## Record Series Descriptions

### Pacific Northwest Regional Planning Commission Records

1934-1938

Box 20

1 cubic foot

Arrangement: Alphabetical by subject or function. Meetings are arranged chronologically by date.

Series documents the work of the Pacific Northwest Regional Planning Commission to coordinate and assist state planning commissions in Oregon, Washington, Idaho, and Montana. The Pacific Northwest Planning Commission operated as one of several regional district planning commissions under the direction of the National Resources Committee. Records include correspondence, minutes, black and white photographs, agendas, surveys, reports, charts, and maps.

Topics include the Columbia Basin, protection of the Columbia Gorge, Columbia River fisheries, drainage basins, education, and migration.
