SERVICES

Since 2001, Steve & Elyse Douglas have served all of the jewelry needs of the Central Oregon community, first as Douglas Jewelry Design and as The Sunstone Store. SunstoneStore.com is now based out of Southern Oregon in Grants Pass.

OREGON SUNSTONE JEWELRY AND GEMSTONES

At The Sunstone Store, our all-time favorite gem is the Oregon Sunstone and creating unique Oregon Sunstone jewelry designs. Oregon Sunstone is Oregon's State Gemstone and is a designer's dream. It offers an amazing array of colors, it is versatile enough to be cut and polished in diverse ways, and it has durability that makes it ideal for pendants, earrings and special occasion rings.

We are so committed to this unique and beautiful gem, we have invested in Sunstone mining claims in the "Oregon Outback" near Plush, Oregon. This allows us to responsibly mine our own rough gemstones and offer you a remarkable selection at a great value.

TESTIMONIALS

ELYSE,
- ROZZ

Thank you so so much! The earrings are stunning and exactly what I was looking for, actually even more beautiful!

HI ELYSE,
- MARYBETH

We just wanted to thank you for taking care of us through the years. We had no idea our history went back to 2004! I have worn my watch and ring practically every day since then. That's how much I love them. Both pieces remind me of our beautiful days in the old Bend. Congratulations on your move to Grants Pass and your Sunstone business. We had never heard of them prior to our recent search for your contact information. They are gorgeous.

I just hope I can find a jeweler here in southern California that is as gracious and caring as you.
