THE TEAM

who we are

Training 4 Transformation, LLC (T4T), #T4TSavesLives, is a certified minority business enterprise (MBE / ESB #13343) that works with organizations to create a culture of diversity, equity, belonging and justice.

Our trainers have at least a master's degree in their area of expertise, plurilingual, proficient in **e-Learning instructional design**, certified in conflict transformation with international experience. Depending on the needs of each client, T4T offers a range of services necessary for organizations to culturally shift.

Vision: T4T aspires to create a world where people recognize one another's humanity with a deep sense of collective responsibility.

Mission: We aim for transformative equity based on emotional intelligence, which requires a left and right brain approach to structural policy change. Additionally, it requires personal and interpersonal healing. Our mission is to help individuals, teams and organizations connect with each other more deeply to transform the workplace and community.

Strategy: Video Conferencing, Virtual Consulting and Coaching, Webinars

We offer keynote speaking, training workshops, organizational consulting, executive coaching, strategic planning, leadership/team development, conflict transformation, healing-centered public involvement and technical assistance.

Approach: We use the experiential learning model to engage various learning styles and apply decolonizing strategies to reveal the healing wisdom of our ancestors.
