Informal Procedures

(1) Parties to a disagreement must first seek mediation of the disagreement with the supervisor or supervisors of the parties involved. The supervisor(s) must provide both parties to the complaint with a written report on the results of the mediation not more than 15 days after the initial discussion with the complainant

unless the administrator or either party to the complaint requests in writing to extend the time limit. In no case may the time limit be extended to more than 30 days after the initial discussion with the complainant.

(2) Should the complaint not be resolved to the satisfaction of any party to the complaint at this level, then the complaint may be taken to the next-higher administrative level for rehearing. This process may continue up through the President, except in situations when the complaint is against the President, in which case the complaint shall be filed with the Chancellor of the Oregon State Board of Higher Education.

(3) All complaints alleging unlawful discrimination, including sexual harassment, must be filed with the appropriate administrative officer. That officer will identify the specific allegations, investigate each allegation of discrimination, and attempt to help the parties resolve the issue.

Review of Decision

(1) Should any member to the complaint disagree with the decision of the Vice President for Academic Affairs and Provost, he/she may request the chair of the Faculty Senate to convene a Faculty Senate Hearing Committee. The purpose of the Hearing Committee is not to rehear the entire case, but to examine the materials presented and the procedures followed in arriving at the decision. (2) The request for a Faculty Senate hearing must include a copy of the decision and the basis for requesting the review.

(3) Procedure for formal review by Faculty Senate Hearing Committee:

(a) At least seven days prior to the review, the Hearing Committee shall notify all parties in writing of the time and place of the review;

(b) The faculty member shall have the option to be present throughout the review;

(c) The faculty member shall present evidence and call witnesses first, followed by the Vice President for Academic Affairs and Provost. Thereafter, both parties shall have the opportunity for rebuttal;

(d) The review shall, at the option of the faculty member and to the extent allowed by law, be open to the public. However, deliberations of the Hearing Committee shall not be open to the public or the parties involved;

(e) The Hearing Committee will render a written recommendation to the President, forwarding it through the chair of the Faculty Senate. The recommendation shall be based solely upon the evidence presented at the review;

(f) The chair of the Faculty Senate will forward the recommendation without comment to both the President and the faculty member, and will notify the Faculty Senate that the Hearing Committee has completed its work. The recommendation shall be forwarded to the President within 60 days of the receipt of the formal request for review by the chair of the Faculty Senate;

(g) The President shall review the recommendation and render a written decision within 30 days, notifying the faculty member and the chair of the Faculty Senate of the decision. The President may interview any person concerning the review to supplement the record of the review, provided that the decision lists each person so interviewed. In addition, the President may review any pertinent documents, so long as such documents are identified in the President's written decision. The faculty member shall be informed of such additional information obtained by the President in preparing the decision and shall be given seven days to provide any comment or response prior to the President rendering a decision. If the President rejects or modifies the recommendations of the Hearing Committee, the reasons shall be stated in the decision.

Administration of Discipline

573-020-0021

Academic Standards

The maintenance of academic standards is a joint responsibility of the students and the faculty at Southern Oregon University. Freedom to teach and freedom to learn are dependent upon individual and collective conduct to permit the pursuit and exchange of knowledge and opinion. Faculty have the responsibility to create an atmosphere in which students may display their knowledge. This atmosphere includes an orderly testing room and sufficient safeguards to inhibit dishonesty. Students have the responsibility to rely on their own knowledge and resources in the evaluation process:

(1) Academic dishonesty is defined as cheating, plagiarism, or otherwise obtaining grades under false pretenses.

(2) Plagiarism is defined as knowingly submitting the language, ideas, thoughts, or work of another author as one's original work, or allowing one's work to be used in this fashion.

(3) Cheating is defined as:

(a) Using unauthorized information during an examination verbally, visually, or by unauthorized notes, books and other materials;

(b) Obtaining or providing information concerning an examination, all or in part, in advance of that examination;

(c) Taking an examination for another student, or arranging to have someone else take an examination for you;

(d) Altering or changing:

(A) Test answers after that test has been submitted for grading;

(B) Grades after the grades have been awarded; or

(C) Other academic records, after those records have become official.

(e) Obtaining copies of an examination prior to its intended use by an instructor without the instructor's approval.

(4) Procedures: The faculty member who suspects a student of academic dishonesty should confront the student with the accusation. In the event that the student disputes the allegation of academic dishonesty, then the incident should always be referred to the Vice President for Student Affairs. The academic decision should then be deferred pending finding on the allegation. If the student admits to the misconduct, then one or more of the following sanctions shall be imposed by the instructor.

(a) Academic:

(A) Administratively withdraw the student from class. This action must have the approval of the School Director or the Vice President for Academic Affairs and is subject to appeal through Grievance Procedures in OAR Chapter 573, Division 30;

(B) Award a failing mark on the test or paper; or

(C) Require the student to take another test or resubmit the paper. The academic sanctions described above may be employed alone, or in concert with disciplinary procedures. Refer to "Proscribed Conduct" rule OAR 573-020-0015(2)(a).

(b) Disciplinary: Refer the incident to the Vice President for Student Affairs. Depending on the severity of the incident the Vice President for Student Affairs or designated representative may:

(A) Take a summary action of warning, censure or disciplinary action;

(B) Refer the incident to a hearing. The possible outcomes are warning, censure, disciplinary probation, disciplinary suspension or expulsion; or

(C) If the student agrees to the charge, the Vice President for Student Affairs will assign appropriate disciplinary action.

(D) It is suggested that more serious incidents of academic dishonesty be referred to the Vice President for Student Affairs or designated representative.

Grievances Between Students and Faculty Members or Administrators

When grievances between students and faculty members or administrators arise, the initial attempt to resolve the dispute is made within the appropriate department. Grievances are initiated and conducted as follows:

(1) Alleged violations of federal laws prohibiting discrimination must be filed within 180 days of the incident. Complaints of discrimination within the educational program of the University shall be filed with the University Grievance Officer. Those which involve employment shall be filed with the Affirmative Action Officer. Procedures governing such complaints are set forth in OAR Chapter 573, Division 35.

(2) The student registering a non-discrimination complaint must do so within 30 days following the incident which is the basis for the grievance. Exceptions to this rule may be granted by the dean of the school in which the department is located, or by the University Vice President for Academic Affairs and Provost.

(3) If resolution is not reached after talking with the faculty member and the faculty member's immediate supervisor, and the student wishes to pursue the grievance, the student shall file a written, explicit complaint on the form which is available in the appropriate department office. Copies of the grievance are given to the department chair, who shall give copies to the chair of the School/Departmental Grievance Committee and the faculty member or administrator involved. Given constraints of the academic calendar, all attempts must be made to schedule the School/Departmental grievance hearing within ten academic days from the date of filing. All affected parties will be given notice of the hearing at least five academic days prior to the confirmed hearing date.

(4) The School/Departmental Grievance Committee is composed of seven members which shall include both faculty and student representation, five of whom must be present to convene the Committee.

(a) The Committee is a standing committee and is appointed annually following procedures set by the appropriate department.

(b) The Committee has a chair and a recording secretary.

(c) The Committee shall conduct the meeting in an orderly way, so as to give both parties an opportunity to present their cases.

(5) If, after following the above procedures, the student's grievance has not been resolved, the student shall meet with the University Grievance Officer to determine whether to proceed with the contested case hearing or to continue with the established

grievance hearing process. The choice must be made in writing within five academic days from the time the informal grievance hearing was held. The choice is final and binding.

MEDICAL INSURANCE

573-026-0005

Medical Insurance Requirements for Non-Immigrant Foreign Students and Their Dependents

(1) To assist the University in complying with federal regulations, nonimmigrant foreign students admitted and enrolled at Southern Oregon University must demonstrate their ability to meet their financial responsibilities in full. These responsibilities include the provision by nonimmigrant foreign students for medical care for themselves and dependent family members while in the United States.

(2) All nonimmigrant foreign students admitted and enrolled part-or full-time at Southern Oregon University will be required to carry medical insurance for themselves and all their dependent family members in the United States.

(3) The medical insurance policy carried by each nonimmigrant foreign student must provide coverage with the maximum dollar limits at least comparable to the one offered through the University. The policy may be underwritten by a foreign insurance carrier, but it must be payable in the United States for medical expenses incurred in the United States.

(4) Such insurance policy must be in force continuously during the student's enrollment at SOU, commencing during the registration period of the student's first term at the University. Students are required to provide a 30-day notice to the University Director of Business Services if their insurance is cancelled or materially changed.

(5) Nonimmigrant foreign students must provide proof of adequate insurance coverage acceptable to the Foreign Student Office and the Business Office before they are permitted to register for classes. Documentation of such comparable coverage is to be provided by completing the "Foreign Student Medical Insurance Certification" form and receiving an authorized waiver. The form and waiver authorization will be available at the site of registration and in the Foreign Student Office. Documentation must indicate in English the insurance company's name and address for billing purposes, policy number, the effective dates of the policy, a list of persons covered by the policy, and a certification that the coverage limits meet the established minimums.

(6) If an enrolling nonimmigrant foreign student does not provide acceptable proof of adequate medical insurance for him- or herself and for dependent family members in the United States, the Foreign Student Office may restrict University registration and issuance of immigration documents (for travel, extensions of stay, employment requests, practical training, dependent matters, etc.) for the student and the student's dependent family members.

(7) Nonimmigrant foreign students may contest the factual premise underlying any decision to deny a comparable insurance waiver and any subsequent restriction allowed under section

(6) of this rule by presenting their documentation and arguments before the Vice President of Student Affairs or that person's designee.

(8) Pending the resolution of any dispute over a decision under this administrative rule, the student shall be permitted to register, and shall, in the event of an adverse decision compelling withdrawal from the University subsequent to registration, be guaranteed a refund of any tuition paid for the term in which withdrawal takes place.

(9) New nonimmigrant foreign students shall be notified in writing of these requirements by the Admissions Office with their letter of admittance. Returning nonimmigrant foreign students shall be notified in writing of these requirements by the Foreign Students Office.

(10) Foreign institution exchange agreements, foreign study agreements, and foreign visitation program agreements executed with SOU shall include a requirement that the sponsoring institution or organization is responsible for ensuring that its foreign participants are covered by medical insurance as required in sections (3) and (4) of this rule.

Definition

As used in OAR 573-035-0010 and 573-035-0015, "discrimination" means any act or practice, either in form or operation, whether intended or unintended, that unreasonably interferes with the rights of students or employees to pursue educational, recreational, social, cultural, residential, employment, or professional activities in an atmosphere where the rights, dignity, and worth of every individual are respected. These rights are granted independent of an individual's race, color, national origin, religion, age, disability, marital status, veteran status, gender, or sexual orientation.

Discrimination

Harassing, threatening, or intimidating activities, or any practice by an employee or a student, which abuses, endangers, jeopardizes personal safety, or interferes with the official duties, class attendance, or educational pursuits of any person, are prohibited. If any person feels subject to prohibited discrimination, the procedures outlined in OAR 573-035-0015, or procedures outlined in an applicable collective bargaining agreement, shall be used for redressing the grievance. An employee who is a faculty member may alternatively elect to follow the grievance procedure outlined in the Faculty Constitution. Grievance Procedure

The following procedures are to be used in resolving complaints alleging discrimination by a student or employee of SOU, if not otherwise processed under a collective bargaining contract or the Faculty Constitution:

(1) For the purpose of this rule, the following definitions shall be used:

(a) "University Representative": The person who is alleged to be responsible for the policy, practice, or act considered by the grievant to be discriminatory;

(b) "Compliance Officer": The Vice President for Student Affairs for education-related complaints; the Vice President for Academic Affairs and Provost for academic employment-related complaints; the Vice President for Administration and Finance for other employment-related complaints;

(c) "Grievance Officer": The Associate Dean of Students for education-related complaints; the Affirmative Action Officer for all employment-related complaints;

(d) "Grievant": The person initiating the complaint;

(e) "Sexual Harassment" (includes sexual orientation harassment): Unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

(A) Submission to such conduct is made either explicitly or implicitly a term or condition of employment or participation in an academic program or activity;

(B) Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working or learning environment.

(f) "Status": Role of grievant at the time of the alleged discriminatory act, i.e., student employee, applicant, etc.

(g) "Investigating Officer": University official appointed by the designated compliance officer to investigate complaints of discrimination. This may be the Associate Dean of Students, the Affirmative Action Officer, or other official as deemed appropriate by the compliance officer.

(h) "Institution Official": University administrator, supervisor, faculty member, graduate assistant, or other person acting in an official capacity for the University.

(2) A complaint alleging discrimination shall be processed as described below. Cases involving allegations of discrimination are especially sensitive, and special attention will be given to the issue of privacy for all individuals. However, absolute confidentiality cannot be guaranteed. Investigation may make complete confidentiality impossible:

(a) Informal Resolution. A grievant is encouraged to attempt to resolve the complaint with the University representative responsible for the policy, practice, or act considered discriminatory within 30 days of the alleged discriminatory act. The grievant may do this individually, or request assistance from the appropriate grievance officer. If no resolution is reached, a formal grievance may be filed. Informal grievances filed after the 30-day period may be resolved informally, providing the President determines it is in the best interest of the institution to do so. Otherwise, formal resolution may be pursued;

(b) Formal Resolution. A grievant may file a formal grievance even if no informal resolution has been pursued. To file a formal grievance, the grievant shall submit the complaint, in writing, within 180 days of the alleged discriminatory act. The grievant may request the assistance of the appropriate grievance officer in writing the complaint. The grievant shall have access to all relevant records which are not protected under state and/or federal law. The complaint shall be addressed to the appropriate compliance officer, and shall contain the following:

(A) The grievant's name, address, status, and telephone number where the grievant may be contacted;

(B) The date(s) of the alleged act of discrimination and a detailed description, including possible witnesses;

(C) An outline of the attempts to resolve the grievance, including the name of the University representative alleged to be responsible for the discriminatory policy, practice, or act and the date(s) of the attempt at resolution, if any;

(D) All information pertaining to the complaint;

(E) Resolution proposed by the grievant;

(F) Grievant's signature;

(G) The complaints relating to educational programs, the compliance officer shall forward summaries of the written complaint to the University representative named in the complaint, the Vice President for Academic Affairs and Provost, the President,

and the Chancellor's Office; for employment-related complaints, the compliance officer shall forward copies of the written complaint to the President;

(H) The compliance officer shall direct that the grievance officer or other University official as determined by the compliance officer, conduct an investigation into the circumstances surrounding the complaint. Even if informal review shows that the formal complaint does not appear to be valid, all formally submitted complaints shall receive a formal response under these guidelines. The investigating officer shall request a statement from the University representative named in the complaint, investigate the grievance, and attempt resolutions. If unable to resolve the grievance promptly, the compliance officer shall recommend appropriate action to the President. The President shall order correction of any noncompliance found to exist or to have occurred;

(I) The final decision shall be given to the grievant, in writing, by the President within 30 days after receipt of the written complaint by the compliance officer, unless additional time is granted by the President for employment-related complaints, or the Chancellor's Office for education-related complaints. Copies of the President's decision shall be sent to the named University representative, the appropriate compliance officer, the appropriate Dean, and, for education-related complaints, to the Chancellor's Office;

(J) If the grievant in an education-related complaint finds the President's decision unsatisfactory, the grievant may request a hearing in the manner provided in the Administrative Rules of the Oregon State Board of Higher Education. (See OAR 580-015-0105.) The compliance officer shall send a copy of the grievant's response and request for a hearing to the named University representative, the appropriate Dean, the Vice President for Academic Affairs and Provost, the President, and the Chancellor's Office;

(K) If the respondent in a discrimination complaint wishes to appeal any sanctions imposed, applicable grievance procedures may be used. Academic staff members having indefinite tenure may alternatively request review by the Board as outlined in OAR 580-021-0370.

(c) Institution-initiated complaints. If institution officials learn of incidents of potential discrimination, but the alleged victim(s) are reluctant to bring a complaint, the President may direct an investigation on behalf of the institution. Such investigations will be conducted as outlined in OAR 573-035-0015(2)(b)(H) unless the President determines that it is in the best interests of the University to do otherwise. The University may take corrective action, if appropriate, based on this investigation.

(2) Incidental fee allocation and budget preparation procedures shall be established by the Incidental Fee Committee with the assistance of the institutional Budget Director.

(3) The institutional Budget Director shall initiate budget instructions which will consider proposed salary adjustments, inflation rates as supported by the Chancellor's staff, and any other pertinent data which would be helpful in the preparation of the annual budget request.

(4) The Committee shall review, and modify if necessary, the budget instructions and then transmit them to subcommittees according to an accepted budget calendar.

(5) The Incidental Fee Committee shall not be involved in budget management of individual programs once allocation has been approved for those programs. It is the responsibility of individual program directors to manage their respective budgets.

(6) The IFC shall send its final recommendation simultaneously to each subcommittee Chairperson and the ASSOU President by a specified date to be set by the IFC during the budget process.

(7) The ASSOU will only consider those appeals involving failure to follow prescribed procedure, changes in Initial Budget Level, or changes to priority rankings from the subcommittee. The ASSOU Senate is responsible for hearing any valid appeals, acting on the Incidental Fee Committee's recommendation, and forwarding the final recommendation to the SOU President by a date specified by the IFC during the budget process.

(8) Once the SOU President receives the ASSOU recommendation, within ten academic working days the President shall accept the recommendation in writing or, should there be modifications to the recommendation, communicate these modifications and reasons to the ASSOU and the IFC.

(9) If the ASSOU concurs with the President's proposed modifications, such shall be communicated in writing to the President within ten academic working days.

(10) If the ASSOU does not concur with the President's proposed modifications, such shall be communicated in writing to the President within ten academic working days. During the next two weeks, the President (or designee) shall meet with the ASSOU representatives to attempt to reconcile the differences. If the President and the ASSOU do not reach agreement, either party may request a hearing before the SOU Hearings Board (see OAR 573-041-0095).

Each subcommittee chairperson shall be expected to review the monthly reports with the subcommittee director as needed, and advise the full subcommittee on the status of each account.

(12) Any change in subcommittee expenditures from the approved budget must be reported and approved by the IFC.

(13) Subcommittees must identify income elements, the use of these funds, and discuss potential effects to their operating budgets if such income were not realized.

(14) Requests for supplemental funding from the IFC accounts shall be made by individual subcommittees only when the subcommittees do not have sufficient reserves to fund the particular need.

(15) If budget cuts are recommended due to unrealized income, the directors of each program shall be responsible, with the assistance of their advisory subcommittees, for making those cuts. It is expected that there shall be minimal cutting of programs affecting students whenever possible.

General Budget Guidelines for Incidental Fee Committee Subcommittees

The following guidelines pertain to the Incidental Fee Committee subcommittees.

(1) The subcommittees shall identify income elements, indicate how they will be used, and provide information as to what would happen to operating budgets if such income were not realized. The potential for and plan to generate program funds should also be addressed.

(2) All subcommittees must have a formal accounting structure, with monthly reports available for review, to assure the managers that budgets and expenditures are on target. Such reports are to be forwarded, on a monthly basis, to the student union business office, where they will be made available for review by interested parties.

(3) Requests for funds from the IFC reserve must be initiated on the form "Application for Funding from the SOU Incidental

Fee Reserve" (such forms are available in the College Union Office and the athletic department). This Incidental Fee Committee shall consider all requests on the basis of emergency or contingency need. No consideration shall be given to any request that could have reasonably been anticipated but failed to be submitted through the normal budget process.

(4) If budget cuts are recommended due to unrealized income, the manager of each designated program shall be responsible for making those cuts with the assistance of their advisory subcommittees. It is expected that there shall be minimal cutting of programs affecting students whenever possible.

(5) The three subcommittees shall be required to hold at least two scheduled open hearings on their proposed budgets before submitting them to the Incidental Fee Committee. All account managers (i.e., coaches, educational activities program managers) must present and justify their budget requests to the appropriate subcommittees at this time.

(6) Each subcommittee shall be given sufficient time to present and explain its budget to the Incidental Fee Committee. All hearings shall be open and in accordance with the Public Meeting Law.

Vehicle Permits and Parking Areas

(1) All vehicles operated on the University campus are required to display a permit when the posted signs require a permit. Faculty/Staff lots are posted yellow; Student Commuter lots are posted green; Resident Student lots are posted red. The Parking Department can be contacted for the location where other types of permits may be obtained. Failure to display a permit may result in the issuance of a parking citation. Decals may be purchased during normal registration or at the Business Services Office located in Churchill Hall.

(2) Parking decals are serialized for use on a specific vehicle with a license plate designated by the purchaser at the time of purchase. The decal must be affixed outside to left-rear bumper, left-rear body, left-rear window, or rear side window behind driver of the vehicle where visible. The adhesive on the back of the decal must be the attaching mechanism. If a vehicle is disposed of, the decal must be removed and returned to the Parking Office.

(3) Parking decals may be purchased for the remainder of the academic year or for each quarter. The academic year begins and ends in September. Parking decals purchased during the winter, spring, or summer quarters are at a proportionately reduced rate.

(4) "Faculty/Staff" parking decals will be sold to classified employees, graduate assistants, temporary employees who are half time or more, and to faculty. Vehicles displaying Faculty/Staff decals are authorized to park in designated Faculty/Staff (yellow), Student Commuter (green), and Residence Hall (red) parking areas.

(5) "Student Commuter" parking decals will be sold to students who live off campus and wish to bring vehicles on campus. Vehicles displaying Student Commuter decals will park in Student Commuter (green) parking lots only.

(7) "Second" parking decals may be purchased for an additional vehicle if more than one vehicle will be brought to campus. The purchaser must also be the registered owner of the vehicle. Only one decal (the original or second decal) is valid on permit-required lots at a time. If both first and second permits of one person are parked in permit-required lots at the same time, both vehicles will be cited for improper permits. A second decal may not be

purchased for a car if the first decal is for a motorcycle, moped or scooter.

(8) "Replacement" decals may be obtained to replace a decal which has become unreadable or to transfer the decal to a different vehicle. The different vehicle must be registered to the same person the decal originally came from. The decal which is being replaced will be considered void and should be returned to the Business Services Office upon purchase of a replacement decal.

(9) "Guest" permits are available at the Parking Office, Business Services Office, departmental offices, school offices, and/or Campus Information Office. Guest permits are issued for one day only. Guest permits may not be used in timed lots. Buses will be expected to have a Guest permit, and park where directed by the Security or Parking Office. If a citation is issued to a vehicle while the driver is obtaining a Guest permit, it will be waived if the Parking Office is notified in a timely manner as stated in the "Guest Parking Permit Policy." Guest permits will not be valid if issued to University employees, faculty, students, or vehicles displaying a valid parking permit. Guest permits will not be valid and may be cited for failure to display permit if any of the following information is illegible or omitted:

(a) Both license number and make or color;

(b) Date permit is valid;

(c) Departmental personnel issuing and telephone extension.

(10) "Carpool" parking decals will be sold for entire school year only if the carpool meets the following criteria:

(a) The carpool must contain at least two individuals with cars, but no more than six;

(b) Carpool members must complete a "Statement of Intent," available from the Parking Office, for each member of the carpool. No more than one vehicle from the carpool is allowed on campus at a particular time. No Second decals will be sold. However, Replacement decals are available if requirements, as stated in regulations for Replacement decals, are met.

(11) Substitute vehicles for a vehicle having a decal may be brought on campus after obtaining a "Substitute Vehicle Parking" permit from the Parking Office. This permit is used for temporary situations of short duration.

(12) "Special" permits may be approved by the Parking Office on an as-needed basis.

(13) "Weekly" or "Daily" permits for those persons who use the campus parking facilities only intermittently may be purchased at the Business Services Office in Churchill Hall.

(14) "Reserved Parking" spaces are available for reserved parking for a one-year period. Applications will be forwarded to the Transportation Planning & Parking Committee for review, and recommendation to the President, or designee, who will render final decision. Applications are available at the Parking Office. Parking spaces are reserved at all times for the President, Vice President for Student Affairs, Vice President for Administration and Finance, Provost and Director of Institutional Advancement.

(15) "Courtesy Parking" permits are available to personnel retiring with ten years of service or more, volunteer board members, designated governmental officials, media representatives, and such others as deemed necessary by the President to facilitate their interaction with the institution.

(16) "Vendor" or "Volunteer Permits" will be obtained through the Parking Office. "Commercial" permits will be sold to commercial vendors, including vending machines, video game, outside maintenance, travel, office supply, and food vendor companies. Companies or departments can purchase a long-term permit for six months or a short-term permit for one month. Permits will be sold or billed from the Parking Office. "Volunteer" parking permits will be sold to departments for use of volunteers. Departments can purchase long-term permits for one year or short-term permits for less than one month. Permits will be billed from the Parking Office.

(a) Volunteer — Each vehicle — Long term/one year — \$5;

(b) Short-term less than one month — \$1.

(17) "Disabled" parking: In accordance with ORS 811.602, 811.605, 811.606, 811.607, and 811.615, only vehicles displaying permits or placards issued and registered at the Motor Vehicles

Division will be allowed to park in spaces posted for use by disabled persons.

(a) "Temporary (Disabled Person) Parking" permits are issued by the Motor Vehicle Division for persons with qualifying temporary disabilities upon submission of a certificate and fee (as provided by ORS 811.606 and ORS 811.640);

(b) All other insignia not described above (including official out-of-state insignia) on vehicles bearing license plates of Oregon registration will be invalid, and vehicles will be cited;

(c) Vehicles with appropriate disabled insignia may park in any lot or space without incurring citations, except where the lot or space is designated for parking limited to 30 minutes or less or in a parking space reserved for other vehicles.

(18) "Refunds" for a parking decal will be made only for whole terms (fall, winter, and spring) remaining, and upon return of the decal or fragments thereof showing the decal number. Refunds for a term will not be made after the published date for late school registration for that term. There will be no refunds for summer term permits. Refund schedules are on file in the Parking Office.

(19) Faculty/Staff, Residence Hall, and Commuter decals may be purchased for a single term. There is no refund on single-term decals. Rules related to yearly decals shall apply to single-term decals while they are valid.

(20) Vehicles displaying valid decals or parking permits are not guaranteed a parking space on the campus.

(21) Vehicles displaying valid decals or parking permits are **not** exempt from timed parking restrictions. Timed parking restrictions apply to all vehicles on the University campus regardless of decals or permits displayed.

(22) Mopeds, scooters, and motorcycles must be parked in parking spaces designated and posted for "Motorcycles Only." Mopeds, scooters, and motorcycles parked in bicycle racks and on the campus grounds will be cited for improper parking. Vehicles parked inside University buildings will be towed at the owner's expense.

(23) If, during the process of issuing a parking citation, the driver of the violating vehicle drives away from the scene, thus preventing the issuing agent from placing the citation on the vehicle, the citation will be entered into the parking system as if it had been placed on the vehicle. When a driver leaves the scene during the issuing process, this will be considered "constructive notice" of the citation.

(24) Vehicles parked facing in the direction against one-way arrows will be cited for improper parking. Vehicles parked on the side of street opposing direction of usual traffic flow will be cited for improper parking.

(25) Vehicles using parking lots marked "50-cents-park-all-day" or "Visitor Pay Parking" are required to display the serialized permit purchased at each lot of this type. Failure to display the permit on the dashboard of the vehicle will result in a citation for Failure to Display A Permit. There is no grace period to obtain change for the permit machine. Signs in the lots will instruct users to first occupy a parking space; immediately purchase a parking permit and place it on the dashboard of the vehicle; and that there is no grace period for obtaining change for the permit machine. All day means continuous occupancy of the lot for which a permit was purchased; departure from said lot invalidates further use of said permit.

(26) "Loading Zone" spaces are provided for loading and unloading purposes not to exceed 30 minutes; unless by prior approval through the Parking Office.

Driving and Parking Regulations on Campus

The Vice President for Administration and Finance, in consultation with the Transportation Planning and Parking Committee, will designate parking areas on campus:

(1) Anyone operating a vehicle on campus will observe speed limits, barricades, bicycle lanes, crosswalks, stop signs, and will drive in a safe and prudent manner. The speed limit on campus is 15 MPH. Driving or parking vehicles, bicycles, motorcycles, mopeds, scooters, or motorized bicycles on sidewalks, lawns and other areas not designated for driving, parking, or public thoroughfare is prohibited.

(2) Regulations may change from time to time. In the event of conflict between traffic signs or markings and printed regulations, the signs or markings will be followed.

(3) Vehicles shall be parked within indicated parking areas only. All lots will have permit requirements suspended during institution holidays, except handicapped, yellow zones, pay lots, reserved parking spaces, and restricted areas, which are enforced at all times. "Holidays" refers to the following observed state holidays: New Year's Day, Martin Luther King, Jr. Day, Memorial Day, Independence Day, Labor Day, Veterans' Day, Thanksgiving Day and the Friday following Thanksgiving, and Christmas Day.

(4) Residence Hall (red) parking areas and pay lots are enforced 24 hours a day except for holidays as specified in the previous paragraph.

(5) Bicycle racks are provided on campus for bicycle parking only. Pedestrians have the right-of-way over bicycles on campus. Bicycles to be used or parked on campus will be registered and licensed with the City of Ashland Bicycle License. Bicycles not parked in racks and impeding traffic may be removed at the discretion of the Director.

(6) Persons, departments or schools sponsoring university-hosted events must contact the Parking office to arrange for parking and fee payment as appropriate. Unless otherwise arranged, participants will be restricted to Lot 1 during the academic school year.

Traffic Committee and Traffic Appeals Board

(1) The "Transportation Planning and Parking Committee" is established to advise on policies, procedures, and programs which address the transportation needs of students, faculty, staff, and visitors who access the Ashland campus, including routes and parking within the campus. Further, makes recommendations creating or modifying traffic and parking policies and assists in the equitable, effective, and economic regulation of vehicle use on campus. Included in these duties is the adjudication of second appeals for parking citations, and consideration of petitions for reserved parking. The committee will be convened as necessary to serve as the institution's Vehicle Accident Review Board.

(2) The Transportation Planning and Parking Committee will include: Three faculty members recommended by the Faculty Senate; three student members recommended by the Student Senate; and three classified staff members identified through the Administrative Committee appointment procedure. All members are subject to final confirmation by the President, or the President's designee. A minimum of three members at a meeting shall constitute a quorum. Final authority for traffic parking policies will rest with the President or the President's designee.

(3) Each member of the Transportation Planning and Parking Committee will be appointed for the period of three years. Terms of office will be staggered to provide continuity.

(4) The Director of Security and Safety, being responsible for the enforcement of these regulations, will be an ex-officio (non-voting) member of the Transportation Planning and Parking Committee. In this capacity, the Director of Security and Safety will serve as an advisor concerning traffic problems on the campus and the fiscal impact of present and proposed parking policies. The Director will make recommendations on needed improvement or changes required in this program to ensure the parking program maintains its mandated self-supporting fiscal status.

(5) The "Traffic Appeals Board" (TAB) is established to provide an expedient method of handling appeals for citations issued by Southern Oregon University personnel. The TAB is the first level of appeal concerning traffic and parking citations on the campus.

(6) The TAB will consist of: two faculty members nominated by the Faculty Senate, one classified staff member identified through the Administrative Committee appointment procedure, and three students nominated by the Student Senate. All members are subject to confirmation by the President, or the President's designee. The Faculty Senate, classified staff, and Student Senate will provide a minimum of one, but no more than three, alternate members of the TAB each. Alternate members can only be used in the absence of appointed members. It will be the responsibility of the absent member to notify an alternate. Decisions of the TAB shall reflect the majority vote of those members present.

(7) Each member of the TAB will be appointed for a period of three years. Terms of office will be staggered.

Enforcement and Appeals

(1) Campus regulations are in effect 24 hours a day, seven days a week, except when parking permits are not required (as stated in OAR 573-050-0030).

(2) Tow-away zones will be enforced 24 hours a day, seven days a week.

(3) All penalties prescribed in OAR 573-050-0040 will be administratively enforced by Southern Oregon University. Violators will receive a parking citation of offense, together with the scheduled fine for said violation in accordance with the penalties set forth in OAR 573-050-0040.

(4) After receipt of a parking citation, the individual must, within seven calendar days of the date of the citation, file a request for a hearing before the TAB, or pay the appropriate fine.

(5) Any University personnel or student issuing a Guest permit may contact the Parking Office to transfer responsibility for citations received by their guests to themselves. This in no way implies the fine will be suspended, only that the guest will not be billed or pursued to pay the fine. The University personnel or student will be responsible, and has all avenues of appeal available as if the citation were issued to them personally.

(6) Any person wishing to take a case before the TAB must prepare a "Petition for Appeal of Traffic Violation" for a hearing indicating why the citation should be adjudicated. The petition form, available from the Parking Office, must be completed and returned to the office within seven calendar days of the citation date. At this time, the appellant will have the right to request substitution of any one member of the TAB and select the replacement from the TAB alternate group.

(7) A person appealing the citation may appear before the TAB to present his/her case. If the appellant does not wish to appear in person, for reasons he/she may specify, the written appeal will be reviewed by the TAB which shall render judgment. The appellant shall be notified by mail of the decision of the TAB.

(8) The party appealing the citation may have legal counsel to present his/her case to the TAB.

(9) In adjudicating appeals, the TAB shall have full authority to:

- (a) Dismiss the violations.
- (b) Find the individual not guilty of the charges of the citation.

(c) Find the individual guilty of the violation and either impose the fine stipulated in these rules, or impose a lesser fine.

(d) Enter a finding of guilty without imposing any fine, issue a reprimand or warning, or impose a fine, but suspend its payment during a fixed probationary period.

(10) The decision of the TAB may be appealed in writing to the Transportation Planning and Parking Committee by obtaining, completing and filing a second appeal form with the Parking Office within ten calendar days following the decision of the TAB. The Parking Office will also have an opportunity to submit a written statement concerning the issuance of the citation.

(11) Once the TAB makes the decision on an appeal for a parking citation, the student will have ten calendar days from the decision date to appeal the TAB's decision further via the Transportation Planning and Parking Committee. After a decision has been made on the second appeal, a student has ten calendar days to pay any amount owed before it is charged his/her account.

(12) The student's right to receive a registration packet and to enroll during the registration period will be denied if any fines owing under these regulations remain unpaid at the time of registration.

(13) A student who fails to pay the University for any outstanding fine will have the fine charged to his/her account.

(14) Students leaving or graduating from the University will continue to be responsible for parking fines owed to the University, as long as such fines can be identified as belonging to the student(s) responsible.

(15) A faculty or staff member who fails to pay the University for any outstanding parking fines will have the fine deducted from his/her payroll check 30 days after written notice of the outstanding fines.

(16) Vehicles having outstanding parking fines will be denied issuance of a replacement, transferred, or new parking decal.

NOTE: The second permit is for the convenience of those persons who may be driving a different vehicle from time to time. (A) Second permits will be sold only to Faculty/Staff, Commuter, and Residence Hall permit holders.
