quality whey powder, Resilience Whey is loaded with anti-inflammatory ingredients like boswellia serrata gum extract, chlorella, and lucuma. Resilience Whey features 21g of highly bioavailable protein, supported by a blend of probiotics, adaptogens and unique superfoods.

This blend provides daily nutritional benefits that keep the body clean, protected, running smoothly, and moving towards **system-wide wellbeing**.

Our organic protein shake is great option for those who want **quality unflavored whey protein without any artificial sweeteners**. Shakes made with Resilience Whey are **excellent meal replacements for those who work out and train, providing energy, stamina and a full feeling that lasts**.

Benefits per serving of this powder include:

- **21g protein**
- **100% grass-fed, flash pasteurized USA whey protein**
- **No hormones or antibiotics**
- **Sugar Free (No added sugar)**
- **3 billion CFUs of probiotics per serving**
- **Rich in amino acids and BCAA's**
- **Superfoods Boswellia Serrata, Maca and Chlorella**
- **30-35% daily iron**
- **A natural source of glutamine & sulfur amino acids**

Ingredients are always **organic, gluten free, soy free, raw, sprouted, non GMO**, and lab tested to ensure our standards of purity are met with every batch.

Resilience Whey powder can be mixed with water or milk, or blended with fruit for a smoothie. We love to use raw cow milk or hemp milk, and add a banana for a daily boost in our busy lives.

Each bag of LivingLove powder is made by hand in small batches with the intention that you receive the highest possible good from our products.

We believe in creating positive change, For People, for the Planet, and for the Good of All.
