Oregon State Planning Board Records Guide

Record Series Descriptions

Marketing and Industrial Problems Records

1866-1938

Box 2

.4 cubic foot

Arrangement: Alphabetical by subject or function

Series documents the research and recommendations of the Oregon State Planning Board concerning various marketing and industrial problems. Records include correspondence, tables, maps, graphs, lists, publications, surveys, and reports.

Topics include foreign trade, the balance of trade, apple and pear production and marketing, principal industries in Oregon, price trends, lumber shipments, tax data, and the Women's Industrial Forum. Most of the records refer to the period from 1935 to 1938, however, some of the research information dates to 1866.
