Background Equipment

The playground is not there for the child to play on. It is there to play with, push, pull, and use tools and equipment. Our intent is to bring play that moves you! To encourage you throughout Oregon, Washington, Northern Idaho and Northern Nevada. Children develop mathematical skills through play that encourage them to use their bodies and give them a sense for growth. Join Our movement and get on with your body play to your advantage!

Journal of Management Education

Outdoor Musical Instruments:

Children Mutual Instruments being a higher level of musical expression to communities around the world. It's a universal experience that inspires everyone to sing, move, bring a sense of music to the community.
