Fourth Annual OSCPA Leadership Academy *Take the LEAP: Leadership Excellence Advancing Professionals*

Help your rising stars take the LEAP — Virtually!

Dear Konya,

The fourth annual **OSCPA Leadership Academy: Leadership Excellence Advancing Professionals (LEAP)** will be held virtually, via livestream webcast, November 2-3, 2020!

Now more than ever, leaders in the profession need to provide **high-quality staff development** opportunities that will help rising stars take the next step in their careers.

With several years of experience growing their technical skills in place, it's now time for your rising stars to **build their management skills and develop their leadership potential**.

The two-day, **members-only, virtual OSCPA Leadership Academy** is designed to do just that. The virtual program is still very hands-on and development focused.

This year's program will employ **skills-based training** on Strengths Based Leadership, the DiSC® Personal Assessment Tool, and developing skills for Crucial Conversations®.
