## Record Series Descriptions

### Land Use and Taxation Records

1903-1938

Box 5

1 cubic foot

Arrangement: Alphabetical by subject or function

Series documents the research and recommendations of the Oregon State Planning Board concerning the use, classification, and taxation of Oregon lands as well as the management of Oregon and California Railroad revested lands. Records include correspondence, legislation, minutes, publications, black and white photographs, charts, tables, maps, lists, graphs, and reports.

Topics include tax reverted lands, tax delinquency, soil and land cover, rural land zoning, range grazing districts, public finance, land use, land classification, the Fort Rock Conservation area, eastern Oregon public lands, and county owned land problems. Most of the records refer to the period from 1934 to 1938, however, some of the research dates to 1903.
