

Oregon State Planning Board Records Guide

Record Series Descriptions

Forestry Records

1914-1939

Box 11

1 cubic foot

Arrangement: Alphabetical by subject or function

Series documents the studies and proposals of the Oregon State Planning Board concerning the preservation, management, and development of forest resources. Records include correspondence, maps, black and white photographs, tables, graphs, reports, and surveys.

Topics include sustained yield forestry Port Orford Cedar, stockwater development, legislation, and forest taxation. Most of the records refer to the period from 1934 to 1939, however, some of the research information dates to 1914.
