Why Partner with Endeavour

Experience

- Two and a half decades and seven funds dedicated to a consistent strategy
- Average partner tenure of sixteen years
- We have seen most of the challenges faced by lower middle market companies as they grow

Stewardship

- Commitment to leaving a company in better condition than when we arrived
- Conservative capital structures - focus on sustainable earnings growth, not financial engineering
- We are local - we live and work in the same region as our partner companies
- It's about all stakeholders, not only shareholders
