EXPERIENCE OUR QUALITY

Our unsurpassed commitment to quality and customer satisfaction is the key to our long-term client relationships.

IAS Offices are fully staffed which allows the Insurance Adjuster to directly contact the Field Appraiser when needed and in a more timely manner. This reduces costly errors and also results in a decrease in cycle time for the Insurance Carrier. This practice results in reduced loss severity and insurance fraud, while increasing the ability to discern all unrelated prior damages.

IAS will internally evaluate each estimate to ensure that your particular requirements are met, such as proper part usage and compliance. Our auditing system saves you money on estimates and assures you uncompromised accuracy, dedication to best practices and most importantly a quality appraisal product for each file.

Our appraisal staff are highly trained on the latest industry standards to deliver services with the highest ethical conduct.

IAS is a constantly growing, innovative group that is highly respected for its reputation of treating insurance clients and their insureds with the highest level of honesty and integrity.
