fought every job-killing "free trade" agreement, including the new Trans-Pacific Partnership, which will undermine middle class jobs and wages, worker safety standards, weaken environmental protections and threaten internet freedom.

PROTECTING SOCIAL SECURITY

DeFazio has been a consistent supporter of efforts to protect Social Security and is endorsed by the National Committee to Preserve Social Security and Medicare. He supports an improved annual cost of living adjustment and has proposed legislation to guarantee Trust Fund solvency by having the wealthiest millionaires pay the same rate into Social Security as the average American worker.

STANDING UP TO WALL STREET

DeFazio fought the financial deregulation that led to our country's economic collapse and opposed the massive Wall Street bailout.

SUPPORTING EQUALITY FOR ALL

DeFazio advocates for fairness and equality for all Americans. He is a proud sponsor of the Employment Non-Discrimination Act, ensuring that all Americans are treated equally in the workplace. DeFazio was an early endorser of Oregon's United for Marriage ballot measure.

FIGHTING CLIMATE CHANGE

DeFazio supports strong action to combat climate change including the Obama Administration's efforts to reduce power plant emissions. He will continue to fight attempts in Congress to weaken our nation's most important environmental laws.

NO TO PAY RAISES, YES TO SCHOLARSHIPS

DeFazio has opposed every congressional pay raise and, by the end of 2014, will have contributed \$378,000 of after-tax salary to fund 237 scholarships for dislocated workers at community colleges in Southwest Oregon and to reduce the national debt.

Governor

John Kitzhaber

Democrat

Occupation: Governor of Oregon

Occupational Background: Emergency Room Physician, Roseburg

Educational Background: South Eugene High School, 1965; B.A. Dartmouth College, 1969; M.D. University of Oregon Medical School, 1973

Prior Governmental Experience: Governor 1995-2003, 2011-present; Senate President 1985-1993; State Senator 1981-1993; State Representative, 1979-1980

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

We erased one of the largest per capita budget deficits in the nation with bipartisanship and civility, not gridlock.

We created over 60,000 jobs and now have **one of the nation's fastest-growing state economies.**

We are reinvesting in our schools, adding over \$1 billion in school funding this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that **lowered the cost of state government.**

We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20% and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

We've accomplished big things together. But there is more work to do. I believe we are up to the task.

Sincerely,

John Kitzhaber

LEE BEYER: A Record of Experience and Commitment

Dear Neighbors:

We have faced hard times. But we can pull together, put partisan bickering aside, and get Oregon moving again. I am committed to doing that! And, I have the experience to get the job done.

For most of my professional life I have worked with and assisted businesses in solving problems, helping them expand or locate in the Willamette Valley. These efforts, over the past three decades, have helped create thousands of new jobs. I understand business and the barriers they often face. But most important, I know that without successful businesses and the employment they provide we won't have the resources necessary to properly educate our children, keep our neighborhoods safe, or provide the critical public services we need.

My priorities:

- Getting Oregon's economy moving ahead!
- Providing a quality education for Oregon's children, including the opportunity to obtain a technical or college education.
- Slowing the growth of health care costs.
- Making government more accountable and efficient -- **We can't afford to keep doing things the way we always have!**

I have a proven track record of serving the community. I know how to work with others to get things done and I understand how government works and what needs to be changed.

Serving your neighbors is the greatest honor. I take the responsibility of public service seriously and respectfully ask for your vote.

Regular speaker at continuing legal education programs. Author of two articles on insurance law reform in Willamette Law Review. Author of chapters in state bar books on torts (auto insurance), insurance (claims against insurers), civil procedure (joinder), & appeals (jurisdiction). Promoter of legislation passed to solve shortcomings in auto insurance in 1997, 2005 & 2007.

Personal: Wife, veterinarian in Springfield. Two grown sons.

Judge DeVore was born in Iowa and raised in Alaska. As son of a minister and a teacher, he grew up valuing service to others. Law practice became a practical way of working with people's problems one at a time. For 30 years, he handled disputes in trial and on appeal in state and federal courts. He was often brought in on troubled cases to overcome procedural threats of dismissal and assure clients of their "day in court" on the merits of their cases.

Appointed in 2013, Judge DeVore stresses that a judge must listen, be patient, fair, and open-minded, see through the fog of conflict, know well the facts and law of each case, care about people, and work hard to see justice achieved. In Oregon, we have a right to expect that and nothing less.

Updating your voter registration

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at www.oregonvotes.gov.

What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.gov or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.gov or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
