

Department of State Lands Records Guide

Record Series Descriptions

■ South Slough National Estuarine Sanctuary Construction Records

1974-1987

Box 40

.5 cubic foot

Arrangement: By construction project name

Series documents the construction of various buildings and exhibits at the South Slough National Estuarine Sanctuary (SSNES). Records are primarily oversized blueprints but also include correspondence, requests for bids, vendor contracts, change orders, contractor's application for payment, certificate of substantial completion, proposals, and estimates.
