Our Environmental & Safety Commitment....

At Pacific Steel & Recycling, we strive to be the best environmental stewards we can be in the communities we're a part of and we kindly ask that our customers help us with this commitment in the material they bring to us.

In this pamphlet, you'll find a general overview of our "Material Acceptance Standards" that should assist you, as our valued customer, in getting to know what items at this PS&R facility we don't recycle and consider as "prohibited items."

If you have any additional questions related to this pamphlet or the info therein, please don't hesitate to contact any one of our employee-owners as we'd be happy to assist.

Thank you again for choosing Pacific Steel & Recycling as your local recycler and here's to making our communities a better place..
