Complaints, Investigations and Audits

(1) All complaints must be in writing and submitted to the Board's office.

(2) Any person may file a complaint.

(3) A member of the Board or the Administrator may also initiate a complaint or request an investigation.

(4) The Board will accept anonymous complaints.

(5) The Board will take no action on frivolous complaints. The Board will evaluate the content of each complaint. Factors such as, but not limited to, the following may cause a complaint to be classified as "frivolous":

(a) A complaint alleging that the appraised value is too high or too low that does not include supporting documentation to substantiate the allegation;

(b) A complaint that appears to be filed to gain a competitive advantage over or in retaliation against another appraiser; or

(c) A complaint filed by a person with a history of filing complaints that have no merit.

(6) A Notice of Complaint, together with a true copy of the complaint as submitted to the Board's office, including all supporting documentation, shall be promptly sent by certified mail, return receipt requested, to the last known address of the person against whom the complaint is filed. The Notice of Complaint shall require:

(a) The production of true copies of records within a specific time period to which no extension will be granted; and

(b) A written response to the allegations set forth in the complaint within a specified time period.

(A) A respondent may request an extension to file a response to a notice of complaint. An extension of up to 30 days will be approved provided that the extension request:

(i) Substantiates that good cause exists to grant such an extension and that circumstances beyond the reasonable control of the respondent prevent a response within 30 days;

(ii) Is submitted to the Board Administrator in writing on or before the response due date; and

(iii) Does not ask for an extension of time in excess of 30 days.

(B) The Administrator may grant one additional extension of no more than 30 days only upon showing of good cause.

(7) The Administrator shall ensure that each non-frivolous complaint is investigated to determine if violations of ORS Chapter 674 and/or OAR chapter 161 have occurred. The investigation may include all inquiries deemed appropriate to ensure that each complaint is processed in accordance with ORS Chapter 183.

(8) The Board may initiate an audit or other type of inquiry or investigation to verify an individual's compliance with ORS 674 and OAR 161.

(9) Every licensed or certified appraiser or registered appraiser assistant must cooperate with the Board and must respond fully and truthfully to Board inquiries and comply with any requests from the Board, subject only to the exercise of any applicable right or privilege. Failure to cooperate with the Board is unethical and is grounds for discipline including revocation or suspension of a license, certificate or registration, imposition of a civil penalty, or denial of a license, certificate, or registration, or any combination thereof.

(4) Departure from the guidelines shall also be allowed in issuance of a Proposed Order by an Administrative Law Judge and/or a Final Order by the Board upon a showing of substantial and compelling reason(s) for said departure. Substantial and compelling reason(s) shall be stated in the Proposed Order and/or Final Order.

(9) Each licensee shall notify the Administrator within thirty (30) days of any disciplinary action imposed in any other state in which the person holds a license or certificate.

Advertising Practices

A licensee advertising through any media may be identified as a state certified general appraiser, state certified residential appraiser or state licensed appraiser by listing the appropriate designated licensed or certified status and the appraiser's license or certificate number. No advertising may be misleading in characterizing the category of licensure or certification possessed by a licensee. A registered appraiser assistant shall not represent, nor advertise in any manner or through any media, which may mislead the public into believing that they are a licensee or that they are authorized to perform the functions of a licensee, and at all times clearly identify themselves as a registered appraiser assistant. For purposes of this section, "media" includes, but is not limited to, newspapers, magazines, business cards, and directories, including all listings in telephone directories.

Reciprocity

(1) The Administrator of the Board shall enter into reciprocal agreements with other states in accordance with the following procedures:

Chapter 161 Appraiser Certification and Licensure Board

(a) The Administrator shall determine that the standards, qualifications and examinations for the certifying of real estate appraisers in the other states are substantially similar to those in Oregon;

(b) The Administrator shall obtain the approval of the Board before entering into the agreement.

(2) Reciprocal agreements shall provide that the two states may issue certificates without examination, to certificate holders of the other state, upon payment of a mutually agreed upon fee, proof of current certificate and a certified letter of good standing from the other state.

(3) A reciprocal licensee shall comply with all statutes and rules governing licensed and certified appraisers in Oregon. Each reciprocal licensee shall immediately notify the Administrator of any disciplinary action taken in any other state in which the person holds a license/certificate.

(4) The Administrator may terminate a reciprocal agreement, with approval of the Board, if the administrator finds that the other state:

(a) Is not assisting the Administrator in enforcement activity for the protection of Oregon consumers;

(b) Fails or refuses on two or more occasions to assist the Administrator in enforcement activity for the protection of Oregon consumers;

(c) Is not maintaining and enforcing standards, qualifications, and examinations substantially similar to those of this state.

(5) Upon termination of a reciprocal agreement with another state, the Administrator may deny the issuance of a reciprocal certificate, or revoke a current reciprocal license or certificate from that state. Applicants, license and certificate holders from that state must then apply for a certificate in the same manner as other Oregon applicants.

(6) Reciprocal certificates are issued at the same level of certification as in the applicant's state.

(7) For purposes of this rule, "substantially similar" means that the other state's minimum standards qualifications for appraisal experience and education, and examinations meet the standards established by the Board as set forth in OAR 161, Division 10.

(8) Applications for reciprocal certification shall be processed in accordance with the written reciprocal agreement between the Board and the applicant's resident state.
