SECRETARY OF STATE

ROBERT TAYLOR  
DEPUTY SECRETARY OF STATE

JIM WILLIAMS  
DIRECTOR

255 CAPITOL ST NE, SUITE 501  
SALEM, OREGON 97310  
(503) 986-1518

Dear Oregon Voters,

Welcome to the 2014 Primary Election Voters' Pamphlet. Enclosed you will find valuable information about candidates and issues. If you are not yet registered to vote, you have until April 29, 2014, to do so. Here in Oregon we have made it easy for eligible Oregonians to register, update your registration and track your ballot. Simply visit [www.oregonvotes.gov](http://www.oregonvotes.gov).

As your Secretary of State, my goal is to encourage all eligible Oregonians to exercise their most fundamental right to vote. If you're questioning whether your one vote really makes a difference, then consider this: I won my first race for the state House by just seven votes. Every vote counts! Your vote is your voice, and every voice matters!

As Oregon's top elections official, sometimes I have to tell hard truths. And the truth is that four years ago in the last gubernatorial primary election total voter participation was only 41.62%. In other words, less than half of registered voters actually cast a vote during the 2010 primary. We can do better than that!

Indeed, in 2010, there were some bright spots. Lake County had a voter participation rate of 63.90% - more than 20 percentage points higher than the statewide average! Close on Lake County's heels were Harney County at 62.29% and Gilliam County at 60.05%. I know every person in Oregon cares about their right to vote just as much as the people in Lake, Harney, and Gilliam Counties – but we all need to show how much we care by actually casting a ballot.

Every county in Oregon should strive to have the highest voter participation rate – and it's up to each and every voter to do their part by voting. So in this 2014 primary, I encourage you to look to the people of Lake, Harney, and Gilliam Counties as models. Vote! Be heard! And help your county earn the honor of having the highest voter participation rate in Oregon!

And please remember that all ballots must be received by your county elections office by 8pm on May 20, 2014. Postmarks do not count. If you have questions please call our toll free hotline at 1-866-ORE-VOTE, or visit our website at [www.oregonvotes.gov](http://www.oregonvotes.gov).

Sincerely,

Kate Brown  
Oregon Secretary of State

## Voters' Pamphlet

Your official 2014 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at [oregonvotes.gov](http://oregonvotes.gov).

## Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2014, Republican candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

## Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2014 Primary Election is:

G, I, U, M, H, V, W, Z, Y, D, A, O, P, C, L, E, R, N, X, T, B, O, J, K, S, F

One will be mailed to you as long as you request it by May 15. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 20, 2014.

### Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

# Monica Wehby

Republican

**Occupation:** Director of Pediatric Neurosurgery, Emanuel-Randall Children's Hospital

**Occupational Background:** President, Oregon Medical Association; Trustee, American

Medical Association; President, Medical Society of Portland; Board, American Association Neurological Surgeons

**Educational Background:** University of Notre Dame, Baylor College of Medicine, UCLA Neurosurgery Residency, University of Utah Pediatric Neurosurgery Fellowship

**Prior Governmental Experience:** VA Hospital, Neurosurgical Resident; Chief Petitioner, Citizen Ballot Initiative for TORT Reform

**Community Service:** Trustee, Ronald McDonald House Charities; Volunteer Surgeon, Haiti Earthquake Humanitarian Crisis

### Keep Your Doctor – Change Your Senator

I'm a neurosurgeon and the mother of four teenagers. I've spent my life problem-solving. I can't just stand by and watch as Oregon families, seniors, and veterans struggle.

Politicians are trained to argue; doctors are trained to evaluate data and fix things. It's time to fix DC.

### Opportunity for Oregonians

We need a federal government that will partner with small businesses to grow our economy, not a government that dictates, mandates, and over-regulates every aspect of our lives. With less national debt and a focus on job growth, we can help Oregon families thrive.

### Healthcare Reform

In 2009, I appeared in nationwide television commercials warning Americans about the flaws in Obamacare. I knew this massive bill was going to mean more red-tape and higher premiums, while damaging the doctor-patient relationship. Oregonians deserve patient-centered, market-based solutions for healthcare. Having 30 years of medical policy experience, I can deliver on that promise.

### Excellence in Education

I will work to bring our federal education dollars back to Oregon, increase school choice options for our families, and decrease frivolous mandates. I will take on Common Core, protect our children's privacy, and promote block-grants that empower our teachers and local communities.

### Oregon Farmers Endorse Dr. Wehby

"Dr. Wehby is not a career politician; she actually listens to the concerns of Oregonians. She's a problem-solver. That is exactly what Oregon farmers and their families need in DC right now."

-Barry Bushue, President, Oregon Farm Bureau

Multitudes of issues face the United States, none as important as the financial health of America. 01/30/14, U.S. Government debt exceeded \$17.3 trillion. This is unsustainable. This must change. Congress refuses to be realistic or honest with you, and continue to increase the debt limit. Your hard-earned tax dollars do not belong to the government. It is your money!

**It is time we elect a new senator with an allegiance to the voters, not special interests and lobbyists.**

As a former financial advisor and Oregon's next US Senator, Jo Rae Perkins will carry with her the same ethical standards of the prudent man law and fiduciary responsibility treating your tax dollars with care, acting in your best interest, using caution in all fiscal decisions. It is time Congress acts to Cut Spending, Cap the Debt, Balance the Budget.

### Jo Rae Perkins on issues:

We need a strong military and support for our veterans  
Life begins at conception. She is pro-life/adoption

For additional information about Jo Rae Perkins' views, visit [www.OregonsNextSenator.com](http://www.OregonsNextSenator.com).

**As Oregon's next US Senator I promise along with my staff, every bill will be read prior voting.**

Before considering how to vote, every bill must be:

Congruent with the US Constitution  
Free of pork barrel spending/unrelated projects  
Fiscally and socially conservative

### I'm All In!

In 2012, I allowed my professional investment licenses to lapse because I knew I would be running for the U.S. Senate. I am the only US Senate Candidate 100% committed. I walked away from my career. I pledge my fortune, sacred honor and life to make a positive difference for every United States Citizen.

**Humbly I ask for your vote.**

### Leadership, Integrity, Character, Honor & Trust

#### End Government Infringement:

We must stop our government from violating our constitutional protections. From the NSA spying us, to them attacking our 2nd Amendment rights, to the IRS targeting, to political correctness destroying our religious freedom. Our nation's sovereignty is under attack with the implementation of Agenda 21 and Common Core. As your constitutionally conservative Senator, I will stand strong, with Senator Ted Cruz for the rights of all Americans.

#### Economy:

As your Senator, who believes in the free market, I will work to make America's economy strong again, beginning with the Full Repeal of ObamaCare a.k.a "MerkleyCare".

#### Balance Budget; Reduce Spending:

As your fiscally conservative Senator, and a believer in limited government, I will reduce wasteful spending and push for a balanced budget amendment.

#### Fellow Americans:

We're at a crossroads affecting the very freedom our constitutional republic was founded upon. Supporting moderate candidates, that don't win general elections, is not an option. We need to elect a true conservative candidate that will fight for American values. We will win this election, by distancing ourselves from career politicians who are only looking to advance their own careers. We will win with a Pro-Life candidate that embraces our conservative values. A candidate not afraid to hold the President accountable for lying to us, without hesitating to convict him, if the House impeaches him. A candidate that isn't afraid to take on the establishment, to promote freedom from government intrusion, dependency, & poverty. My fellow Americans, **I Am That Candidate**. Thank you and May God Bless America.

## Timothy I Crawley

Republican

**Occupation:** Attorney

**Occupational Background:** Nichols & Associates

**Educational Background:** U.C. Hastings, J.D.; Williams College, B.A.

**Prior Governmental Experience:** U.S. District Court, District of Oregon; Supreme Court of California; Federal Reserve Bank.

I was born and raised in Cottage Grove where my parents still reside. I consider it a personal obligation to help Oregon maintain its natural beauty and a healthy ecology while continuing to enjoy the benefits of a free market, untainted by monopolistic power. I have travelled to nearly thirty countries and explored a multitude of foreign cultures and environments, but Oregon has always remained my home. That is why, after completing my legal education in California and beginning my professional career there, I have returned to Oregon.

My family always encouraged me to serve others. I have advocated for civil rights in the Middle East; crewed an Alaskan fishing boat; educated the public for the Federal Reserve Bank; and represented tech entrepreneurs at a law firm in Silicon Valley. Since my return to Oregon, I have been a volunteer in environmental restoration efforts and *pro bono* legal services in Portland, tenured with an Oregon U.S. District Court judge, and currently work with a personal injury, civil rights, and small business Portland law firm. My credentials for U.S. Senate include skills in negotiation and mediation for which I have been honored internationally in the U.S., Germany, and Canada. I am a member of the Oregon and California State Bars.

As a U.S. Senator, I would help restore self-determination to our local communities by ending intransigent party warfare and righting our capsized political system. The ideals of a democratic financial system must be revived in practice. We must return to a saner foreign policy, halting an intolerable drain of American blood and treasure abroad while adopting more effective strategies for peace. Perhaps most important, we must secure our sacred individual rights to life, liberty, and the pursuit of happiness – free of unwarranted government interference.

**JASON CONGER FOR U.S. SENATE  
REAL. CONSERVATIVE.**

Jason Conger and his wife, Amy, have been married for 25 years and have five children. Jason lives and practices law in Bend and is proud to represent his community in the Oregon Legislature.

Jason faced poverty most of his life. He knows how it feels to be hungry, to live in a single-wide trailer without heat in the winter, and even to be homeless.

But Jason's story doesn't end there. After striking out on his own at 16, working his way through community college and Humboldt State University, Jason was accepted into Harvard Law School.

In 2010, Jason defeated an incumbent Democrat for a seat in the Oregon House of Representatives. Two years later, Jason won re-election by an overwhelming margin. His central Oregon district is a microcosm of the state, and Jason has proven he can win tough elections against the odds.

Jason has championed conservative issues like tax cuts, traditional marriage, life, 2nd amendment, and a balanced budget.

Jason Conger knows the struggles of Oregon's working and middle-class families. He understands what it takes to get out of poverty, and he can connect with voters Republicans have struggled to win in recent elections.

Homeless to Harvard is just part of the Jason Conger story. Help Jason defeat Jeff Merkley and he will fight for conservative principles in DC.

**BEN POLLOCK IS FIGHTING FOR OREGONIANS RESTORING OUR ECONOMY**

A lack of jobs, stagnant wages, and rising prices have hurt Oregon families and prevented hard working Oregonians from getting ahead. An ever-larger Federal Government has not solved these problems and has only made things worse. We need pro-growth and pro-job tax reform, reined in government spending, free-market healthcare, increased local control of our timberlands, and regulatory reform that will unleash opportunity for all.

**KEEPING PROMISES**

We have made promises to our seniors and veterans that must be honored. While Social Security and Medicare are undeniably insolvent in the long term, the reforms we make must honor our commitments to seniors. In addition, we must guarantee that those men and women who have worn the uniform of the United States are treated with the utmost respect when they return home; it is the least we can do as a nation forever in their debt.

**BACK TO BASICS**

The Federal bureaucracy acts far outside its Constitutional authority, spending money we don't have on programs we don't want. We must restore autonomy to state and local governments and let Oregon decide what's best for Oregon. This includes local control of education, which is why Oregon Moms Building Excellent Schools Together has endorsed me. As a member of Congress, I will defend the entire Constitution, including the Second, Fourth, and Tenth Amendments.

**A CONGRESS OF THE PEOPLE**

This country will not change for the better if we keep electing career politicians. I have not been a lobbyist or skipped from one taxpayer funded position to another, and I don't lie about my positions or endorsements to win votes. We need citizen representatives who go to Congress, serve their constituents, then come home, get a real job, and live under the laws they've passed.

**Today's Congress has earned its 9 percent approval rating**, passing Obamacare when the American people didn't want it, and refusing to allow reasonable harvests on our federal timber lands, even though our rural counties are starving. Congress refuses to pass a federal budget, let alone a balanced budget.

**My commitments:**

I know how a **Republican like me can win elections** in Western Oregon. It's not easy, I've done it: twice in the state legislature, as recently as 2012, when I beat an incumbent for Clackamas County Commission.

## Gordon Challstrom

Republican

**Occupation:** Retired

**Occupational Background:** Commercial Contractor

**Educational Background:** University Nevada-Reno; Bachelor Degree in Business

Administration, minors in economics and international management

#### Prior Governmental Experience: None

Gordon Challstrom has the equivalent of a Ph.D. in the school of hard knocks. As a youngster, Gordon worked in the fields of the Willamette Valley and delivered newspapers to help his single mom make ends meet. After high school, Gordon became the youngest grocery manager in Albertson's history before achieving a four-year university degree in only two years.

Returning to Oregon, Gordon built a multi-million dollar commercial concrete business from the ground up, creating dozens of family wage jobs throughout Oregon.

When the recession hit Oregon hard, Gordon became increasingly alarmed by the direction a nonstop stream of liberal governors had taken Oregon. As governor, Gordon's focus will be on getting Oregon's economy back on its feet and making Oregon a state that is friendly to small businesses and entrepreneurs - the real job creators.

A man of principle, Gordon Challstrom is an across-the-board, limited government conservative who believes government should *protect* private property rights, not *undermine* those rights through intrusive, overreaching land-use regulations.

As governor, Gordon will work to bring the massive amounts of federal lands in Oregon under the control of Oregon counties - for the benefit of all Oregonians.

Gordon will oppose tax increases. He believes Oregon's high income tax rates are depressing job creation and sending a clear message to new and expanding businesses to locate elsewhere.

Gordon believes schools should be about kids and the basics of education rather than a race to spend never-ending sums of money catering to the demands of teachers unions.

As a strong supporter of the Second Amendment, Gordon will defend life, liberty, property, and the traditional definition of marriage. Oregon needs Gordon's wisdom and leadership. Please vote Gordon Challstrom for governor.

Elect a lawyer, get more laws. Elect a businessman, get more jobs!

## Tim Carr

Republican

**Occupation:** Gubernatorial Candidate

**Occupational Background:** CEO + President of CoSource USA 2004 - 2013; Vice President of Sales and Marketing at DePaul Industries 1995 - 2004

**Educational Background:** Attended University of Portland. Graduated Portland State University, BS Political Science. Jesuit High School

**Prior Governmental Experience:** None

My name is Tim Carr, and I'm from Portland but for Oregon. I am committed to making *Oregon* an even greater place to live by playing an active role in making my community a safer, better place to raise my children, find employment, and forge a future filled with promise.

As a life long Oregonian, a businessman, and an entrepreneur, I have seen first hand, what 25 years of democratic leadership has done for our great state. We have lower job opportunities that ever before and our quality of life has decreased.

Running the state of Oregon is like running a business; which is why we need to elect leaders who recognize that we are all on the same team. We're Oregonians, and we all want what is best for Oregon.

**As Governor, Tim Carr will focus on:**

**Economic Prosperity:** Attract (*aka STEAL BUSINESSES*) from other states by creating a "business friendly" environment through Taxation Reform and Sensible Regulation Reform.

**Education Strength:** Prioritize budgets to ensure fiscal sustainability for public schools (K-12) and focused initiatives to promote Oregon's world class higher education facilities.

**Government Spending:** Develop a path to eliminate wasteful programs that take money away from Education, Public Safety, & Economic Development.

**PERS Reform:** Stop the debilitating effect of state and local government being strapped and strangled by PERS requirements.

**Environmental Stewardship:** Work to find a long-term resolution to the O+C Land issue and provide sensible solutions for our environment without sacrificing jobs.

Please vote for me, Tim Carr...as a Republican whose agenda is to make Oregon better for everyone. We may not always agree, but we can always find some common ground.

## Governor

## Dennis Richardson

Republican

**Occupation:** Businessman, State Representative

**Occupational Background:** Army Combat Helicopter Pilot. Decades of experience as a small business owner and small town attorney.

**Educational Background:** BYU, J. Reuben Clark Law School

**Prior Governmental Experience:** City Councilor, School District Budget Committee, Oregon House of Representatives.

**Community Service:** Boy Scout and church youth leader, volunteer soccer coach, veteran.

### Vision & Leadership

Oregon has operated without a vision for the future for far too long. A Richardson Administration will rise to the challenge of preparing our state for the future, protecting our seniors, educating our children and empowering small businesses to grow, prosper and create jobs.

### Creating Jobs, Promoting Oregon

I've organized and directed 10 international legislative trade delegations to promote Oregon business, education and tourism. As Governor, I will open new markets for Oregon products and services that create jobs and return prosperity to Oregon.

### It's Your Money – Demand Value.

I've earned a reputation for demanding absolute accountability and fiscal discipline from government. I'll put an end to cronyism, demand accountability and lead a government that will be more focused on protecting your job than mine.

### Balancing Priorities

We can protect our environment and our jobs. My policy will be simple – I'll get government out of the way of good corporate citizens that follow the rules and create good jobs but I will have a zero tolerance policy for those that put self-interest ahead of responsibility.

### Innovation

Innovations in energy, communications, transportation and manufacturing are providing full-time, living wage jobs for a new workforce. These technologies must be supported with world-class education, trained skilled labor and a predictable regulatory environment that fosters investment in Oregon.

"It's time for a Governor who will listen to the people, take responsibility to hold state agencies accountable, and make sure that every penny is spent with purpose. It's time to get Oregon back on track."

We live in such an amazing state! Calling Oregon our home has been a real blessing for our family. I love this state--from the northeast Willows to the Mt. Jefferson Wilderness and the amazing Oregon Coast. Salem, in particular, has been a great place to lay down roots and raise a family. It's been a welcoming home, filled with kind and gracious people.

We see example after example of good money being thrown after bad by state agencies. While the latest instance is Cover Oregon, it is by no means alone in highlighting the poor judgment of state bureaucrats. **If we tried to maintain our household budgets the way our state handles its finances, we'd all be forced to hire a good bankruptcy attorney.** The core responsibilities of state government are ignored while dubious political and environmental causes are celebrated--all to the detriment of our state and economy. Today, more than perhaps ever before, we need men and women who embrace **accountability and common sense** in all that they undertake.

I have many recommendations for streamlining and modernizing state government, but I first want to take a hard look at State Police staffing levels. Are Oregon's constitutional obligations with regards to safety and protection of life and property being met, or is our state failing to meet its most important responsibilities?

Are you ready for real change? If so, please cast your vote for Karl B. Erickson for the **Oregon House District 20** seat. I am a fiscal conservative, pro-life Republican, and I look forward to working for you.

**Prior Governmental Experience:** School Board, Site Committee, Tea Party.

**It's time to use common sense in creating jobs, so send a conservative businessman to do the job.**

**God, Family, Country, Constitution, Honor, and Truth = Common Sense**

***Let us work together to make Oregon great.***

I believe we can all agree that the economy is the number one issue facing Oregon today. When it comes to creating jobs we need people with real business experience to make that happen. We have already seen politicians with government experience, educational and community coordinator backgrounds utterly fail at understanding the business practices that generate jobs. President Obama signed the American Recovery and Reinvestment Act in 2009 and after spending 830 billion of your dollars, no positive increase of jobs or economic growth has taken place.

Educated and skilled men and women find inadequate opportunities in the job market. (in 2013 more women graduated from college than men) There are fewer skilled jobs today than in 2005 and many more qualified applicants ready and willing to work. It is frustrating for skilled college graduates to find the only job available is one requiring a high school GED and paying minimum wage.

***"Bring common sense and jobs back to Oregon"***

***"Reduce the influence of special interests groups on politicians"***

***"Stop wasteful spending and make better spending decisions with the State budget"***

Electing the right person to make positive changes in your government is one of the most important decisions you can make as a citizen.

Let's stop sending politicians to do what they have no experience in doing, creating jobs.

**A Better Future for Small Business Owners and Hardworking Taxpayers.**

I was born in Salem and have lived most of my life in the Central Willamette Valley. Since graduating from WOU, I started and continue to own a small business and I understand the challenges that hardworking taxpayers face today.

We are in the longest streak of high unemployment since the Great Depression. I believe Oregonians deserve better than that. We need better solutions to the challenges we face, not more government rules, red tape, and bureaucracy.

**Let's Honor Our Military Veterans and Seniors.**

Our Seniors helped build this country and our Veterans continue to die protecting it. We owe it to them to make sure they are taken care of.

**We Must Create the Opportunity for Our Children to Have a Better Future.**

Oregon is consistently ranked in the bottom 10 in education, and dead last in math. This is unacceptable. Our children and teachers deserve better. Government bureaucrats shouldn't be pitting children and parents against teachers, while squandering education dollars. Oregon deserves better.

**It is Time for Real Solutions.**

Oregon must be a place where hard work is still rewarded. A better solution exists for the challenges that face this beautiful state we call home. We have the ability to put people back to work, improve rural health care, and promote Oregon's wonderful agriculture. We can reform the tax code, eliminate loopholes, lower rates, and create economic growth. That discussion begins and ends with you, and I am listening.

Let's get Oregon working again.

### Mike Nearman — Strong, Focused, Conservative Leadership

Mike Nearman believes voters deserve to be represented by someone focused on creating jobs, limiting taxes and ensuring we have a strong education system for our children—all while not sacrificing conservative principles.

Mike believes the Legislature needs to:

- Give more support to small businesses to help create jobs.
- Reduce unnecessary regulations and the size of government.
- Stop tax and fee increases.
- Focus resources directly into classrooms so every student has the opportunity to read by the 3rd grade.
- Expand vocational training for students not seeking a four year degree.

### Mike Nearman—A Man of His Word

Mike won't sacrifice his principles when the political winds shift. As your representative, he will unite his core values with basic common sense as he carefully reviews and votes on legislation.

"Jim Thompson ran for office as a conservative but has since flip-flopped and is now a leader for the pro-gay marriage coalition. Oregon Family Council PAC knows Mike Nearman will be a dependable advocate for family values and traditional marriage."

Jack Louman, Oregon Family Council PAC

### Mike Nearman—Advocate for Common Sense Government Reforms

Mike believes taxpayer funded programs should be regularly analyzed for their cost-effectiveness and whether they would be better run by the private sector. Government projects that run over budget should be audited and administrators should be held accountable.

### Mike Nearman—Solid Pro-life Credentials, Pro-Traditional Marriage and Pro-2nd Amendment

Mike has always been strongly pro-life, pro-marriage and pro-gun rights.

"Oregon Right to Life PAC endorses Mike Nearman for State Representative because we know we can count on him to advocate for protecting the unborn and elderly."

**Precinct Committeemen and Committeewomen in the Oregon Republican Party**

What is a PCP?

The 700,000 registered Oregon Republicans are the grassroots heart of the Republican Party of Oregon. Precinct Committeemen and Committeewomen are chosen from among that 700,000 to organize advocacy for Republican political principles in their Oregon neighborhoods and communities and support for Republican candidates for office.

The PCPs also control the state Republican party (ORP). They elect the office holders in their county Republican Committees, who, in turn, set policy for and elect the officials of the Oregon State Republican Party. The PCPs also select delegates to the state and national Republican conventions.

PCPs and the County officers whom they elect are the primary organizing and directing force for the thousands of additional Republican volunteers who arise from the electorate to work on behalf of Republican principles and candidates.

What are Republican Principles?

Republican principles are timeless. They have been found to be the best way for people to live together, while exercising their fundamental individual rights to life, liberty, and the pursuit of happiness. That happiness – the pursuit of the greatest enjoyment of the blessings of a human life – requires protection for life, liberty, private property, and common sense ethical principles.

These principles are found in our Bibles and in the founding documents of our Constitutional Republic. Individual Republicans express these principles in many ways and live their lives in a wide variety of manners that are enabled by American freedom.

Individual Republicans hold, with variations, most of the following views:

- The strength of our nation lies with the individual. Each person's dignity, freedom, ability, and responsibility must be protected and honored.
- Equal rights, equal justice and equal opportunity for all Americans, regardless of race, creed, sex, age or disability must be preserved.
- Free enterprise has made America a land of opportunity, economic growth, and prosperity.
- Government must be fiscally responsible and require in taxes only that minimum of the earnings of Americans required to fulfill its Constitutional responsibilities in an efficient and effective manner.
- The traditional customs and culture of our nation must be preserved, especially those that are essential to our families, our professions, and our way of life.
- In general, everyone should do all that they agree to do, and no one should encroach on other persons or their property.

In this 2014 election campaign, Oregon Republicans will work to elect Republicans to public office throughout Oregon – local candidates, candidates to the Oregon House, Senate and Governorship, and candidates to the United States House and Senate.

We invite you to become a Republican Party PCP and to work beside us on behalf of good government in our state and nation.

Brown is concerned that the economical interest of the average American is not being represented. The TPP trade-agreement which is described as NAFTA on Steroids, it would mean Americans will have to compete with Vietnam and 11 other countries wages. Brown will oppose the TPP. My opponent voted yes to the Korean Trade Agreement on Oct. 12, 2011 which has hurt the American steel industry.

Increasing wealth & income inequality in the U.S. is the greatest moral and economical issue of our time. Raising the federal minimum wage to \$10.10 is important, 7 out of 10 Americans are in favor of this. If you want people off food stamps, if you want people off of welfare, if you want women to be self-sufficient, vote for Brown. My opponent voted against this with the Republicans in 2013.

Brown will support your rights to clean air, clean water, economical college and vocational schools for the 21st century, healthcare for all & environmental protection.

## Governor

**Occupation:** Governor of Oregon

South Eugene High School, 1965; B.A. Dartmouth College, 1969; M.D. University of Oregon Medical School, 1973

My Fellow Oregonians,

Four years ago Oregon was a polarized state with an uncertain future. Standing in the depths of the recession, our legislature was divided, faced with high unemployment and a budget deficit of \$3.5 billion.

Since then, we have accomplished a lot together:

**We erased one of the largest per capita budget deficits in the nation** with bipartisanship and civility, not gridlock.

**We created over 60,000 jobs** and now have **one of the nation's fastest-growing state economies.**

**We are reinvesting in our schools, adding over \$1 billion in school funding** this biennium, while making strides towards a seamless, outcomes-based public education system from pre-school through college and career training.

We enacted pension and public safety reforms that **lowered the cost of state government.**

**We have enrolled over 260,000 Oregonians into health coverage, lowered the rate of the uninsured by 20%** and created a health care system that will keep people healthier at significantly lower costs.

And we did it the Oregon way, refusing to let partisanship get in the way of doing the right thing.

We've made remarkable progress. But change is fragile in its beginnings. I'm asking for your vote so we can solidify and expand our progress on education, health care and the economy and tackle the great challenges still before us:

- Ensure that Oregon's economic recovery reaches all Oregonians by reducing the "opportunity gap" and income stagnation that is eroding the middle class.
- Accelerate our transition to a sustainable, clean economy.
- Bring stability to our public finance system to reliably reinvest in public education.

**We've accomplished big things together. But there is more work to do. I believe we are up to the task.**

Sincerely,

John Kitzhaber

## David Gomberg

**Occupation:** Small Business Owner

**Occupational Background:** President, Gomberg Kite Productions Inc/Northwest Winds Kite Stores

**Educational Background:** BS (Political Science - Honors) OSU; MA (Political Science/History/Economics) OSU; MBA (Marketing/Finance) Willamette University

**Prior Governmental Experience:** State Representative; Governor's Commission on Senior Services; Oregon Small Business Task Force; Legislative Aide to Barbara Roberts

**David Gomberg: Leadership for the Central Coast and Coast Range**

David is a small businessman, not a politician. For more than 20 years David and his wife Susan have built a successful kite business on the Oregon Coast and created good jobs in our community. We need a representative in Salem who has worked in the real world and understands when government can help and when it needs to stay out of the way. He's tired of partisan bickering and has a proven record of putting politics aside for the good of the state.

**David's priorities are your priorities:**

- Creating living-wage jobs.
- Strengthening our Schools and Community Colleges.
- Continuing his work with seniors that earned the endorsement of the Oregon State Council for Retired Citizens.
- Balancing economic development with protections for Oregon's unique environment and quality of life.

In his first term, David emerged as a champion of small business by working to streamline regulations, reduce small-business taxes, and create local jobs. David's advocacy of independence, security, and dignity for older Oregonians earned him an appointment to the Governor's Commission on Senior Services.

David stood firm for stronger school budgets to restore teaching days and reduce class sizes. He was a leading advocate for our Community Colleges.

David voted against GMO's and believes in quality food that is local, healthy, and real. He worked for safer, non-toxic children's toys. For fighting animal cruelty and neglect, David was named Legislator of the Year by the Humane Society of the United States.

**David argued that before we raise taxes on law-abiding Oregonians, we must do a better job of collecting money owed by tax cheats.**

Dear Voters:

I am running for the Oregon House of Representatives because I believe Oregon should: guarantee opportunity for all our citizens; provide a safe environment; protect our basic rights to think, to act, and live without fear; and promote the future even as we provide in the present.

Oregon is always at our best when we are pursuing worthy goals in common cause. We need to modernize our government for the challenges of the 21st Century and beyond. Government is not merely a collection of services; it is not just a public corporation or business. Government is a public trust responsible for empowering our people and for stewarding our natural resources. Government is the result of our choices, leadership, and expectations.

This election I ask you to consider the kind of Oregon you seek, and to choose the candidate with a proven history of public service and the necessary leadership experience for representing our interests and values in the Legislature.

Together we can renew our nation, state, and communities.

Respectfully,

Paul Evans

**State Representative, 23rd District**

**Wanda Davis**

Democrat

**Occupation:** Operations & Policy Analyst, Oregon Health Authority

**Occupational Background:** State of Oregon: Contested Case Hearing Representative, Administrative Rules

Coordinator. Private Sector: Customer Service, Sales Coordinator. Support Volunteer, Dallas Fire Department.

**Educational Background:** Dallas High School, US Navy Schools.

**Prior Governmental Experience:** None

I was born in Oregon and have spent most of my life in House District 23.

My family knew plenty of hardship as I grew up in rural Polk County. We thrived through hard work and with help from our community. I've spent the rest of my life paying forward that help through service to others.

This is my first race for the Oregon House of Representatives. I'm excited about this opportunity to serve the people of my district.

I'm a mother and grandmother, a member of the Gun Owners Caucus of the Democratic Party of Oregon, a former member of the Dallas Volunteer Fire Department and a U.S. Navy Veteran.

As Chair of the Polk County Democrats, I've been privileged to participate in robust but respectful discussions. I've acquired relevant experience in finding common ground and meeting goals. I know how to disagree without being disagreeable.

Washington DC style politics have overwhelmed our local debates. We can't let that continue. Oregon can set an example for the folks in the nation's capital.

I'll bring fresh ideas and a determination to bring people together to solve our problems. I'll cooperate when it helps our district and I'll put up a fight when necessary.

But I can't do it alone. I need your help getting elected and, together, we can make positive changes for Oregon.

Vote Wanda Davis for Oregon House District 23!

It's up to you! You can make the difference. You did it in 2012, and now is the time for you to step up again.

This year, we have a lot at stake. We need to reelect our statewide champions of Oregon's middle class: U.S. Senator Jeff Merkley, Governor John Kitzhaber, Labor Commissioner Brad Avakian, and our great Democratic Congressional team. **Occupational Background:** Associate Justice, Oregon Supreme Court; attorney and managing partner in private practice; Oregon Deputy

Attorney General; U.S. Department of Justice trial attorney

**Prior Governmental Experience:** Deputy Attorney General, Oregon Department of Justice (1993-97); Trial Attorney, U.S. Department of Justice (1979-80)

**Re-elect Chief Justice Tom Balmer to Oregon's Supreme Court**

In 2012, Tom Balmer's colleagues on the Oregon Supreme Court showed their confidence in his judgment, leadership, and legal skills by selecting him to serve as Chief Justice. In that role, he has led the Oregon courts through a difficult budget climate by carefully managing limited resources, adopting technology innovations that work, and improving court efficiency. Chief Justice Balmer has traveled the state to visit local trial courts and seek ways to improve access to justice for all Oregonians — while carrying a full workload of opinions and rulings on the Supreme Court. That performance is no surprise. Since 2001, Tom Balmer has served on Oregon's Supreme Court with distinction, exhibiting fairness, intelligence and an extraordinary work ethic.

**Experience**

The foundation of Chief Justice Balmer's success is his hands-on experience in the key areas the Supreme Court deals with every day. He has tried jury cases, argued before the U.S. Supreme Court, advised individuals and business clients on a wide variety of matters, and counseled elected and government leaders on constitutional and public law issues. As Deputy Attorney General, he argued criminal, election and constitutional law cases in Oregon and Federal courts. Tom Balmer's reputation as a thoughtful scholar and practical problem-solver is well known. His broad, well-rounded experience and integrity has earned widespread support.

**Broad Support**

It is a mark of Tom Balmer's fairness and integrity that he has earned the support from across the political spectrum and from all parts of the legal profession.

As citizens, we are each responsible to do our part to make our system of justice one that is fair, impartial and effective. As a judge on your Supreme Court, my particular part is to listen respectfully, think carefully and write clearly. Over the past seven years I have learned from my colleagues, worked hard at my tasks, and delighted in the amazing opportunity that this job presents. I try, every day, to fulfill my responsibility to you and to do my best to ensure that every person is equal before the law. I would be honored to have your vote.

**Personal:** Wife, veterinarian in Springfield. Two grown sons.

Judge DeVore was born in Iowa and raised in Alaska. As son of a minister and a teacher, he grew up valuing service to others. Law practice became a practical way of working with people's problems one at a time. For 30 years, he handled disputes in trial and on appeal in state and federal courts. He was often brought in on troubled cases to overcome procedural threats of dismissal and assure clients of their "day in court" on the merits of their cases.

Appointed in 2013, Judge DeVore stresses that a judge must listen, be patient, fair, and open-minded, see through the fog of conflict, know well the facts and law of each case, care about people, and work hard to see justice achieved. In Oregon, we have a right to expect that and nothing less.

**The Problem**

**Polk County is in a financial crisis. For many years the timber industry has been producing less money for Polk County. The current Commissioners have failed to develop a solution or implement a long term strategic plan to solve this crisis. My opponent has simply cut budgets putting people out of work especially from the Sheriff's Office while doing nothing to solve the county's long term financial problems. My opponent is simply being -reactionary!**

**Polk County has had an enormous population growth over the last decade, BUT, my opponent has come up with cuts versus expansion. Polk County needs change and Commissioners who can lead that charge.**

**The Solution – Brian D. Werner**

**As your problem solving Commissioner, I will work with my fellow Commissioners to actually implement short and long term strategic plans, work with the Sheriff to increase patrols and strengthen the public safety system. More importantly, I will spearhead efforts to actually implement business development plans, champion infrastructure projects and create the trust that will result in increased Polk County revenue.**

**Polk County does not need another four years of job cuts and declining county services. Be a supporter of good government. Elect Brian D. Werner, West Salem resident, the next problem solving Polk County Commissioner.**

I love Salem and I share Salem’s values.

I grew up here. I went to school here. I got my first job here.

Now, as a member of your City Council, I want to make sure our city thrives.

Jobs and the Economy

The economy is growing and jobs are being created, but **we need to work harder to make sure these new jobs are living wage jobs that enable us to support our families.** We need jobs where people can use their skills and have a brighter future. I’ll work hard for this when I am on the City Council.

Transparency in Government

Salem has many boards and committees, but most people don’t know what they do or how they are doing it. To often we learn about something after a decision is made and the project started. **Transparency must include seeking public involvement, not posting decisions on websites after they are final.** This means more public outreach to find creative solutions to the problems our city faces.

Our Community

People depend on safe streets, clean parks, and responsible use of community resources. It will take hard work and creative ideas to continue to improve this city. I am committed to working with the leaders from our neighborhoods, small businesses and civic groups to make Salem an ever more livable city. **We will face new and ongoing challenges every day, but our community is stronger when we work together.**

I am proud to have the support of:

- Congressman Kurt Schrader**
- Attorney General Ellen Rosenblum**
- Salem City Councilor Diana Dickey**
- Oregon League of Conservation Voters**

I believe that Salem can set high goals for itself and achieve them through collaboration and cooperation among everyone in our beautiful city.

**Moving Salem Forward**

A city can either grow and move forward or it starts to wither and die economically. Jim will work hard to ensure Salem is moving forward to take advantage of opportunities we have to make this a better place to live, work and play for everyone.

**Smart Growth**

Serving on the City of Salem Planning Commission for over 10 years including the last three as President, Jim Lewis has seen how careful Salem can be when planning its future. Jim knows we need to be deliberate while being smart and proactive about creating jobs and promoting economic growth.

**Common Sense Governance**

Salem has great community “common sense” but it seems to be forgotten sometimes, especially when planning for the future. Jim has lived and worked in Oregon communities where that common sense was missing which can set back good growth and planning for decades. Jim wants to ensure Salem continues to use common sense when making important decisions.

## Vote by Mail Frequently Asked Questions

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 6, 2014. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

### What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 9th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at [www.oregonvotes.gov](http://www.oregonvotes.gov).

### What if I have moved and have not updated my registration?

If you were registered to vote by April 29 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated official dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to [www.oregonvotes.gov](http://www.oregonvotes.gov) or you may contact your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 49¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

### How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at [www.oregonvotes.gov](http://www.oregonvotes.gov) or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

## Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

## How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:
