Phenomenal craft beer and delicious food prepared from scratch are just a couple of the things you'll love about our original Steelhead Brewery restaurant in Eugene, Oregon, located at the corner of 199 East 5th Avenue in the historic market district. Not long after we opened in 1981, we became a local destination for beer lovers and foodies to enjoy our McKenzie Brewing beer, full bar, wines by the glass and unique, savory dishes. We are the go-to gathering place for anyone looking for brewery restaurants in Eugene.

The restaurant houses our original brewery and production facility, featuring our entire selection of 12 craft beers. These beers are accompanied by our full bar and wine selection, as well as our freshly brewed, nationally renowned root beer. To top it all off, our chefs create an eclectic selection of hand-crafted dishes inspired by American comfort food, like our delectable Halfout Boats and Beer-Braised Reuben sandwich. These mouthwatering dishes are made fresh and from scratch, every day.

We'd love to see you for lunch, dinner or the next Duck game. Our restaurant houses over 14 TVs with sports packages including the Pac-12 network and more. Peruse our menu and come out for a brew and a bre tonight, or bring your fellow fans out for the game!
