## Record Series Descriptions

### ■ State Building Planning Records

1920-1938

Box 21

.5 cubicfoot

Arrangement: Alphabetical by subject

Series documents the work of the Oregon State Planning Board to conduct an inventory of state owned buildings and plan for future building needs. Records include inventories, correspondence, minutes, drawings, maps, tables, graphs, black and white photographs, lists, and reports.

Topics include the reconstruction of the state capitol into an integrated building group, building construction in Oregon, and an inventory and assessment of needed improvements to all state owned buildings. Most of the records refer to the period from 1934 to 1938, however some research data dates to 1920.
